**Jesus Christ Super Psychic** Tiemeyer,1977-01-01      **Jesus Christ Super Psychic** T. N. Tiemeyer,1992      **Jesus Christ Superstar** Ellis Nassour,2024-02-29 In 1969 when Andrew Lloyd Webber and Tim Rice decided to write a rock opera about Jesus Christ they had little idea they were about to embark on one of the most popular boundary pushing and influential musicals ever The show s success was hardly assured at first unable to secure enough funding they initially resorted to just releasing its title song as a single A full album followed to widespread acclaim and only then could a full production get underway More than fifty years later Jesus Christ Superstar continues to be beloved in all its forms the live show various cast albums and the wildly successful movie Few people had the chance to witness the musical s evolution from as many angles as Ellis Nassour whether collaborating with Rice and Lloyd Webber at MCA writing for the New York Times or assisting with the Broadway and LA productions In this expansive beautifully illustrated book Nassour draws on a wealth of knowledge first hand experience and new interviews to give the definitive story of the musical Combining an engaging narrative with abundant photographs many in color and never before published he follows the show from its uncertain beginnings through setbacks and controversies to Tim Rice and Andrew Lloyd Webber s ultimate triumph serving up an unparalleled look at one of the most important and best selling musical works of all time      *Jesus Christ Superstar* Robert Price,2011-03-28 Though the Rock Opera Jesus Christ Superstar has become a religious and musical phenomenon beloved around the world among Christians and non believers alike no one has ever delved into the lyrics with the practiced eye of a professional biblical critic until now Robert M Price here shows in surprising detail the astonishing insight and creativity of Tim Rice s sifting and rewriting of the gospels producing in effect a fifth genuine gospel The result is a complete line by line commentary on this Superstar Gospel      **The Super Ridiculous False Narrative of Race** John Davis,2022-01-21 John B Davis was a classroom teacher and central district and local school administrator for thirty years with the Chicago Public Schools from 1958 1988 He served as a visiting professor and part time instructor at Roosevelt University Chicago in the administration and supervision master s program from 1971 to 1990 He was also an instructor with the International Renewal Institute and Saint Xavier University field based master s program from 1991 to 2007 His education includes Fairfield Industrial High School Fairfield Alabama 1951 BA in physical education Miles College Fairfield Alabama 1955 MA education in administration and supervision Depaul University Chicago Illinois 1967      **Psychic Research and Gospel Miracles** Edward Macomb Duff,Thomas Gilchrist Allen,1902      *Consulting Spirits* Joel Bjorling,1998-04-30 Throughout history people have been intrigued with spirits angels or devas as sources of wisdom and guidance They are not only interesting as those who possess an insight into events and circumstances but also as proof of life after death In this clear and useful reference guide Bjorling presents a listing of the literature on the various ways in which people of different cultures have consulted spirits through shamans and oracles magic mediums Voodoo and psychics Each chapter contains a general introduction to

the respective topic as well as a listing of pertinent books articles and dissertations His survey also includes early spirit contacts in Africa Latin America and Asia      Walking Through Walls Philip Smith,2008-09-16 Smith s hilarious and profound memoir about coming of age in 1960s Miami with a decorator father who discovers he has the power to talk to the dead and heal the sick      A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease      *Catalog of Copyright Entries. concerned about making our souls perfect Tommy would need to gain the faith to make his limitations become possibilities and turn his fears into unconditional love Years ago I was training Tommys father in martial arts and he asked me to ride with him from midnight till 8 AM He was the only sheriffs deputy in the county of 500 square miles on the road It was not like today when you dont pull up on a dangerous situation without backup Bar fights domestics robberies and what ever you responded to alone The tactics that Tommys father used would get him fired today We got a call that a boy had a gun and was shooting up a small town that had no police protection Tommys father turned on his flashers and started to respond to the call I could tell by the way he was driving that he was using his intuitive talents All at once he hit the brakes and pulled the car to the side of the road He said You drive I was not a sheriffs deputy and did not have any right to drive that vehicle Tommys father wouldve been fired if the Sheriff found out I drove and he meditated I knew Tommys father was heading for trouble not just by disobeying the rules but also if anything went wrong no one would believe his story Tommys father would never be able to explain that he was using his sixth sense to link with the higher realms of perception and God Almighty He must have read my mind He said to me I have to try to save that boys life I am receiving an energy that is higher in vibration and totally spiritual God Almighty has a reason for that boy to live He picked up my coat that was laying in the back seat and put it on covering his uniform The boy was last seen on Main Street in the downtown area Tommys dad directed me to turn and drive towards the school As I did it came over the radio Someone shot back at the kid from an upstairs window The kid ran towards the school As we got close to the school Tommys father jumped out of the cruiser and ran towards the playground area I followed on foot I know that most people will not believe what Im about to say Before the end of the story youll understand how this happened because Tommy is so much like his dad in reaching into the depths of the unknown The boy pointed the gun at Tommys father Tommys father said Im on your side I come to fight the evil The boy raised the gun pointing it He fired over Tommys fathers left shoulder Tommys father was walking towards the kid and did not stop He said in a loving voice You got it Put the gun down your safe Tommys father was staring into the eyes of the kid as he continued to walk towards him The boy handed the gun to him Tommys father placed his hand on the kids shoulder I could see the healing energy of Ki or Spirit transfer to the young boy We walked back to the cruiser and the boy said crying I dont know what happened All I
