The Jesus Heist C. Andrew Doyle, 2017-08-17 Provocative readings of biblical stories with thoughts on what they are saying to the church Inside the Church we are constantly and consistently reading the gospels through the lens of supporting our own institution and structure This prevents us from hearing the critique Jesus offered in his own day and his emphatic and persistent call to be and do differently now Matthew 23 1 12 Stories include Widow s Mite Rich Young Ruler Destruction of the Temple Searching for the Lost Coin Sower of the Seeds Transfiguration and the Great Commission This book flips the script of many Bible stories allowing us to hear Jesus call to change as one that is directed at us rather than as one we should direct toward others

Hans Joachim Iwand on Church and Society Ben Haupt, Christian Neddens, Michael Basse, Gerard den Hertog, 2023-01-26 This volume brings Iwand s reflections on justification to bear on questions of the intersection of church and society Iwand critiques the typical Lutheran understanding of the two kingdoms and charts a new way forward for understanding Luther s theology as well as the way it addresses Christian life within society Most importantly Iwand discusses church and society which have so often been closed to one another and how they have been and continue to be opened up to each other by the kingdom of God

The Suppression of the Society of Jesus Sydney Fenn Smith, 2004 Sydney F Smith s account of the Suppression of the Society of Jesus in 1773 remains by far the fullest most wide ranging and most detailed treatment of the subject available in English Based on an exhaustive reading of European sources it reflects the nineteenth century debate about the Suppression Originally published as a series of essays in *The Month* a century after the first steps were being taken for the re establishment of the Order at large and within a few years of the abrogation of Clement XIV s Brief by Leo XIII this work is now presented to a new readership a century later Sydney F Smith s examination of the episode remains both all intriguing account full of human interest and an indispensable work of reference for historians of the period The study has been newly edited by
