In Gallant Company Alexander Kent, 1998-04-01 As the American Revolution rages on the mainland the British Navy prepares for action at sea Against a growing fleet of American and French privateers the navy must maintain its blockade of Washington's vital military supplies Caught up in the turmoil junior officer Richard Bolitho finds himself having to make momentous decisions in the heat of battle decisions that could affect the lives of many men and perhaps even the fate of nations *Historical Record of the Honourable East India Company's First Madras European Regiment* James George Smith Neill, Staff Officer, 1843 **American and English Annotated Cases**, 1917 *Ballads of Irish Chivalry* Robery Dwyer Joyce, 2023-05-01 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Regular Army O!* Douglas C. McChristian, 2017-05-04 The drums they roll upon my soul for that's the way we go runs the chorus in a Harrigan and Hart song from 1874 Forty miles a day on beans and hay in the Regular Army O The last three words of that lyric aptly title Douglas C McChristian's remarkable work capturing the lot of soldiers posted to the West after the Civil War At once panoramic and intimate Regular Army O uses the testimony of enlisted soldiers drawn from more than 350 diaries letters and memoirs to create a vivid picture of life in an evolving army on the western frontier After the volunteer troops that had garrisoned western forts and camps during the Civil War were withdrawn in 1865 the regular army replaced them In actions involving American Indians between 1866 and 1891 875 of these soldiers were killed mainly in minor skirmishes while many more died of disease accident or effects of the natural environment What induced these men to enlist for five years and to embrace the grim prospect of combat is one of the enduring questions this book explores Going well beyond Don Rickey Jr's classic work *Forty Miles a Day on Beans and Hay* 1963 McChristian plumbs the regulars accounts for frank descriptions of their training to be soldiers their daily routines including what they ate how they kept clean and what they did for amusement the reasons a disproportionate number occasionally deserted while black soldiers did so only rarely how the men prepared for field service and how the majority who survived mustered out In this richly drawn uniquely authentic view men black and white veteran and tenderfoot fill in the details of the frontier soldier's experience giving voice to history in the making **Of Sex and Faerie: further essays on Genre Fiction** John Lennard, 2010 Taking up where *Of Modern Dragons* 2007 left off these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations John Lennard is Director of Studies at Hughes Hall Cambridge and has also taught for

the Universities of London Notre Dame and for the Open University and was Professor of British American Literature at the University of the West Indies Mona 2004 09 Of Modern Dragons and other essays on genre fiction 2007 is also available from Lulu **Reports of Cases Determined in the Appellate Courts of Illinois** Illinois. War Department,1886 Official records produced by the armies of the United States and the Confederacy and the executive branches of their respective governments concerning the military operations of the Civil War and prisoners of war or prisoners of state Also annual reports of military departments calls for troops correspondence between national and state governments correspondence between Union and Confederate officials The final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published Accompanied by an atlas
