## **Jesus God Man Or Myth:**

**Jesus : God, Man, Or Myth?** Herbert Cutner, 2000 Did pagan mythologies represent Christs miracles in order to convince them to accept the Christian faith Beyond these miracles is there enough evidence to prove there was a Jesus Cutner says no He also says that the Apostle Paul never portrayed Jesus as a man but as a spiritual being To Paul Christ is found in a spiritual sense within oneself as opposed to being an actual historical personage When the Church accepted Paul this inner reflection was outwardly projected by the Church into an actual mana saviour according to Cutner This might be why Paul was almost rejected by the Church his views posed a danger to those who might rely on their own spiritual knowledge rather than the authority of the Church Whether Jesus lived or not we still have a lot to learn about ourselves and our true place in the universe This book although critical may be useful in that respect **Jesus** Herbert Cutner, 1950

Jesus: Myth, Man, Or God James Martin Peebles, 1870 **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease Shattering the Christ Myth James Patrick Holding, 2008-06 How To Get Rid of Jesus Prove He Didn t Exist A popular question posed by Christians today asks WWJD which stands for What Would Jesus Do For more and more Skeptics of Christianity however the answer to this question is JDNE which stands for Jesus did not exist In this volume edited by prominent Internet apologist James Patrick Holding a team of Christian authors provide a series of essays giving detailed answers to those who argue for the Christ myth Though rejected by mainstream scholars this theory continues to grow in popularity among popular writers and Internet antagonists The need for Christians to be ready to give an answer to it will only become more urgent Here s a clear and compelling rebuttal to fallacious claims that keep resurfacing in books and on the Internet It s well researched expertly presented and ultimately convincing Lee Strobel author The Case for the Real Jesus Suns of God Acharya S, 2004 Unlike many modern historians

Perry was a diffusionist who believed that modern civilization began in Egypt and was spread via ships to Indonesia the Pacific Islands and even to North America Perry traces the origin of megalithic culture starting in Egypt and then across the Pacific Searching for gold obsidian and pearls they travelled across the Pacific to the American Southwest and Mexico

*Jesus as Man, Myth, and Metaphor* Benjamin W. Farley, 2007-09-01 Current New Testament scholarship has done much to advance knowledge of Jesus's authentic words and message The works of Crossan Borg Vermees Mack and many others attest to this movement In this process however the Christ of the Gospels or the so called Christ of faith has been caught in the crosshairs forcing Christianity to reflect anew on the church's interpretation of his life and place in history Has the church's dogma overreached the facts of Jesus's life Farley's book addresses these issues and offers a feasible and illuminating context within which to reexamine Jesus's life and significance for modern humankind His book probes the boundaries of Jesus as a historical person as a man as a figure of mythical proportions and as a metaphor for today's Christian sense of wholeness Along the way Farley incorporates the insights of Carl Jung Joseph Campbell and Paul Tillich to demonstrate the ways that psychology mythology and symbolism contribute to an appreciation of Jesus that moves beyond the debate of Jesus's historical status alone

*Josué: Prisoner at Shalem* Steven H. Propp, 2005-11-21 Who is this man Josu is locked up in Shalem State Prison a maximum security institution He had never attracted much attention to himself before and was content to just do his own time But then something happened to him and now he's on a mission to share it Man I ain't never heard nothin like this guy exclaims Jamal one of the twelve prisoners that Josu has appointed to be his Reps and to share the Word about his message with the other prisoners Josu freely gives of himself praying for the healing of the many troubled people who flock to him and telling them stories about the New Order that God is going to establish very soon But the authority figures in the prison can't stand this arrogant challenger to their own power They try to embarrass Josu publicly and fail utterly But then when one of Josu's own followers offers to turn on him betrayal and greed lead to a violent climax Does this story sound familiar Then come and read an all too well known tale told in a fresh exciting way and maybe see some things in the story that you'd never noticed before

**Josue** Steven Propp, 2005-11 Who is this man Josu is locked up in Shalem State Prison a maximum security institution He had never attracted much attention to himself before and was content to just do his own time But then something happened to him and now he's on a mission to share it Man I ain't never heard nothin like this guy exclaims Jamal one of the twelve prisoners that Josu has appointed to be his Reps and to share the Word about his message with the other prisoners Josu freely gives of himself praying for the healing of the many troubled people who flock to him and telling them stories about the New Order that God is going to establish very soon But the authority figures in the prison can't stand this arrogant challenger to their own power They try to embarrass Josu publicly and fail utterly But then when one of Josu's own followers offers to turn on him betrayal and greed lead to a violent climax Does this story sound familiar Then come and read an all too well known tale told in a fresh exciting way and maybe see

some things in the story that you'd never noticed before      A Way Beyond Religion Raja Bhat MD, 2004-09-29 This new book has taken many years of spiritual exploration to create It explores spirituality within various religions and finds spiritual gems within each religion while discarding what is contrary to universal human spirituality The book tries to tear out of religion whatever is tearing humanity apart It extracts ideas and teachings from our various religions that give us the ability to practice the trimmings of simple spirituality free from the trappings of religious dogma It reviews various approaches to meditation and finds a simple letting go meditation practice which opens up our innate spirituality This method works for everybody and is free of religious exclusivity The meditation practice is based on the teachings of the Tao Zen and the Hindu Upanishads and is consistent with Islamic and Christian spirituality Finally it teaches and guides us in bringing the spirituality acquired from prayer and meditation into our everyday lives This insightful and inspiring book is a call to set spirituality free from the dead weight of religious dogma It fearlessly exposes the madness of religious fundamentalism and offers instead the loving kindness of genuine spiritual awakening Bigoted religion is a source of most of the conflicts bedeviling our world today In this book Raja Bhat offers an exciting alternative spirituality transcending religion Timothy Freke author and co author of numerous books on religion and spirituality such as Encyclopedia of Spirituality The Jesus Mysteries Jesus And The Lost Goddess Spiritual Traditions Essential Teachings To Transform Your Life The Complete Guide To World Mysticism and many others      **The Christ Myth** Elizabeth E. Evans, 2000 Was the entire story of Jesus nothing more than that just a story Evans presents an interesting argument According to her many things accepted as true regarding the story of Jesus may in fact not be true This book refutes aspects of Christ based on factual evidence combined with strong opinions of the author that may or may not be proven Many have been conditioned to accept Jesus in certain ways without the use of reason Evans provides us with a form of rational thinking that has been left out of our religious conditioning process Those who are open enough to read it will find it challenging and rewarding      **CHRISTIANITY IS AN ARTIFICIAL RELIGION DEVELOPED IN THE LABORATORIES OF ROME** Mammadov, Jabbar Manaf oglu, 2023-01-23 The book claims that Christianity was a project of Rome and was invented in its laboratories like Qumran Under the Achaemenids and even earlier in the entire Middle East up to India there lived Arameans half of whom professed Judaism or were to some extent influenced by the Bible In order to split their front and turn this force of theirs against themselves Rome organized secret centers for the study of the Hebrew Bible in different parts of the empire where the predictions of the former Jewish prophets were analyzed The remains of some of these centers are found today on the coast of the Dead Sea for example at Qumran Mossad etc In these laboratories think tanks the image of a new preacher teacher of righteousness named Jesus of Nazareth was fabricated Using the method of adjusting events and biography to the prophecies of the Hebrew prophets Roman political technologists came up with a biography demeanor and texts of sermons for this fictional character corresponding to the predictions After the harsh suppression of the Jews during the First Jewish War 66-77 Rome

was in dire need of agents of influence in order to curb the aggression of the people and reconcile them with defeat It is at this stage that the image of the hitherto unknown Jesus enters the historical arena This fictional Jewish character called his people to humility patience calmness obedience to Rome He offered not to blame Rome for anything and to look for the roots of all troubles in himself and in the Jewish Bible Christian pacifism and Christian anti Semitism All the power of the propaganda machine of Rome was connected to the promotion of his ideas in the Middle East It was at this time after the First Jewish War that the entire Middle East was enveloped in a boom of missionaries in the guise of prostitutes merchants merchants artisans travelers teachers mentors apostles philanthropists etc agents of influence propagating ideas this fictitious prophet As the ideas of Christianity spread a split and confrontation began to grow in the Jewish community which the Roman administrative bodies tried to do Guided by its standard policy of Divide and Conquer Rome used these methods to oppose different layers of the Aramaean Jewish society weakened and very easily conquered the entire Middle East and the Black Sea region Before the final rooting of a new artificial religion Christianity in the Middle East and the Black Sea region Rome carefully camouflaged its participation in its formation so as not to extradite its agents abroad and not disclose their source of funding It is worth emphasizing that being a Muslim the author does not belong to the Jewish religion In this book he approaches the problem from a purely scientific point of view and does not pursue any religious or ethno political goal Sometimes the author's pronounced anti Roman inclination is connected with the cultural role of Rome in history due to which the entire pre Roman history culture science of the Middle East and Europe created over several thousand years was wiped off the face of the Earth

**Is Christianity a Failure?** Fred J. Eddy,1922 **The Greatest Story Ever Forged (Curse of the Christ Myth)** David Hernandez,2009-09 Is God fact or fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions

*Water Beings* Veronica Strang,2023-04-19 Looking to the vast human history of water worship a crucial study of our broken relationship with all things aquatic and how we might mend it Early human relationships with water were expressed through beliefs in serpentine aquatic deities rainbow colored feathered or horned serpents giant anacondas and dragons Representing the powers of water these beings were bringers of life and sustenance world creators ancestors

guardian spirits and lawmakers Worshipped and appeased they embodied people s respect for water and its vital role in sustaining all living things Yet today though we still recognize that water is life fresh and saltwater ecosystems have been critically compromised by human activities This major study of water beings and what has happened to them in different cultural and historical contexts demonstrates how and why some but not all societies have moved from worshipping water to wreaking havoc upon it and asks what we can do to turn the tide      **Man, Myth, Messiah** Rice Broocks,2016-03-01 Did Jesus Really Exist The search for the historical Jesus continues to be headline news Any speculative theory seems to get instant attention as the debate rages about His real identity and the claims made in His name Did Jesus really exist Is there real historical evidence that demonstrates that He lived and actually said and did the things the Gospels record Is there any validity to the speculative claims that the Jesus story was a myth borrowed from a variety of pagan cultures of the ancient world In this follow up to the book God s Not Dead that inspired the movie Man Myth Messiah looks at the evidence for the historical Jesus and exposes the notions of skeptics that Jesus was a contrived figure of ancient mythology It also looks at the reliability of the Gospel records as well as the evidence for the resurrection that validates His identity as the promised Messiah Man Myth Messiah will be released concurrent to the God s Not Dead movie sequel which will cover the same theme

**Fifty Christian Myths** Jerald Morris,2016-08-08 Fifty Christian Myths was written to address questions that are very common to understanding basic Christianity doctrine and of course some theology The author is suggesting that you evaluate your Christian etiquette belief or value system We all have questions and good questions bring good answers Better questions bring better answers Superior questions will yield superior answers So what is this book about Basically in a spiritual nutshell the size of our solar system I explain my central position of my faith in Christ Jesus I have produced a serious in depth study of what I have compiled as my personal objective view of sharing notes conversations and observations between many born again Christians pastors and lay leaders in the Christendom My position is that we need to let the scriptures speak with the power of the Holy Spirit without mixing human worldviews This will prevent us from creating a composite half truth based on our personal view of human interpretation and understanding to live the Christian life God bless you for reading this expos and I pray that the Lord Jesus Christ will become more defined in your walk with Him to seek His truth      **Jesus** J. Harvey Hames,2021-01-05 J Harvey Hames was born in Atlanta Georgia on September 30th He

accepted Jesus Christ as his savior at seven years old in Stockton California However after going to twelve different schools up to the eighth grade he stopped going to church until he was seventeen Then he went to Riverside Church of God in Atlanta Georgia until he joined the Air Force Reserves for eight months Received an honorable discharge and started working for Calvary Cathedral in Louisville Kentucky to become an ordain minister At twenty one he was married and had a wonderful son Todd Lynn Hames After ten years of being married Harvey and his wife got a divorce and she moved to Nashville Tennessee to work She took their son Todd with her to Nashville Harvey stayed in Louisville and started working

for a large real estate office Shortly thereafter they made him a manager of their main office Harvey would see his son on many weekends until Todd got older and married Then he would only see his son maybe twice a year After feeling lost for several years Harvey started dating a beautiful lady called Melaine Harvey is now retired in Delray Beach Florida Four months after moving to Florida his loved one got breast cancer Seven years later she passed on to Heaven They were together for over 30 years Harvey is getting older now and he told me before he leaves this world for Heaven that he wanted to write a number of books songs and poems that would glorify God and last long past his time on earth He said this book is the second one in a series of six He hopes you will enjoy reading this book and maybe it will cause you to want to study the Bible more in the future In fact he will guarantee you will want to read the Bible more The first book was called Bible Understanding plus Circle of Love Then this one is called Jesus God Man Myth The next one should be called Heaven

**They Never Told Me This in Church!** Greg S. Deuble, 2006 There is a consensus among many New Testament scholars that much of what the historical Jesus and his apostles taught has been submerged by an influx of post biblical tradition Subtle foreign influences mostly from pagan Greek philosophy which neither Jesus nor his first century followers would recognize or endorse have obscured the original Gospel as Jesus preached it Most churchgoers accept without question unbiblical traditions which they have never seriously investigated In *They Never Told Me This in Church* Greg Deuble invites the reader to a careful re examination of the faith once delivered in the light of the Hebrew heritage which formed the framework of all that Jesus taught in regard to himself and his Gospel mission From the Foreword This does not mean at all that Greg has given up faith in holy Scripture Far from it There is nothing trendy or gimmicky in his approach Rather he has learned to read the Bible from its own Hebrew perspective and shedding a large quantity of traditional baggage has made the Bible all the more brilliant and telling Because he is an honest student of truth Greg has been rewarded with unusual insight He has a knack of getting to the heart of the issues He has brought in a wealth of modern scholarly support for his argument and the quotations gleaned from his wide reading are impressive He adds a pleasing dose of Aussie humour to his writing while he invites us to re examine all the major issues of biblical theology The personal warmth of the author and his pastoral touch are evident in all he writes *They Never Told Me This in Church* will inspire and challenge all who claim devotion to Jesus and many who are searching for the meaning of his role in history They will be enabled to read the Bible with new eyes The confused state of divided Christendom in our time demands just such an honest and radical investigation
