Jesus And The Religions Of Man:

Jesus and the Religions of Man David Brian Marshall, 2000 **The Function of Religion in Man's Struggle for Existence** George Burman Foster, 1909 **The Religions of Man** Huston Smith, 1958 Here is a unique study of the world's great religions Hinduism Buddhism Confucianism Taoism Islam Judaism and Christianity It is not a history it is not a critique Instead it explains simply and sympathetically the basic tenets of each religion and the reasons why it attracts millions of devout followers As the author writes in the first chapter This is a book about religion that exists not as a dull habit but as an acute fever It is about religion alive And whenever religion comes to life it displays a startling quality it takes over All else while not silenced becomes subdued and thrown without contest into a supporting role Thoroughly researched THE RELIGIONS OF MAN carries its scholarship lightly It is a dependable informative fascinating presentation of both the differences and similarities in the major religious traditions And it is essential for anyone who would understand peoples of other lands other cultures other religions **The World's parliament of religions, an illustrated story of the parliament, held in connection with the Columbian exposition of 1893 [followed by the addresses delivered there] ed. by J.H. Barrows** World's parliament of religions, 1893 The World's Parliament of Religions John Henry Barrows, 1893 *The Christian Century*, 1927 Every Day with Jesus Greg Laurie, 2004 A well known expert at working with new believers and helping them grow closer to Christ so they'll flourish in their relationship with God presents this daily devotional that offers structure and biblical inspiration for new Christians *The World's Congress of Religions* John Wesley Hanson, 1894 *Religion, Christian Faith, and Secular World* Hans Bringeland, Arve Brunvoll, 2019-01-07 What has been the role and understanding of religion in the last hundred years and what can be the meaning of religion today There is a well known ongoing process of secularization in the Western world Is there also a return of religion And what does the fate of religion mean for an understanding of the Christian faith These are topics of this book The articles originate from the actual fields of research of an interdisciplinary group of scholars who took part in a symposium held in Bergen Nov 2019 The contributions relate to specific contexts in the modern history of religion from the perspective of religious studies theology philosophy and sociology *Jesus Christ Is Lord* Peter Toon, 2020-07-20 Is Jesus Christ really Lord of the twentieth century world where scientific achievement is worshiped economic pressures control daily life and permissive attitudes set low moral standards In answer to this vital question Peter Toon challenges today's narrow and shallow view of Christ as Lord Exploring the meaning of Lordship as written in the New Testament and the implications of Christ's ascension as proclaimed in creeds for many centuries Toon presents a broader more powerful view of Jesus as Lord of the nations Lord of the church Lord of the universe and Lord of the Christian's life For everyone concerned about the complex pressures and powerful forces that work to deny the Lordship of Jesus Christ in today's world Toon affirms that the Lord of the cosmos human history and the church is my Lord because by faith I am united in him *Man's Religions* John Boyer Noss, 1969 Aims to bridge the interval
