Jet Lag The Running Commentary Of A Bicoastal Reporter

Richard Reeves

Jet Lag The Running Commentary Of A Bicoastal Reporter:

Jet Lag Richard Reeves,1981 **Infamy** Richard Reeves,2015-04-21 Examines the evacuation relocation and forced imprisonment of more than 120 000 Japanese Americans during World War II **President Nixon** Richard Reeves,2002-10-10 PRESIDENT NIXON shows a man alone in a White House ruled by secrets and lies trying to impose old values at home and new balances of power everywhere in the world Reeves proves that the Watergate scandal was no aberration in an administration foreshadowed by a series of successful uses of national security to cover coups burglaries lies the abandonment of America s allies and even murder Reeves portrays a man of vision and iron will who created used and was used by a small cast of hard ambitious men who formed a poisonous circle around their insecure leader Alone Nixon challenged and changed the world s political and military balance while also plotting to destroy both the Democratic and Republican parties in an attempt to create secretly a new party of the centre This account of Nixon s stewardship will stand as the balanced authoratative portrait of an astonishng president and his ruined presidency Daring Young Men Richard Reeves,2010-04-03 In the early hours of June 26 1948 phones began ringing across America waking up the airmen of World War II pilots navigators and mechanics who were finally beginning normal lives with new houses new jobs new wives and new babies Some were given just forty eight hours to report to local military bases The president Harry S Truman was recalling them to active duty to try to save the desperate people of the western sectors of Berlin the enemy capital many of them had bombed to rubble only three years before Soviet dictator Joseph Stalin had ordered a blockade of the city isolating the people of West Berlin using hundreds of thousands of Red Army soldiers to close off all land and water access to the city He was gambling that he could drive out the small detachments of American British and French occupation troops because their only option was to stay and watch Berliners starve or retaliate by starting World War III The situation was impossible Truman was told by his national security advisers including the Joint Chiefs of Staff His answer We stay in Berlin Period That was when the phones started ringing and local police began banging on doors to deliver telegrams to the vets Drawing on service records and hundreds of interviews in the United States Germany and Great Britain Reeves tells the stories of these civilian airmen the successors to Stephen Ambrose s Citizen Soldiers ordinary Americans again called to extraordinary tasks They did the impossible living in barns and muddy tents flying over Soviet occupied territory day and night trying to stay awake making it up as they went along and ignoring Russian fighters and occasional anti aircraft fire trying to drive them to hostile ground The Berlin Airlift changed the world It ended when Stalin backed down and lifted the blockade but only after the bravery and sense of duty of those young heroes had bought the Allies enough time to create a new West Germany and sign the mutual defense agreement that created NATO the North Atlantic Treaty Organization And then they went home again Some of them forgot where they had parked their cars after they got the call **The Publishers Weekly** ,1981 President Reagan Richard Reeves,2005-12-23 Twenty five years after Ronald Reagan became president Richard Reeves

has written a surprising and revealing portrait of one of the most important leaders of the twentieth century As he did in his bestselling books *President Kennedy Profile of Power* and *President Nixon Alone in the White House* Reeves has used newly declassified documents and hundreds of interviews to show a president at work day by day sometimes minute by minute *President Reagan The Triumph of Imagination* is the story of an accomplished politician a bold even reckless leader a gambler a man who imagined an American past and an American future and made them real He is a man of ideas who changed the world for better or worse a man who understands that words are often more important than deeds Reeves shows a man who understands how to be President who knows that the job is not to manage the government but to lead the nation In many ways a quarter of a century later he is still leading As his vice president George H W Bush said after Reagan was shot and hospitalized in 1981 We will act as if he were here He is a heroic figure if not always a hero He did not destroy communism as his champions claim but he knew it would self destruct and hastened the collapse No small thing He believed the Soviet Union was evil and he had contempt for the established American policies of containment and détente Asked about his own Cold War strategy he answered We win They lose Like one of his heroes Franklin D Roosevelt he has become larger than life As Roosevelt became an icon central to American liberalism Reagan became the nucleus holding together American conservatism He is the only president whose name became a political creed a noun not an adjective Reaganism Reagan's ideas were so old they seemed new He preached an individualism inspiring and cruel that isolated and shamed the halt and the lame He dumbed down America brilliantly blending fact and fiction transforming political debate into emotion driven entertainment He recklessly mortgaged America with uncontrolled military spending less taxation and more debt In focusing on the key moments of the Reagan presidency Reeves recounts the amazing resiliency of Ronald Reagan the real comeback kid Here is a seventy year old man coming back from a near fatal gunshot wound from cancer from the worst recession in American history Then in personal despair as his administration was shredded by the lying and secrets of hidden wars and double dealing he was able to forge one of history's amazing relationships with the leader of the Evil Empire That story is told for the first time using the transcripts of the Reagan Gorbachev meetings the climax of an epic story as if he were here

Working at Writing Robert L. Root, 1991 A survey of the composing processes of seven working writers columnist essayists Jim Fitzgerald and Kathleen Stocking political columnists Tom Wicker and Richard Reeves drama critic Walter Kerr and film critics David Denby and Neal Gabler *Working at Writing* offers rich and unique insights into how writing is actually done The book has three interlocking elements edited transcripts of interviews with the writers about their composing processes and the composition of specific works copies of the works discussed in the transcripts and a series of chapters that analyze the interviews and articles in the context of current research into composing Through this unusual structure Root investigates both the ways in which the working practices of the seven writers relate to one another and to current models of composing and the ways in which such a discussion will be of value to others particularly to student writers and their

teachers By considering the comments of practicing writers and the examples of their compositions and by comparing the evidence of research findings with those examples of practical experience Root gives student writers and their teachers as well the opportunity to better understand the paradigms that govern their own composing and to confirm modify abandon or replace them The final chapter discusses the implications of these professionals experience for those who hope to become working writers Stressing the importance of assiduous stringsaving immersion in context regular composition the rhetorical situation and the writer s understanding of his or her own process Root suggests both what separates the novice from the expert and how novices can apply the insights of this book as they work at their own writing JQ. Journalism Quarterly ,1982 Includes section Book reviews and other bibliographical material *The Rhetorics of Popular Culture* Robert Root,1987-03-12 This anlaysis of popular culture and the uses of rhetoric as a methodological tool begins with a brief theoretical introduction Root applies rhetorical analysis to the fields of advertising advocacy and entertainment with examples that focus on the written verbal and visual aspects of rhetoric ISBN 0 313 24403 0 *American Bookseller* ,1981

Unknown California David M. Fine,1985 **New York Times Saturday Review of Books and Art** ,1981 **The Catholic Periodical and Literature Index** ,1982 **Library Journal** ,1982 Political Science Abstracts IFI-Plenum Data Company Staff,1983-11-01 The Bloomsbury Review ,1981 **The English Record** ,1988 **Subject Catalog, 1982** Library of Congress,1982 **Subject Catalog** Library of Congress,1982 **National Union Catalog** ,1983 Includes entries for maps and atlases
