In Him Was Life:

In Him Was Life Karren Boehr, 1997 Through these contemporary and easy to perform dramas the message of Easter leaps out of the pages of the Bible and becomes a living life changing reality They introduce people afresh to the living Savior The plays involve up to four participants and use few props simple costumes and backdrops *Trusting Him in All of Life's Situations* Irene Bryan, 2023-12-29 Life's journey carries one in many directions and through different paths and roads One does not know what situations one may encounter But what one does know is God can be trusted to help navigate one through Situations will come and that is a fact because Jesus said so And whatever Jesus said will be so because he is not a liar It is a comfort to know that when situations come Jesus will be there to see us through Situations are not always easy to face especially when there is a time of waiting As humans we often want instant gratification But that is not how God works He works through his time and not ours Trusting him with our situations teaches us how to wait Waiting requires other things with it such as faith hope and trust These are the antidote to help us not to become anxious fearful discouraged and worried These are the things that will consume and prevent us from trusting him when situations come There are stories in the Bible from the Old and New Testaments that illustrate various situations God's people face Through these stories we learn about the struggles and hardships many experienced during their situations We also gain insight into how his people such as Joseph Moses David Ruth Ester Job Paul Silas and others trusted in God in their situations They believed that God was able to meet the need of the situation so they were able to trust in him And guess what they were not disappointed And neither will you if you trust him in all of your life's situations **The Collected Works of Witness Lee, 1953, volume 1** Witness Lee, Brother Witness Lee traveled to Manila Philippines on December 10 1952 and stayed there until June 30 1953 During this time he released messages that compose the first six chapters of The Bridge and Channel of God which appears in volume 1 of this set A collection of his personal notes written in January is included in volume 1 of this set On June 1 through 14 he conducted a training on service in the mornings with brothers who attended from the Philippines as well as from other Southeast Asian countries The main subject of these meetings was on the conditions for God to use man and on the knowledge needed for those who serve the Lord In the evenings he spoke to the whole church on God's need for man and the life of service After this he conducted meetings in Baguio Philippines for three days beginning on June 15 with two meetings every day The subject of these meetings was on the life and living of the Lord's serving ones and the revelation and way for service These messages were originally published in The Ministry of the Word Issue Nos 27 and 28 and are included in volume 1 of this set under the title The Ministry of the Word Miscellaneous Messages 1953 After returning from Manila on June 30 Brother Lee remained in Taiwan for the rest of the year Beginning on August 9 he conducted an eleven day conference on life and the church with over two thousand in attendance These messages are included in volume 1 of this set in the section entitled Knowing Life and the Church The most significant event of this year was a sixteen week training that

The Works of Saint Augustine Saint Augustine (of Hippo), 1990. In 1990 New City Press in conjunction with the Augustinian Heritage Institute began the project known as The Works of Saint Augustine: A Translation for the 21st Century. The plan is to translate and publish all 132 works of Saint Augustine; his entire corpus into modern English. This represents the first time in which The Works of Saint Augustine will all be translated into English. Many existing translations were often archaic or faulty, and the scholarship was outdated. New City Press is proud to offer the best modern translations available. The Works of Saint Augustine: A Translation for the 21st Century will be translated into 49 published books. To date 41 books have been published by NCP, containing 93 of The Works of Saint Augustine: A Translation for the 21st Century. Witness to the Word Karl Barth, 2003-06-03. Karl Barth's lectures on the first chapter of the Gospel of John delivered at Muenster in 1925-26 and at Bonn in 1933 came at an important time in his life when he was turning his attention more fully to dogmatics. Theological interpretation was thus his primary concern, especially the relation between revelation and the witness to revelation which helped to shape his formulation of the role of the written and spoken word vis-à-vis the incarnate Word. The text is divided into three sections: John 1:1-18, 19-34, 35-51, with the largest share of the book devoted to the first section. Each section begins with Barth's own translation followed by verse-by-verse and phrase-by-phrase commentary on the Greek text. Although Barth's interpretation is decidedly theological, he does take up questions of philology and textual criticism more thoroughly than in his other works. Much has happened in Johannine scholarship since these lectures were first delivered, yet they remain valuable today 100 years after Barth's birth, both for their insights into the gospel and into Karl Barth.
