Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8 27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact www.ronaldbish.com *Revelation Plain and Simple* Jonathan Mackinney,2006-05 Record of Christian Work Alexander McConnell,William Revell Moody,Arthur Percy Fitt,1917 Includes music The Angel Scroll P. Grace for the Moment Morning & Evening Edition Max Lucado,2008-09-09 Grace for the Moment emphasizes the help and hope of God in everyday moments and offers enough inspiration to carry one through the busiest of days The Power of Images in Paul Raymond F. Collins,2016-03-24 In his letters to the early Christian communities the apostle Paul left for Christians of all time an array of powerful images from the pain of a thorn in the flesh to the tenderness of a nursing mother for her children from the competition on an athletic field to the growth of an agricultural field In The Power of Images in Paul Raymond Collins explores how Paul uses the ordinary to describe what is extraordinary how Paul skillfully uses a wide range of metaphors as a means of both persuasion and clarification But this book is more than an analysis of Paul s images themselves Collins also examines how Paul deliberately draws from secular as well as religious and biblical themes in order to draw a culturally diverse audience into relationship with Christ Entering Paul s world with Collins readers will better appreciate Paul s use of metaphor and more important be persuaded as was Paul s original audience of God s unfailing love in Christ
