**Jesus Christ's Meteorite Prophecy** Edward W. Plouff, William C. Willmot, 1999-01-01      **The Rapture and Return of The Lord Jesus Christ** Joseph Morgan, 2021-12-15 Is Christ going to return to the earth physically Will the Rapture of the church occur The Bible answers these questions in the affirmative So when will these things take place After years of studying this I am convinced that not only will the Lord Jesus be coming to reign on this earth from Jerusalem but He will be doing so very shortly I believe that the Bible in fact tells us the exact date of His return Not only that it also tells us the exact date of the Rapture or at least the time in which it will occur Even more it tells us when the final seven year period will begin and when the Antichrist will reveal himself to the day I know that many might express incredulity at such claims and even shock at the utter audacity to proclaim something so preposterous and I do not blame you if you do feel this way I only ask that you read and consider for yourself The prophetic time line laid out in this book is absolute and can be overlaid onto the Gregorian calendar I encourage you to read and discover for yourself why I am so confident in my declarations and how those prophetic time stamps align on our modern calendar When done and when applied to what Scripture says and the history of the church age it tells us the physical return of Christ to the earth could very well take place on April 9 2033 Get ready to be shocked as the book of Revelation will be unfolded to you in a way you have probably never seen before

*Prophecy Checklist over One Hundred Bible Prophecies Counting Down to the Second Coming of Jesus Christ* James H. Warden Jr., 2008-02-12 This millennial age opened with airwaves and newspapers filled with shocking events Weather has become so tumultuous that flooding is commonplace scores of tornadoes touching down in an evening tsunamis and fierce hurricanes destroying coastal regions and global record setting temperatures Small nations defy powerful ones by detonating nuclear weapons against stern warnings First world nations are threatened by the seepage of nuclear arms into the hands of terrorists The atomic scientists Doomsday Clock inched to within five minutes of the midnight of humanity's destruction America experienced its first Mid East terrorist attack for her alliance with Israel Afterwards the U S initiated an unprovoked attack on Iraq perplexing world leaders The Middle East is the epicenter of international turmoil with Israel's very existence openly threatened by certain Arab states The social landscape has changed with the gay rights movement international success with governments recognizing the rights of humans to live apart from the sexual mores of the Abrahamic based religions Within increasing frequency terrorism toward Israel in God's name turn peaceful shopping trips wedding days and ordinary bus rides in Israel into fearful sights of unspeakable carnage CNN and The New York Times report that an asteroid is heading toward earth Is all this coincidental No Thousands of years ago Jewish prophets recorded that all these events and more would converge in the generation that would see Israel become a nation which occurred in May 1948 Prophecies heard in church are now seen on television the west's war with Iraq's leader and its soon defeat of Iran's leader was predicted thousands of years before Christ by the Jewish prophet Daniel famed for his lions den escape in Iraq Using Jewish prophecies

Stollorz,2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity     *Deciphering End-time Prophetic Codes* Perry Stone,2015 Cyclical and historical biblical patterns reveal America s past present and future events including warnings and patterns to leaders     The Second Coming David L.
