

"A clear and provocative book that should be read by all concerned with human rights and foreign policy."

—Publishers Weekly (starred review)

IN OUR OWN BEST INTEREST

HOW DEFENDING HUMAN RIGHTS BENEFITS US ALL

William F. Schulz,

Executive Director, Amnesty International USA

With a Foreword by Mary Robinson and

a New Preface on Human Rights in a Post-9/11 World

In Our Own Best Interest How Defending Human Rights Benefits Us All

Ari Kohen

In Our Own Best Interest How Defending Human Rights Benefits Us All:

In Our Own Best Interest William F. Schulz, 2001 From the director of Amnesty International comes a provocative new argument for defending human rights When people begin to question why events half a world away affect them Schulz responds with stories of the connection between American s prosperity and rights violations on the other side of the globe

In Defense of Human Rights Ari Kohen, 2007-03-06 This book establishes a defence of human rights that can be shared by both non religious and religious people

The Challenge of Politics Douglas W. Simon, Joseph Romance, Neal Riemer, 2018-12-27 This updated Sixth Edition of *The Challenge of Politics* enables you to see how the subfields of political science converge around a set of crucial questions such as Can we as citizens and students articulate and defend a view of the good political life and its guiding political values Can we bring political wisdom to bear on judgments about politics and public issues and Can we develop a science of politics to help us understand significant political phenomena the empirical realities of politics Balancing lessons of classic and contemporary theory with contemporary politics and empirical study the book equips you with the tools you need to explore the impact of philosophy and ideology recognize major forms of government evaluate empirical findings and understand how policy issues directly affect people s lives This Sixth Edition includes a brand new chapter on American Politics and Government and updated content on recent international events

Challenge of Politics, 4th Edition Neal Riemer, Douglas W. Simon, Joseph Romance, 2013-02-15 So often political science is introduced to students as a segmented field *The Challenge of Politics* instead enables students to see how the subfields converge around a set of crucial questions can we as citizens and students articulate and defend a view of the good political life and its guiding political values Can we develop a science of politics to help us understand significant political phenomena the empirical realities of politics Can we bring a high level of political prudence or wisdom to bear on judgments about politics and public issues Can citizens and students creatively address the future of politics Riemer Simon and Romance aim to harmonize the valuable lessons of classic and contemporary theory as well as to reconcile politics to scientific and empirical study The book gives students an avenue to explore the impact of philosophy and ideology to recognize major forms of government to evaluate empirical findings and to understand how policy issues directly affect people s lives Throughout the authors look at political dynamics of American comparative and international affairs While continuing to pursue its distinctive normative approach and showing politics to be a potentially humanizing enterprise this new edition of *Challenge* has been revised and updated for major world events like the global financial crisis recent elections in the U S and elsewhere important policy decisions like the recent Supreme Court ruling in the U S on healthcare and the aftermath of the Arab Spring Based on reviewer feedback it has also been substantially streamlined throughout

Human and National Security Derek S. Reveron, Kathleen A. Mahoney-Norris, 2018-09-03 Deliberately challenging the traditional state centric analysis of security this book focuses on subnational and transnational forces religious and ethnic conflict climate change pandemic

diseases poverty terrorism criminal networks and cyber attacks that threaten human beings and their communities across state borders Examining threats related to human security in the modern era of globalization Reveron and Mahoney Norris argue that human security is national security today even for great powers This fully updated second edition of Human and National Security Understanding Transnational Challenges builds on the foundation of the first published as Human Security in a Borderless World while also incorporating new discussions of the rise of identity politics in an increasingly connected world an expanded account of the actors institutions and approaches to security today and the ways diverse global actors protect and promote human security An essential text for security studies and international relations students Human and National Security not only presents human security challenges and their policy implications it also highlights how governments societies and international forces can and do take advantage of possibilities in the contemporary era to develop a more stable and secure world for all

Ideal Illusions James Peck, 2011-03-15 From a noted historian and foreign policy analyst a groundbreaking critique of the troubling symbiosis between Washington and the human rights movement The United States has long been hailed as a powerful force for global human rights Now drawing on thousands of documents from the CIA the National Security Council the Pentagon and development agencies James Peck shows in blunt detail how Washington has shaped human rights into a potent ideological weapon for purposes having little to do with rights and everything to do with furthering America's global reach Using the words of Washington's leaders when they are speaking among themselves Peck tracks the rise of human rights from its dismissal in the cold war years as fuzzy minded to its calculated adoption after the Vietnam War as a rationale for American foreign engagement He considers such milestones as the fight for Soviet dissidents Tiananmen Square and today's war on terror exposing in the process how the human rights movement has too often failed to challenge Washington's strategies A gripping and elegant work of analysis *Ideal Illusions* argues that the movement must break free from Washington if it is to develop a truly uncompromising critique of power in all its forms

The International Struggle for New Human Rights Clifford Bob, 2009 Why are certain global problems recognized as human rights issues while others are not This book highlights campaigns to persuade the human rights movement to move beyond traditional concerns and embrace pressing new ones Its analytic framework and case studies reveal critical strategies and conflicts involved in the struggle for new rights

Whose God Rules? N. Walker, E. Greenlee, 2011-12-14 This book demonstrates that the United States whether we like it or not is a theolegal nation a democracy that simultaneously guarantees citizens the right to free expression of belief while preventing the establishment of a state religion

International Organization J. Barkin, 2015-12-31 The newly revised and updated edition of International Organization is an introduction to the study of international organizations in the field of International Relations intended for students in the discipline It looks at the different ways in which IOs are studied and then applies these different modes to a variety of specific case studies

International Encyclopedia of Organization Studies Stewart Clegg, James R.

Bailey,2008 Describing the field spanning individual organisation societal and cultural perspectives in a cross disciplinary manner this is the premier reference tool for students lecturers academics and practitioners to gather knowledge about a range of important topics from the perspective of organisation studies

The Lesser Evil Michael Ignatieff,2005-09-04 Must we fight terrorism with terror match assassination with assassination and torture with torture Must we sacrifice civil liberty to protect public safety In the age of terrorism the temptations of ruthlessness can be overwhelming But we are pulled in the other direction too by the anxiety that a violent response to violence makes us morally indistinguishable from our enemies There is perhaps no greater political challenge today than trying to win the war against terror without losing our democratic souls Michael Ignatieff confronts this challenge head on with the combination of hard headed idealism historical sensitivity and political judgment that has made him one of the most influential voices in international affairs today Ignatieff argues that we must not shrink from the use of violence that far from undermining liberal democracy force can be necessary for its survival But its use must be measured not a program of torture and revenge And we must not fool ourselves that whatever we do in the name of freedom and democracy is good We may need to kill to fight the greater evil of terrorism but we must never pretend that doing so is anything better than a lesser evil In making this case Ignatieff traces the modern history of terrorism and counter terrorism from the nihilists of Czarist Russia and the militias of Weimar Germany to the IRA and the unprecedented menace of Al Qaeda with its suicidal agents bent on mass destruction He shows how the most potent response to terror has been force decisive and direct but just as important restrained The public scrutiny and political ethics that motivate restraint also give democracy its strongest weapon the moral power to endure when the furies of vengeance and hatred are spent The book is based on the Gifford Lectures delivered at the University of Edinburgh in 2003

The Challenge of Politics Neal Riemer,Douglas W. Simon,Joseph Romance,2015-12-17 *The Challenge of Politics* introduces students to the fundamental questions of political science With a distinctive normative approach that portrays politics as a potentially humanizing enterprise authors Neal Riemer Douglas W Simon and Joseph Romance equip readers to recognize major forms of government evaluate research findings and understand how policy issues directly affect people s lives This comprehensive text balances classic and contemporary political theory with current events and empirical study The Fifth Edition is fully revised to reflect recent national and international developments including a new chapter on American Politics and Government

Rights as Weapons Clifford Bob,2021-05-04 Bob looks at how political forces use rights as rallying cries naturalizing novel claims as rights inherent in humanity absolutizing them as trumps over rival interests or community concerns universalizing them as transcultural and transhistorical and depoliticizing them as concepts beyond debate He shows how powerful proponents employ rights as camouflage to cover ulterior motives as crowbars to break rival coalitions as blockades to suppress subordinate groups as spears to puncture discrete policies and as dynamite to explode whole societies And he demonstrates how the targets of rights campaigns repulse such assaults using their own rights like

weapons denying the abuses they are accused of constructing rival rights to protect themselves portraying themselves as victims rather than violators and repudiating authoritative decisions against them

Making the Manifesto William F. Schulz, 2002

The U.N. Commission in Human Rights United States. Congress. House. Committee on International Relations. Subcommittee on Africa, Global Human Rights, and International Operations, 2005

Freedom's Battle Gary J. Bass, 2009-10-13 This gripping and important book brings alive over two hundred years of humanitarian interventions Freedom's Battle illuminates the passionate debates between conscience and imperialism ignited by the first human rights activists in the 19th century and shows how a newly emergent free press galvanized British American and French citizens to action by exposing them to distant atrocities Wildly romantic and full of bizarre enthusiasms these activists were pioneers of a new political consciousness And their legacy has much to teach us about today's human rights crises

North and South in the World Political Economy Rafael Reuveny, William R. Thompson, 2009-02-26 A broad yet distinctive analysis of the growing political economic and social gap existing between the world's northern and southern hemispheres Featuring papers selected by the ISA President from the 2006 annual meeting this upper level volume examines the genesis of the North South divide the ongoing policy problems between developed and lesser developed states and how these issues influence current and future world politics An upper level text ideal for academic libraries think tanks and libraries of policy institutions Organized into three distinct focus clusters Problems afflicting the global South trade development financial crises structural adjustment democratization human rights disease Specific conflicts between North and South energy terrorism weak states nuclear weapon proliferation Solutions to reduce the North South gap foreign aid programs global media democratization political power in the United Nations the emerging powers phenomenon transnational social movements and Northern foreign policy adjustments Tackles the tough questions likely to dominate international relations discourse for decades to come

Above the Fray Shai M. Dromi, 2020-01-24 From Lake Chad to Iraq nongovernmental organizations NGOs provide relief around the globe and their scope is growing every year Policy makers and activists often assume that humanitarian aid is best provided by these organizations which are generally seen as impartial and neutral In Above the Fray Shai M Dromi investigates why the international community overwhelmingly trusts humanitarian NGOs by looking at the historical development of their culture With a particular focus on the Red Cross Dromi reveals that NGOs arose because of the efforts of orthodox Calvinists demonstrating for the first time the origins of the unusual moral culture that has supported NGOs for the past 150 years Drawing on archival research Dromi traces the genesis of the Red Cross to a Calvinist movement working in mid nineteenth century Geneva He shows how global humanitarian policies emerged from the Red Cross founding members faith that an international volunteer program not beholden to the state was the only ethical way to provide relief to victims of armed conflict By illustrating how Calvinism shaped the humanitarian field Dromi argues for the key role belief systems play in establishing social fields and institutions Ultimately Dromi shows the immeasurable social good that NGOs

have achieved but also points to their limitations and suggests that alternative models of humanitarian relief need to be considered

An Introduction to Global Studies Patricia J. Campbell, Aran MacKinnon, Christy R. Stevens, 2011-09-13
Taking an interdisciplinary approach An Introduction to Global Studies presents readers with a solid introduction to the complex interconnected forces and issues confronting today's globalized world Introduces readers to major theories key terms concepts and notable theorists Equips readers with the basic knowledge and conceptual tools necessary for thinking critically about the complex issues facing the global community Includes a variety of supplemental features to facilitate learning and enhance readers understanding of the material

Handbook of Research on NGOs Aynsley Kellow, Hannah Murphy-Gregory, 2018-09-28 This volume provides a critical overview of research on Non governmental Organisations NGOs While it notes that the definition of NGOs is contested and can include both business and national groups it focuses primarily on international NGOs engaged with human rights social and environmental concerns and aid and development issues With contributions by Peter Willetts Tom Davies Bob Reinalda and other leading scholars it provides a series of critical essays on both general aspects of NGOs and significant issues of particular concern

In Our Own Best Interest How Defending Human Rights Benefits Us All Book Review: Unveiling the Power of Words

In Our Own Best Interest How Defending Human Rights Benefits Us All Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free In Our Own Best Interest How Defending Human Rights Benefits Us All PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free In Our Own Best Interest How Defending Human Rights Benefits Us All PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of In Our Own Best Interest How Defending Human Rights Benefits Us All free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About In Our Own Best Interest How Defending Human Rights Benefits Us All Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. In Our Own Best Interest How Defending Human Rights Benefits Us All is one of the best book in our library for free trial. We provide copy of In Our Own Best Interest How Defending Human Rights Benefits Us All in digital format, so the resources that you find are reliable. There are also many Ebooks of related with In Our Own Best Interest How Defending Human Rights Benefits Us All. Where to download In Our Own Best Interest How Defending Human Rights Benefits Us All online for free? Are you looking for In

Our Own Best Interest How Defending Human Rights Benefits Us All PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another In Our Own Best Interest How Defending Human Rights Benefits Us All. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of In Our Own Best Interest How Defending Human Rights Benefits Us All are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with In Our Own Best Interest How Defending Human Rights Benefits Us All. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with In Our Own Best Interest How Defending Human Rights Benefits Us All To get started finding In Our Own Best Interest How Defending Human Rights Benefits Us All, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with In Our Own Best Interest How Defending Human Rights Benefits Us All So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading In Our Own Best Interest How Defending Human Rights Benefits Us All. Maybe you have knowledge that, people have search numerous times for their favorite readings like this In Our Own Best Interest How Defending Human Rights Benefits Us All, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. In Our Own Best Interest How Defending Human Rights Benefits Us All is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, In Our Own Best Interest How Defending Human Rights Benefits Us All is universally compatible with any devices to read.
