## **Jesus Christ His Life And Teaching:**

The Beginning of the Gospel Ilarion (Metropolitan of Volokolamsk), 2018 Met Hilarion Alfeyev devotes the entire second volume of the series Jesus Christ His Life and Teaching to an exposition of the Sermon on the Mount drawing upon the tradition of the Orthodox Church patristic exegesis and modern biblical scholarship *Knowing Jesus* Jim Reapsome, 2012-10-01 In this unique devotional readers will find more than just pious platitudes to start the day They ll ponder the question of what Jesus has to say to his followers living in a deeply troubled and hurting world They ll explore some of his most important teachings And they ll see how Jesus calls each of us to embrace his message and make it come alive in our lives Anyone looking for a renewed passion for Jesus s message and a deeper understanding of his life will find both here *Jesus Christ* Dennis E. Stewart, 2000-12 Jesus wrote no autobiography He left nothing in writing at all He committed himself and his teaching simply to the hearts and memories of the men who knew and loved him And they did not fail him The four little books that we call Gospels are our primary and practically our only sources of information about the life and the words that have changed the world We may wish the story had been told with greater fullness and detail but we know that short as it is it is enough It has given Christ to every race and age excerpt from Chapter 1 The Making of the Gospels **Jesus Christ** Cyril Ian Lewis Dixon, Presbyterian Bookroom (Christchurch, N.Z.), Presbyterian Church of New Zealand. Christian Education Committee, 1961 Jesus Christ Edith Emily Read Mumford, 1923 **Jesus Christ** Andrew Jackson, 2023-11-30 A harmony of the Gospels The Parables of Jesus Ilarion, 2021 In this fourth volume of the series Jesus Christ His Life and Teaching Metropolitan Hilarion Alfeyev explores the parables of Jesus drawing both on the Church s two millennia of interpretive history as well as the most promising fruits of modern biblical scholarship Every single parable is examined in this broad context and profound meaning is found in the original context in the Church s reception history and in our own contemporary situation Jesus Christ: His Life and Teaching. the present state of our knowledge The writer would acknowledge his obligations to many modern writers on the period to some of whom reference is made in these pages and among them especially to his old teacher Dr Sanday of Oxford to whom all students of the New Testament owe an incalculable debt About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Books of 1912- ,1922*
