Ambrose, 2013-04-26 ROOTS is a joint initiative by all the mainstream churches in the UK and Ireland. For ten years it has provided lectionary-based resources for worship and learning for the whole church. Over 10,000 local churches use its regular magazine and online programmes. This versatile and adaptable participative prayer resource for all-age worship is taken from the extensive material the ROOTS authors have created. Based on the lectionary readings for each Sunday of Years A B C, it includes gathering prayers, seasonal prayers of thanksgiving, a creative response to the day's readings, responsive prayers of intercession, a children's prayer activity, an all-age prayer activity, responsive prayers for sending out. All the texts can be downloaded or projected from the accompanying CD Rom.     *Planning for Rites and Rituals* Andrew R. Wright, 2024-07-02 The indispensable guide to curating resources for worship in the Episcopal Church. Newly revised and reorganized, this guide to liturgical planning in the Episcopal Church is organized around the seasons of the church year and the cycle of Sunday readings in the revised common lectionary. Structured as a series of three volumes, one for each year in the lectionary cycle, *Planning for Rites and Rituals* includes guidance for making seasonal choices among the church's authorized worship resources, brief commentary on each Sunday's readings, guidance in approaching the Prayers of the People, and suggestions for observing commemorations from the church's calendar. New introductory material suggests approaches to curating liturgical resources. New editor Andrew Wright has applied his years of experience in planning liturgy at parishes across the Episcopal Church and mentoring clergy to this revision. Including contributions from throughout the church, this volume offers clergy and lay liturgical planners a framework for planning throughout the church year.
