Jesus Author Finisher Timeleb Principles Of Christianity:

Jesus, Author & Finisher Brian Mulheran,2002 **The Social Principles of Jesus** Walter Rauschenbusch,2022-08-01

In *The Social Principles of Jesus* Walter Rauschenbusch offers a profound theological examination of the teachings of Jesus through the lens of social justice and reform. Written in the early 20th century when industrialization and urbanization were reshaping American society, the book is marked by Rauschenbusch's eloquent prose and passionate advocacy for a Christian ethic rooted in solidarity with the marginalized. He meticulously argues that the core messages of Jesus compel Christians to address socio-economic disparities, advocating a transformative approach to faith that influences both personal morality and public policy, positioning Jesus as a champion of the oppressed within the societal context of his time.

Walter Rauschenbusch (1861-1918) was a pivotal figure in the Social Gospel movement, which sought to apply Christian ethics to social issues. His upbringing in a German Baptist family, combined with his experiences as a pastor in impoverished neighborhoods of New York City, illuminated the struggles of the working class. These experiences profoundly influenced his theological outlook, prompting him to challenge conventional views of salvation isolated from social responsibility, thus becoming a voice for the poor and disenfranchised.

Rauschenbusch's *The Social Principles of Jesus* is essential reading for anyone interested in the intersection of faith, social justice, and ethical living. It invites readers to reconsider the responsibilities of Christianity in the modern world and serves as a call to action for those committed to fostering equity and compassion in their communities. This work not only revitalizes Jesus' teachings but also serves as a timeless reminder of the enduring relevance of faith in addressing contemporary social issues.

The Principles of Jesus Ron Hayhurst,2007-03-01

In times like these, the need for Americans to recapture the American system of ideology is essential to our future well-being as a nation. A critical part of the American ideology is the need to develop and hold fast a biblical worldview. Where better to develop a time-honored worldview than the master teacher Jesus Christ Himself? *Principles of Jesus* will challenge your current worldview; it will inspire you to a new understanding of daily life; it will help you develop a response to the world in which we live; and it will encourage you to investigate the open pages of the Bible to discover the richness in what Jesus taught. These fifty-six topics are intended to help in answering the often-asked question: "What would Jesus do?"

The Jesus Principles Joseph Mattera,2019-10-01

If your influence only lasts as long as you do, you failed. This book will help you reach your full potential, inspire greatness in your spouse, children, and friends, and leave a legacy that lasts beyond your lifetime. True influence should increase through the lives of those you have poured into, even after you pass away. Our greatest example of this is Jesus. His followers did greater works after He left them. Jesus never wrote a book or traveled outside of Israel, but He was able to use a band of eleven followers to create the largest, most influential movement the world has ever seen. Jesus had no servants, yet they called Him Master; He had no degree, yet they called Him Teacher; He had no medicines, yet they called Him Healer; He had no army, yet kings feared Him; He won no military battles, yet He conquered the world; He committed no crime, yet they

crucified Him He was buried in a tomb yet He lives today In The Jesus Principles Joseph Mattera helps you unleash greatness in yourself but even more importantly in your circle of influence your spouse children friends and family Following Jesus example you will be empowered to leave a legacy of helping others fulfill their own potential so that after you have passed you are still speaking Become part of a great cloud of witnesses who help to unleash human potential in one another The four Gospels are not only compilations of important moral and spiritual sayings but they also contain principles that can enable us to move from potential to fulfillment of purpose

The Elementary Principles of Christ Paul C. Jong, 2003 *The Principles of Jesus* Robert E. Speer, Robert E Speer 1867 1947 was an American Presbyterian theologian author and missiologist In this classic work Speer observes The true way to answer the question What would Jesus do now in my place is to study the principles of Jesus life and teaching Only so shall we be able intelligently to strive to do whatever He would like to have us do And we could not undertake any Bible study more fundamental and necessary than this Nor could any be sweeter or more helpful For all Bible study is valuable just in proportion as it shows us the face of Jesus That study is most directly helpful which leads us to look straight at Him whom Luther called the Proper Man who was the revelation of the Father s will for every man What Jesus was the Father would have each of us be What Jesus did the Father would have each of us do

Living Jesus' Way Chris Hazelip, 2017-01-27 With the precision of an experienced trial lawyer Chris Hazelip thoughtfully reviews and analyzes Jesus teachings distilling them to twelve life changing principles Whether you are a long time follower of Jesus new on the journey or just curious about what he had to say you will come away with a practical understanding of Jesus words which if applied will change the course and trajectory of your life no matter who you are or where you find yourself Come and see life as you were meant to live it

radical love grace and truth that Jesus embodied In this pursuit of authenticity it is essential for Christians to revisit the fundamental teachings of Jesus These teachings serve as guiding principles that can lead us back to a faith that reflects His character and mission This brief treatise contains 20 fundamental teachings of Jesus that authentic Christians must strive to follow

The Six Foundation Teachings Of Jesus Christ John Lemmon,2019-09-19 How many Christians come to Christ and never get the foundational teachings of Jesus Christ Too many And like the foundations of a house this should happen right at the beginning of the process Is it any wonder many struggle to stand when their feet are planted on the spiritual sands of rhetoric and emotion When businesses and governments find things are becoming too complex what do they say Usually they say they need to get back to basics The basics are the key principles that sit beneath all human endeavors and they must be solidly grounded or else the business enterprise and even governments will struggle and fall apart You cannot build a house unless there is a solid foundation

Likewise you cannot build a Christian unless the spiritual foundations are strong How many Christians suffer How many fall down or fall away How many struggle with their faith especially in the early years when their faith is put to the test Again too many And most of them suffer because their foundations are not strong enough to withstand the storms of life The Six Foundations This book aims to address this lack First it identifies what the Bible defines as the six foundations of Jesus Christ not what some preachers wrongly state And second this book provides insights from the Bible on how to use and build on these foundations The Lord Jesus said to the Apostles that He would give them the keys to the kingdom of heaven These six foundations form the basis of those keys When these foundations are in place and working effectively a Christian can withstand any storm or opposition that comes against them Today as we walk with Jesus Christ we need to get back to basics These six foundations are the basic teachings all Christians must learn understand and hold fast as they walk in this world

The precepts of Jesus, by the author of 'The faithful witness'. John Ross MacDuff,1858 **Jesus** Thomas J Baber,2020-01-28 Where do we go to learn how to read the Bible My answer is simple Jesus We have a record of the way Jesus approached viewed interpreted and applied Scripture to His own life and to those around Him As a matter of first priority everyone who professes to follow Christ should read the scriptures the way He did There is something disarming about looking at the way Jesus approached Scripture Regardless of theological distinctives true Christians have two things in common First they want to be more like Christ Second they want to understand the Bible better These two commitments are enough for those wishing to improve their understanding of Scripture This book focuses on the way Jesus interpreted Scripture and was revealed through Scripture The ultimate goal of this book is for my readers to know the Christ of Scripture more intimately by using sound principles of biblical interpretation that come from Jesus Himself From the Introduction
