Jesus In Heaven On Earth:

Heaven on Earth R. Alan Streett, 2013-04-01 The future hope of heaven is pulled into the here and now in this illuminating description of the kingdom of God Popular teacher and author R Alan Streett exposes half truths about the kingdom that many believers have unwittingly accepted He contrasts these with the testimony of Scripture Jesus inaugurated the kingdom of God on the earth it has already begun As ambassadors of the kingdom we are to fulfill our responsibilities and enjoy its benefits here and now Salvation does not culminate with the soul escaping the body and living forever in heaven Our bodies will eventually be transformed and we will live with God on a restored earth The church is like an embassy of heaven in a foreign country In their life together believers demonstrate kingdom realities to the world Readers will find hope and direction in this fresh presentation of the historic teaching on the kingdom Heaven on Earth Pneuma Phillips, 2016-06-28 Heaven on Earth Enjoying the Abundant Life by Pneuma Phillips is a must read book that focuses on the life of the regenerated and recreated Christian The ultimate will and plan of God is that mankind enjoys the fullness of Gods love and blessings This sole intention is demonstrated when God gave up Jesus to die for the sins of mankind This Book highlights on the life after the cross the fully paid life i e Life after Jesus death burial and resurrection When a man accepts and believes this sacrifice of Jesus he automatically qualifies to become a partaker of this Heaven on Earth Pneuma Phillips tries to draw out The scriptures below explains this regenerated and recreated life whilst also stemming out the benefits accruable when one is associated with Jesus 2 Corinthians 5 17 18 NKJV Therefore if anyone is in Christ he is a new creation old things have passed away behold all things have become new John 10 10 NKJV The thief does not come except to steal and to kill and to destroy I have come that they may have life and that they may have it more abundantly Pneuma Phillips has successfully and masterfully shown in this enriching Book how one can adequately be a partaker of this Heaven on Earth believe and depend on the Fathers LOVE be established in the GRACE of our Lord JESUS CHRIST fellowship with and yield to the Holy SPIRIT promote the UNITY of the Brethren and accept who you are in CHRIST The third of a series of books others include Out of the Pit and Staying out of the Pit Heaven On Earth is a complete eliminator of mindsets that accepts poverty failure sickness etc as the will of God Theological Dictionary of the New Testament Gerhard Kittel, Gerhard Friedrich, Geoffrey W. Bromiley, 1985-07-10 Geoffrey W Bromiley has abridged this monumental theological dictionary into a convenient one volume edition that is accessible to all readers *Heaven on Earth* Mary Ellen Gilliland, 1999 *Jesus: Heaven's King* James E. Smith, Ph.D., 2016-06-08 An introduction to the Gospel of Matthew is followed by a verse by verse commentary on the text of the first Gospel **Revelation of Jesus Christ** Margaret Barker, 2000-11-02 A new and transforming approach to the Book of Revelation Margaret Barker bases her study on a fresh reading of the primary sources As an Old Testament scholar she can read Revelation as Hebrew prophecy ancient temple oracles which inspired Jesus and his own prophecies and influenced the whole Jerusalem Church Jerusalem was waiting for their Great High Priest to return

and complete the Atonement at the end of the Tenth Jubilee This expectation fuelled the revolt against Rome Josephus who deserted to Rome was the false prophet John who escaped to Patmos compiled Revelation as a record of the first generation In the future he taught the Lord would return to his people in the Eucharist This work illuminates the formative years of Christianity in the social religious and political situation of mid first century Palestine in a quite remarkable way It will have profound implications for the understanding of Christian origins and the development of Christian liturgy *The Revelation of Jesus Christ* T. Teachable Moments Johnny White, 2021-05-18 Teachable Moments is a personal reflection on the world's most familiar prayer taken from the lips of Jesus Himself repeated in every language on a weekly basis in churches throughout the world Written in a readable and thought provoking style Teachable Moments will prompt new thoughts about Jesus's radical theology of God as Abba Father When Jesus taught his disciples this brief prayer he had an agenda much larger than just the words we pray He was addressing our understanding of God and the nature of our relationship with God He was teaching about the nature of citizenship in God's Kingdom on earth as it is in heaven Kingdom citizens practice forgiveness breaking the unhealthy cycle of revenge and retaliation Jesus warned about temptation and the nature of pervasive evil in the world Jesus's goal was to correct all the wrong headed misconceptions the world has accumulated about the one true God who He understood as Abba Father Finally this provocative book asks the all important question What kind of Jesus says and teaches things like these Who is the Jesus we are following

The Love That Moves the Sun Paul Dominiak, 2024-08-30 The season of Advent traditionally involved meditation upon the Four Last Things heaven hell death and judgement This ancient but nearly lost sacred art of contemplation encouraged Christians to evaluate who they were what they treasured and how they ought to live in view of the world to come The Love That Moves the Sun revives this ancient practice and marries it with contemporary concerns Each chapter considers one of the Last Things in relation to a modern crisis from the climate emergency rise of populism and racial injustice to the economic inequalities of class In a time of compound crises retrieving the sacred art of contemplating the Last Things gives a vision of hope and direction in a chaotic world of uncertainty The first advent began with an angelic messenger announcing the coming of Christ to Mary The Love That Moves the Sun enables us to hear a fresh annunciation in our own time calling us to join in with God's salvation of a groaning creation and the hope of a new earth where justice dwells *Prophecy and Passion* David Neville, 2002 Essays in honour of a baptist activities who lived in the USA and Australia Contributors include biblical scholars theologians and activists

The Gospel according to Luke J. J. Van Oosterzee, 2007-05-01 Presented here in paperback for the first time is John Peter Lange's Theologisch-homiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially biblical and evangelical catholic This 19th century commentary has served as a standard reference for more than a century Many early reviewers regarded Schaff's edition with his additional material as superior to the original It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers It

contains critical annotations of the text and its translation and a threefold commentary exegetical doctrinal and homiletical Under these three heads the text is viewed from every aspect **The Voice of God in the Present Hour** Reuben Archer Torrey,1917 **Unfortunate Words of the Bible** G. P. Wagenfuhr,2019-06-25 What do unicorns law love and hell all have in common They are all unfortunate words of the Bible Through mistranslation cultural shifts anachronisms and misguided intentions this book traces several key words whose meaning is commonly misunderstood in our world today If the blatant mistranslation of unicorns could survive in the Bible for thousands of years securing their place in our cultural imagination to this day what would happen if important words like salvation were misunderstood How might our cultural imaginations hide the meaning of the Bible rather than revealing it By tearing down misunderstandings Wagenfuhr builds up a broad overview of the story of the Bible that illustrates a more mature and more exciting vision for Christian faithfulness than is commonly assumed **New Englander and Yale Review** Edward Royall Tyler,William Lathrop Kingsley,George Park Fisher,Timothy Dwight,1870 *Drama of the Divine Economy* Paul M. Blowers,2012-10-11 The theology of creation interconnected with virtually every aspect of early Christian thought from Trinitarian doctrine to salvation to ethics Paul M Blowers provides an advanced introduction to the multiplex relation between Creator and creation as an object both of theological construction and religious devotion in the early church While revisiting the polemical dimension of Christian responses to Greco Roman philosophical cosmology and heterodox Gnostic and Marcionite traditions on the origin constitution and destiny of the cosmos Blowers focuses more substantially on the positive role of patristic theological interpretation of Genesis and other biblical creation texts in eliciting Christian perspectives on the multifaceted relation between Creator and creation Greek Syriac and Latin patristic commentators Blowers argues were ultimately motivated less by purely cosmological concerns than by the urge to depict creation as the enduring creative and redemptive strategy of the Trinity The drama of the divine economy which Blowers discerns in patristic theology and piety unfolded how the Creator invested the end of the world already in its beginning and thereupon worked through the concrete actions of Jesus Christ and the Holy Spirit to realize a new creation **Letters on the Trinity, and on the Divinity of Christ; Addressed to the Rev. William E. Channing, in Answer to His Sermon "On the Doctrines of Christianity." Preached and Published at Baltimore** Moses Stuart,1829 *Living in the River* H. Gene Cotton,Melanie Cotton-Beahm,2004-06-14 Are you tired of standing by the river and truly desire to wade into the River of the Lord Do you hunger and thirst for the presence of God to fill your home Does your heart burn for Him Discover the excitement of living in The River Also visit Living in the River s website at <http://www.livingintheriver.com> **Four Crucial Elements of the Bible--Christ, the Spirit, Life, and the Church** Witness Lee,1998-12 **A Testament of Joy** David Ewert,1995 **Sacra Pagina: Revelation** Wilfrid J. Harrington,2017-07-14 Revelation a prophetic apocalyptic letter is a profoundly Christian text Father Harrington is concerned to open up Revelation and to convey its Christian message After an introduction he provides a new translation of each section of the writing

followed by notes which deal with matters of text and content that require clarification. He then treats the passage as a whole by discussing its literary character, its theological significance, and its relevance to our situation. Bibliographies direct the reader to important modern studies. Father Harrington brings his scholarship to the Book of Revelation and conveys its Christian message. He puts the work in its historical and social setting, a first century C.E. province of the Roman Empire, and explores its social and religious background and its literary character. Through Father Harrington we hear clearly the challenge of John the prophet to the Churches of his time and to ours: not to compromise the gospel message.
