Delaware Conference Study, June 24-July 3, 1931,1931 **Evil in the Modern World** Laura Dryjanska,Giorgio Pacifici,2022-03-10 This interesting volume focuses on a set of phenomena which increasingly alarm the political world and public opinion from the more obvious ones like torture disease human trafficking abuse genocide displacement to more subtle forms found in sports technology and law It looks at how and why these phenomena are universally condemned and could be considered to threaten the very foundations of modern democracy yet continue to be tolerated The volume therefore goes beyond what Hannah Arendt has called the banality of evil and discusses the presence of condemned and heinous practices in society as fluid and chaotic but as non trivial capable of great transmutations through various epochs Practices and actions considered as evil manifest in situations where individuals or groups hold power or seize power and the contributions in this volume explore the close relation between power and evil The volume draws upon sociology psychology cultural studies political science as well as philosophy theology anthropology and neurology of the individual and of the group to provide a comprehensive understanding of the multiple facets of evil in the contemporary world **Presence in the Modern World** Jacques Ellul,2017-09-28 Presence in the Modern World is Jacques Ellul s most foundational book combining his social analysis with his theological orientation Appearing first in French in 1948 and later in English as The Presence of the Kingdom it has reached the status of a classic that retains all of its relevance dealing with today s challenges How should we respond to such complex forces as technology or the state How can we communicate with one another despite the problems inner to modern forms of media Dowe have hope for the future of our civilisation Ellul responds by describing how a Christian s unique presence in the world can make a difference Instead of acting as sociological beings we must commit ourselves to the kind of revolution that will occur only when we become radically aware of our present situation and undertake a ferocious and passionate destruction of myths In this way states Ellul we become the medium for God s action in the modern world **The Living Saviour: Encountering Jesus Christ in the Modern World** Margaret Light,2024-12-24 The Living Saviour Encountering Jesus Christ in the Modern World explores the timeless relevance of Jesus Christ in today s fast paced ever changing society This transformative journey delves into His teachings miracles and promises revealing how His presence offers hope strength and purpose to modern believers Through thought provoking insights and practical applications readers will discover how to cultivate a deeper relationship with the living Saviour finding peace and guidance amid life s challenges This book invites you to experience the transformative power of Christ s love walk daily in His grace and share His light in a world in need of redemption and hope **The Church in the Modern World** Michael G. Christian Mission in the Modern World John Stott, Christopher J H Wright, 2016-01-15 Jesus sends us into the world just as God the Father sent him and yet Christians continue to disagree on what this involves Some believe that the focus of Christian mission is evangelizing and saving souls Others emphasize global justice issues or relief and development work Is either view correct on its own John Stott's classic volume first published forty years ago presents an enduring view of Christian mission that is just as needed today Newly updated and expanded by Christopher J H Wright *Christian Mission in the Modern World* provides a biblically based approach to mission that addresses both spiritual and physical needs With his trademark clarity and conviction Stott illuminates how the Great Commission itself not only assumes the proclamation that makes disciples but also teaches obedience to the Great Commandment of love and service Wright has expertly updated the original book and demonstrates the continuing relevance of Stott's prescient thinking This balanced approach to mission encourages current and future Christians to embrace an unconflicted and holistic model of ministry
