Jesus Is Risen:

Jesus Risen in Our Midst Sandra Marie Schneiders, 2013 A collection of essays on the Resurrection of Jesus as it is presented in the Gospel of John All the essays with the exception of the first chapter appeared between 2005 and 2011 in various academic journals or books The Risen Jesus Alban Goodier, 2020-03 Alban Goodier takes the reader inside the main witnesses to Jesus Christ's death burial and resurrection and the subsequent apparitions to his closest followers Goodier goes well beyond the narration of the Gospel facts to dive deep into the inner workings of their hearts and minds The author turns well known Scripture into page turning drama Here Mary Magdalen emerges as a heroic figure of extraordinary love and courage the closest of Jesus followers Striking out first from their refuge and hiding place she boldly seeks Jesus out in the early morning darkness and with the angel's testimony is rewarded with the first news of his resurrection What makes Goodier's account unique is its focus on the participants psychological and emotional states The lesson is clear the apostles lack of faith weakened their understanding and vision to such an extent that they required multiple incidents of proof to accept that Jesus had indeed returned to life And Jesus infinitely patient and loving offered them this proof again and again

Risen Steven D. Mathewson, 2013-01-15 What would happen if believers truly grasped how the resurrection of Jesus changes not just their own standing with God but that it changes everything In the spirit of John Piper's Fifty Reasons Why Christ Came to Die Steven D Mathewson unpacks the New Testament Scriptures that speak of the reasons Jesus was raised from the dead In fifty brief chapters he offers readers faith filled meditations on the primary passages on the resurrection taking these ancient truths and applying them to contemporary life With compelling insight he shows why Jesus not only had to die but why his resurrection was necessary and how our lives change when we understand and embrace this essential truth of the Christian faith He is Risen Thomas Merton, 1975 With simplicity eloquence and power Thomas Merton explores the mystery of the Risen Christ Previously unpublished this piece captures both the author's energy and his vision of an authentic Christianity It is pointless to view the Resurrection as a doctrine to prove or a problem to solve it is the life and action of Christ alive in us We are a pilgrim people Our journey into the mystery of creation is in pursuit of real freedom We are guided by the Law of Love and moved by the Spirit of God to serve our fellow man in response to the Risen Christ alive in us from back cover **Jesus Is Risen** David Limbaugh, 2018-10-02 Originally confined to a small circle of believers centered

Peterson,2020-03-03 This classic resource from Eugene H Peterson offers an indepth survey of the resurrection texts of the Gospels helping churches to move from Easter into a transformative life as individuals and as a community **Did Jesus Rise from the Dead?** Matthew Levering,2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of

why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened *Jesus Is Risen!*
,2018-03-06 From the empty tomb to Jesus appearance to the disciples the story of Jesus triumph over death is told with vibrant pop ups by renowned paper artist Agostino Traini Perfect as a gift this book brings the Easter story to life in a whole new way for children
