## **In Christ All Things Hold Together:**

*In Christ All Things Hold Together* Jock Stein, Howard Taylor, 2000-07-26 Christian faith starts with Jesus Christ who said I am the Way the Truth and the Life This is a book both for the enquirer and for the committed Christian who is growing towards a more informed belief In Christ All Things Hold Together asserts the truth of the Christ who was the Son of God who cares for us who shared our humanity and who rose from death a truth dependent not on irrational faith but on the revelation of the Gospel

**All Things Hold Together in Christ** James K. A. Smith, Michael L. Gulker, 2018-01-02 As Christians engage controversial cultural issues we must remember that all things hold together in Christ Col 1 17 even when it comes to science and faith In this anthology top Christian thinkers including Robert Barron Timothy George Stanley Hauerwas Alasdair MacIntyre Mark Noll and N T Wright invite us to find resources for faithful creative thinking in the riches of the church's theological heritage and its worship traditions

*In Him All Things Hold Together* Rosemary Poole Morris, 2012-01-16 The book tracks Jesus's story and its implications in prose and poetry in scripture story and song sketches and snippets of essay After starting with a chapter on ways of being with scripture taking it seriously but often not literally and suggestive chapters on God and the Old Testament it moves from Jesus's incarnation through his ministry and passion for the Kingdom of God to his Passion and bodily resurrection These are followed by chapters on what happened next including two chapters on contemporary Christianity the good and the bad of it The take on Jesus as both title and sub title suggest is broad in some ways quite orthodox but insisting on his call for compassion social justice inclusiveness and wholeness for all It's also about Jesus alive and with us now albeit in a different dimension from those with which we are familiar The many meditations are often brief and the poetry is for people and not just for critics and other poets There is much here to think about but it's not an academic tome It can be provocative and often it's just plain fun

**Loving Science - but Not the Empire** Jay Sonstroem, 2023-02-27 For decades the world has been telling us that God is dead and science has proven it but is that really true As the evidence has continued to accumulate the tide has turned God is back to full health and not only that but He is far more awesome and ingenious than we ever imagined Now it is the scientific establishment that is on the ropes as a century of errors and deception has been unearthed In *Loving Science But Not the Empire* experimental scientist Jay Sonstroem helps readers discern between the findings of real science and fables which have been pushed by an entity he calls The Empire Jay provides short readable chapters to reveal both the wonders of creation and the schemes and blunders of The Empire which have resulted from its hijacked version of science Topics include the hidden truth of DNA the wonders of biology the fine tuning of the universe and evolution and Darwinism debunked Is it possible to love science but not worship it You bet Does a person who believes in God have to give up Reason No Come along and piece together the puzzle of life the universe and everything in between What you believe about your origins has everything to do with what you believe about your destiny Follow the light find the Truth and together let's free science from a Godless

agenda     **All Things Hold Together** Stephen C. Shaffer, 2023-03-21 How can we live faithfully in a world that feels like it is coming apart at the seams In *All Things Hold Together* Stephen C Shaffer offers an invitation to return to an older more humble and yet more confident Christian faith In Christ all things hold together Apart from him things fall apart The multitude of fractures in our world result from the removal of our center in Christ Worldview is not a weapon It was meant to mend the fractures opened up by the modern world The recovery of a theological center of a Christian worldview is intended as a way of sewing back together what the modern world is ripping apart Worldview serves to give voice to a way before and beyond the fractures a world we have abandoned in order to rule ourselves *All Things Hold Together* works to recover this original purpose of Christian worldview and present it as a gift for faithfully navigating our contemporary culture     **Things Hold Together** Branson L. Parler, 2012-10-03 As an Anabaptist John Howard Yoder is often depicted as Christ centered in his theology but with a creation deficient approach to culture In this clearly reasoned study Branson Parler argues that Yoder advocates a trinitarian theology of culture that upholds the continuity between God's work in creation and in redemption For Yoder Jesus humanity makes him directly relevant to culture while Jesus divinity connects him directly to creation Yoder's writings says Parler affirm that Jesus restores and re-establishes the politics of creation In *Things Hold Together* Parler joins a growing number of writers from outside Anabaptist or Mennonite traditions who are finding resonance with Yoder one of the leading theologians of the twentieth century Interpreters who dismiss Yoder's call to discipleship find comfort in suggesting he lacked a doctrine of creation or in finding him to be at best a heterodox theologian Parler takes the ground away from such critics His book sets the bar for any future reception of Yoder's theology D Stephen Long author of *Speaking of God* Theology Truth and Language *Things Hold Together* helps us see that John Howard Yoder was from first to last a trinitarian thinker Parler therefore provides an illuminating context for interpreting Yoder's critique of H Richard Niebuhr Stanley Hauerwas Gilbert T Rowe professor of theological ethics Duke University     *The Word as word* Michael Straus, 2024-09-12 This book provides an original translation methodology applicable to the New Testament one that remains rooted in the literal Greek considers its paleographic and philological characteristics as well as its socio historical context understands the text as part of a canonical whole reflects its reception history in church doctrine and liturgy accounts for classical formulations of its translation tradition yet speaks with contemporary literary style In developing a new methodology the book appropriates ancient and modern insights into the relationship of thought and language not previously considered in the context of translation Further the book is premised on the understanding that Scripture is the divinely communicated Word of God made incarnationally present in the words of the Bible As the *viva vox evangelii* biblical texts thus have ongoing effects in the continuum of church history and tradition The book argues that contemporary translators of the Bible should therefore be aware of their own situatedness in and shaping by this continuity of linguistic and cultural transmission As such the book provides a pathway to translating the Scriptures in such a way as to capture recapitulate and

incorporate the living sweep of the timeless Word in words that cross time

**Colossians and Philemon** Marianne Meye Thompson, 2005-11-02 Colossians and Philemon have traditionally been overshadowed by other New Testament texts thought to express Pauline theology more clearly In this notable commentary however Marianne Meye Thompson shows how these two epistles provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith In Colossians she finds an overarching narrative of the Bible's grand creation redemption story and an important emphasis on the relationship between creation and Christology while her exploration of Philemon casts brighter light on the significance of Paul's familial metaphors for the church and the meaning of new humanity in Christ Throughout her work on these two epistles Thompson continually connects her insights to theological concerns making this volume an excellent addition to the Two Horizons series

*The Bible Exposition Commentary* Warren W. Wiersbe, 2003 Volume 6 of the Bible Exposition Commentary 6 volume set

*All the Fullness of God* Bonnie Bowman Thurston, 2017-06-28 All the Fullness of God The Christ of Colossians focuses on the Christology of Colossians and its implications by examining the canonical text and answering the questions What was the author's purpose in writing the letter What is the letter's primary concern How do its contents reflect or deviate from Paul's thought in his uncontested letters The author of Colossians is favorably disposed toward the letter's recipients who have received the gospel from Epaphras but now encounter alternative teachings The author finds that church's Christology inadequate and writes to expand their understanding of the meaning of baptism into Jesus Christ and its implications This study introduces Greco Roman letter and literary forms the geography history and demographics of Colossae and provides excurses on several scholarly matters It is comprised of five chapters Part I which set forth the argument and explain the text in its historical context followed by nine reflections Part II which place each text in its context then elucidate the meaning and application of the passage for contemporary readers

*Thirty Days in Colossae* Gary Blackard, 2020-04-03 This devotional commentary is written to stir up a love for the scripture The book of Colossians is filled with powerful teaching and practical application for life This short letter from the Apostle Paul reaches into the depths of the heart while also challenging our minds We take a daily journey through its four chapters reading and praying through this letter while also asking questions to spur thinking on how to apply to our lives Each day has scripture reading a commentary on the passage and questions for reflection

**Church in Ordinary Time** Amy Plantinga Pauw, 2017-09-21 The liturgical season called ordinary time consists mostly of the weeks between Easter and the beginning of Advent This season generally ignored by theologians aptly symbolizes the church's existence as God's creature in the gap between the resurrection of Christ and the consummation of all things In this book Amy Plantinga Pauw draws on the seasons of the church year and the creation theology elaborated in the Wisdom books of Scripture to explore the contours of a Trinitarian ecclesiology that is properly attuned to the church's life amid the realities of today's world

*The Church: Rights and Responsibilities of the Believer* Zacharias Tanee Fomum, In this compelling message Prof Fomum delves into the rights

privileges and responsibilities of the believer within the context of the church He puts things in the form of a systematic exposition of the Scriptures in the book of Ephesians The unique characteristics and raison d'être of the church are clearly presented Is the church a building or the people What's the role of the church in the believer's life and vice versa How does someone become a member of the church What does a believer miss by not being part of the local church The reader will discover that all of God's power is available to the believer only in the context of the church He who is fully in the church will tap into that power The purposes of God are tied to the church Unless one finds his place in the church in the local context he has missed it all Every believer must therefore get to know his rights and responsibilities in the local church flow in them fulfill them and enjoy the benefits therein The believer's rights are an empowering anointing while spiritual gifts and offices are given to enable him carry out every responsibility successfully *The Homiletic Review*, 1906 God is Always Bigger John P. Bowen, 2021-01-05 For forty years John Bowen has been a popular speaker teacher and preacher on university campuses in churches and in classrooms and at conferences across Canada This book brings together forty of his best sermons talks and articles You will be encouraged and you will be challenged You will laugh and cry think and pray sometimes all at the same time The topics are wildly various The Spiritual Quality of Crazy Vacuum Cleaner Church The Vocation of a Garbage Collector Spirituality in my Sixties What's Wrong with Amazing Grace and Strong and Weak a reflection on his bypass surgery in 2017 The audiences are as varied as the subjects a conference of Christians in science the visit of the Archbishop of Canterbury to Wycliffe College a camp reunion a diocesan conference a church planting conference his mother's funeral and not least his own parish church in Hamilton Ontario This is a book to dip into or to read from cover to cover You will not be disappointed *Annual Report of the Board of Trustees of the Universalist General Convention* Universalist General Convention. Board of Trustees, 1906 Puzzling Passages in Paul Anthony C. Thiselton, 2018-10-22 Few Christian writings have had the world changing impact of St Paul's epistles to the churches and yet from the very beginning these works proved themselves to be tricky texts The Second Letter of Peter commenting about them says There are some things in them that are hard to understand 2 Pet 3:16 Indeed To this day many issues of their interpretation remain highly contested In this book Anthony Thiselton grasps the nettle and examines forty puzzling passages from Paul's epistles He considers the various scholarly proposals about their meaning and offers his own reflections in the hope of dispersing fog and shedding light and of expounding a coherent and self-consistent Paul **Colossians: An Earth Bible Commentary** Victoria S. Balabanski, 2020-01-23 Vicky Balabanski analyses Colossians as a co-authored letter written during Paul's Roman imprisonment by Timothy with the input of Epaphras and sent with Paul's introductory and concluding greetings Balabanski sees remarkable resonances between the cosmology of this letter and that of Stoic thought the most widely held philosophy in first century Asia Minor Drawing upon the way Stoic thinkers saw the divine Spirit permeating reality and sought to attune their lives to the Logos divine reason she argues that the Logos of Christ the Gospel was welcomed by small groups of people

shaped by Stoic thought and they experienced Christ as the visible expression of the One God who permeates reality The Letter to the Colossians has the highest view of Christ of any of the New Testament writings and its theology of divine permeation invites us to notice the ecological potential of this letter This Eco Stoic reading brings contemporary ecological questions into dialogue with the distinctive Christology and cosmology of the letter *Approaching God (Enns)* Paul Enns, A year s worth of devotional reading that uses explanations of key Christian doctrines to open new vistas of God s call for intimacy
