In Character Interviews With Some Most Influential Remarkable Men Women Our Time:

Decadent daughters and monstrous mothers Rebecca Munford,2015-11-01 Decadent daughters and monstrous mothers interrogates the vexed question of Angela Carter s feminist politics through the dusty lens of European Gothic It illuminates her ambivalent relation to some of her most contentious European literary forebears reveals her rich knowledge of French literature and offers fresh insights into her literary practices afforded by newly available archival material This book analyses Carter s textual engagements with a dirty lineage of European Gothic that can be mapped from the Marquis de Sade s obsession with desecration and defilement through Baudelaire s perverse decompositions of the muse and decadent imaginings of infernal femininity to surrealism s violent dreams of abjection It argues that Carter s most troublesome engagements with her European Gothic forefathers are unexpectedly those which are most vital to a consideration of her feminist politics Decadent daughters and monstrous mothers will be of interest to researchers and students working on contemporary women s writing the Gothic and comparative literature **Child Sexual Abuse** Emily Driver,Audrey

Droisen,1989-07-01 This feminist analysis brings together expert contributions on the subject of child sexual abuse The book examines current theoretical perspectives and institutions including the law psychiatry and education The authors question the dominant ideology which presents sexual abuse as a product of family dysfunction and instead suggest an analysis in terms of male violence **In the Grip of Light** Paul Murray,Paul Murray OP,2012-05-17 Increasingly the contemplative tradition in Christianity is being seen as essential to our understanding of Christianity itself Here is the book to explain all

Soft Law and Public Authorities Greg Weeks,2016-02-25 This book considers the phenomenon of soft law employed by domestic public authorities Lawyers have long understood that public authorities are able to issue certain communications in a way that causes them to be treated like law even though these are neither legislation nor subordinate legislation Importantly for soft law as a regulatory tool people tend to treat soft law as binding even though public authorities know that it is not It follows that soft law s binding effects do not apply equally between the public authority and those to whom it is directed Consequently soft law is both highly effective as a means of regulation and inherently risky for those who are regulated by it Rather than considering soft law as a form of regulation this book examines the possible remedies when a public authority breaches its own soft law upon which people have relied thereby suffering loss It considers judicial review remedies modes of compensation which are not based upon a finding of invalidity namely tort and equity and soft challenges outside the scope of the courts such as through the Ombudsman or by seeking an ex gratia payment **The American**

Phrenological Journal and Life Illustrated ,1862 **The Sexual Life of Our Time in Its Relations to Modern Civilization** Iwan Bloch,2022-07-21 In The Sexual Life of Our Time in Its Relations to Modern Civilization Iwan Bloch presents a pioneering analysis of human sexuality against the backdrop of contemporary society This work delves into the interplay between sexual behaviors societal norms and cultural transformations in the early 20th century Emphasizing a multi

disciplinary approach Bloch interweaves historical narratives psychoanalytic theory and sociological inquiry making the text a rich tapestry of intellectual discourse that sets it apart from contemporaneous works inviting readers to interrogate the moral frameworks that shape sexual practices Iwan Bloch often regarded as a precursor to sexology draws on his extensive background in medicine and sociology to challenge the prevailing sexual mores of his time His critical stance on sexual repression and advocacy for sexual freedom reflect the burgeoning feminist and sexual liberation movements that characterized the early 1900s Bloch s passionate engagement with these subjects emerged from both personal interest and his broader desire to promote understanding in an era marked by rapid social change This seminal work is essential reading for anyone interested in the historical and societal dimensions of sexuality Bloch s insights resonate profoundly in today s discourse on sexual identity and expression making it a crucial text for scholars activists and general readers seeking to understand the complexities of human sexuality in the context of modern civilization

The Eclectic Magazine of Foreign Literature, Science, and Art ,1855 Chamber's Journal of Popular Literature, Science and Arts ,1856 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1863 The Saturday Review of Politics, Literature, Science and Art ,1856 **The Times and Seasons** ,1845 The Art Journal ,1850 Vol for 1867 includes Illustrated catalogue of the Paris Universal Exhibition The Craftsman ,1914 **Littell's Living Age** Eliakim Littell,Robert S. Littell,1878 **Littell's Living Age** ,1866 **The Athenaeum** ,1901 **The Athenæum** ,1834 Evangelical Magazine and Missionary Chronicle ,1847 **The Evangelical Magazine and Missionary Chronicle** ,1845 *The art journal London* ,1857
