In Quest Of Manhood:

The Quest for Authentic Manhood Robert Lewis, 2003 *The Quest for Authentic Manhood (Member Book)* Robert Lewis, 2005-01-04 The first of the series this study leads men along a journey toward real biblical masculinity while fostering deep spiritual emotional and personal growth In Search of Manhood Don H. Corrigan, 2024-08-15 American men began an earnest search for the meaning of manhood in the latter half of the 20th century and enlisted in such groups as Promise Keepers Million Man March National Congress of Men and fathers rights groups This study chronicles those movements as well as the more visible male activism of today in such groups as Proud Boys Three Percenters and Oath Keepers The book explores the misogyny and militancy embodied in these new quests for manhood The first section covers pop culture influences on conceptions of masculinity and moves from celebrity iconography to the institutional and organizational influences that men have relied on in the effort to make themselves masculine The second section describes masculinity and men s movements in the 20th century and the third section covers the 21st The final chapters analyze the contrast between the more thoughtful men s movements before the turn of the century and the more militant and physical movements after 2000 posing and addressing critical questions about the relationship between prevailing ideals of masculinity and events like the January 6th insurrection **Hemingway's Theaters of Masculinity** Thomas Strychacz, 2003-11-11 In this provocative book Thomas Strychacz pursues an entirely new approach to the question of masculinity in Ernest Hemingway s work He begins with a close reading of Hemingway s famous story The Short Happy Life of Francis Macomber and continues through the story cycle In Our Time the short story The Undefeated the novels The Sun Also Rises A Farewell to Arms For Whom the Bell Tolls and The Old Man and the Sea and the nonfiction books Death in the Afternoon and Green Hills of Africa Challenging the traditional wisdom that Hemingway fashions a quintessentially masculine style and promotes an ideal of stoic independent manhood Strychacz argues that Hemingway s fiction poses masculinity as a theatrical performance Masculinity emerges from a series of complex negotiations between male characters readers and cultural codes of manhood Hemingway s masculine style should be seen as deeply rhetorical inviting the audience to think of masculinity as a contention to be debated rather than a fact that demands acquiescence Drawing on feminism gender studies and the New Men s Studies this book casts brilliant interpretive light on Hemingway s artistry It contributes significantly to the larger cultural discussions about the nature of masculinity while offering an analysis and critique of masculinity in Hemingway s work that greatly extends recent scholarly debates about masculine modernism It raises the compelling question What is modernism if masculinity is exposed as more problematic and elusive than previously suspected **The Making of Manhood among Swedish Missionaries in China and Mongolia, c.1890-c.1914** Erik Sidenvall, 2009-05-15 Over the last thirty years issues of gender have been creatively explored within the field of mission studies Whereas the life and work of female missionaries have been fruitfully reflected upon male gender identity has often been understood as an unchanging category This book

offers a pioneering account of the relationship between missionary work and masculinity By examining four individual men this study explores how self making occurred within foreign missions but also how conceptions of male gender informed missionary work Changes that occurred in the lives of these men are placed within the broader context of how issues of gender were renegotiated within the contemporary missionary movement

Paule Marshall Audre Lorde and Toni Cade Bambara reimagine subjectivity in processual and relational terms through a rewriting of maternal praxis a technique that unveils the historical continuities between antebellum and neoliberal America By refiguring materials drawn from the tradition of slave narratives Black women s literature of the 1970s and 1980s often conjures maternal otherworlds where it is possible to engage alternative modes of being In conversation with the work of Hortense Spillers Sylvia Wynter and Saidiya Hartman Marika Ceschia analyzes how Black women writers find in the maternal a means of creatively reenvisioning the figure of the human Morrison s Song of Solomon Naylor s Linden Hills Marshall s Praisesong for the Widow Lorde s Zami and Bambara s The Salt Eaters each change the strictures that dictate how the human is performed As these texts show maternal praxis can have a transformative ontological effect confronting the toll exerted by centuries of racial violence these writers reclaim the maternal as a site of subject formation Otherworldly Mothering reassesses canonical works of twentieth century Black women s literature alongside theoretical debates around the ontology of the human antiblackness and Black motherhood Ceschia proposes a reappraisal of maternal praxis that challenges neoliberal discourse and questions recent critical turns toward Afropessimism and posthumanism

Southern Manhood Craig Thompson Friend, Lorri Glover, 2004 Spanning the era from the American Revolution to the Civil War these nine pathbreaking original essays explore the unexpected competing or contradictory ways in which southerners made sense of manhood Employing a rich variety of methodologies the contributors look at southern masculinity within African American white and Native American communities on the frontier and in towns and across boundaries of class and age Until now the emerging subdiscipline of southern masculinity studies has been informed mainly by conclusions drawn from research on how the planter class engaged issues of honor mastery and patriarchy But what about men who didn t own slaves or were themselves enslaved These essays illuminate the mechanisms through which such men negotiated with overarching conceptions of masculine power Here the reader encounters Choctaw elites struggling to maintain manly status in the market economy black and white artisans forging rival communities and competing against the gentry for social recognition slave men on the southern frontier balancing community expectations against owner domination and men in a variety of military settings acting out community expectations to secure manly status As Southern Manhood brings definition to an emerging subdiscipline of southern history it also pushes the broader field in new directions All of the essayists take up large themes in antebellum history including southern womanhood the advent of consumer culture and market relations and the emergence of sectional conflict

Race, Class, and Gender in the United States Paula S. Rothenberg, 2007 This book undertakes the study of issues of race gender and sexuality within the context of class Pref

Crossing into Manhood: A Men's Studies Curriculum Christopher P. Mason, 2006 Many scholars have documented and decried the crisis in American masculinity There is a preponderance of evidence showing that males suffer from many physical emotional and social ills due to the gender scripts with which they were raised and which continue to govern men s

lives Throughout the millennia and across cultures initiation rites of passage have been utilized as an effective means of transitioning young males into manhood Modern culture suffers from a dearth of rites of passage leaving many boys stuck in puerile attitudes and behaviors and unable to make a wholesome transition into mature masculinity Crossing into Manhood is a much needed guide on assisting late adolescent boys transition into manhood it proposes a school based curriculum and rite of passage paradigm to help young men make the difficult passage into manhood Utilizing resources from diverse academic disciplines this book surveys the psychoanalytic the social constructionist and the essentialist perspectives on masculine gender As a result a men s studies curriculum has been formulated one that offers a balanced bio psycho social conceptualization of masculine identity Educators will find the contents of this book helpful in providing the key conceptual information necessary to teach a men s studies course to late adolescent boys This book will provoke further dialogue and work among educators and other adults in this important area Publisher s website **Manopause** Lisa Friedman

Bloch,Kathy Silverman,2012-09-04 There are countless books about menopause on the market We ve all accepted that women change at midlife However there is another much ignored change that affects hundreds of millions of women across the globe menopause the changes that all men go through starting at about age 40 In this groundbreaking book Lisa Friedman Bloch and Kathy Kirtland Silverman look at men s changes from a new and uplifting perspective Aimed at women Manopause explores how biological and psychological factors collide with the societal pressures men face and provides advice on how women can help themselves and their men move through and enjoy this sometimes challenging phase Laying out the commonly accepted rules of what it means to be a man rules like Your worth is only as great as your power money and status Push down your emotions and Always be aggressive and strong the authors explore how men strive to live up to these expectations and how shouldering this burden becomes harder at midlife Both physical changes and emotional realizations play in to men s fear that they are losing their grip And yet as the authors explain it is these very changes that can open the door to a far richer and more fulfilling life With a goal of creating greater understanding and compassion for the subject of menopause Bloch and Silverman solidly ground readers with information about men s changes before guiding them through a practical discussion of how to handle the outward effects they experience They address emotional reactions behavioral issues hormone loss sex and intimacy and family and work relationships with an eye to how all can be immeasurably improved By bringing this topic more into the public eye they hope to help women and men everywhere learn to better alleviate the confusion misunderstanding and discontent of menopause **Henry James and the Supernatural A.**

Simmons,2013-01-11

Medievalism the later reception of the Middle Ages has been used by many writers not just during the Victorian period but from the Renaissance to the present as a means of commenting on their own societies and systems of values Until recently this self interest was used to distinguish between Medievalism a selective often romanticised view of the past and medieval studies with its quest for an authentic Middle Ages The essays in this collection suggest that the search for knowledge of a real Middle Ages has always been a problematic one and that the vitality of the vision of Medievalism is demonstrated by its constant adaption to current concerns Let Us Make Men D'Weston Haywood, 2018-09-25 During its golden years the twentieth century black press was a tool of black men s leadership public voice and gender and identity formation Those at the helm of black newspapers used their platforms to wage a fight for racial justice and black manhood In a story that stretches from the turn of the twentieth century to the rise of the Black Power movement D Weston Haywood argues that black people s ideas rhetoric and protest strategies for racial advancement grew out of the quest for manhood led by black newspapers This history departs from standard narratives of black protest black men and the black press by positioning newspapers at the intersections of gender ideology race class identity urbanization the public sphere and black institutional life Shedding crucial new light on the deep roots of African Americans mobilizations around issues of rights and racial justice during the twentieth century Let Us Make Men reveals the critical complex role black male publishers played in grounding those issues in a quest to redeem black manhood
