Jinrikisha Days In Japan:

Jinrikisha Days in Japan Eliza Ruhamah Scidmore, 1899 *Jinrikisha Days in Japan (Classic Reprint)* Eliza Ruhamah Scidmore, 2015-08-04 Excerpt from *Jinrikisha Days in Japan* The aim of this small book is to present in outline sketches only something of the Japan of today as it appeared to a tourist who was a foreign resident as well No one person can see it all nor comprehend it as the jinrikisha speeds through city streets and country roads nor do any two people enjoy just the same experiences or draw the same conclusions as to this remarkable people The scientists scholars and specialists who have written so fully of Japan have necessarily omitted many of those less important phases of life which yet leave the pleasantest impressions on less serious minds The books of ten or twenty years ago hardly describe the country that a visitor now finds and in another decade the present aspect will have greatly changed Bewildered by its novelty and strangeness too many tourists come and go with little knowledge of the Japan of the Japanese and beholding only the modernized seaports and the capital miss the unique and distinctively national sights and experiences that lie close at hand About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Jinrikisha Days in Japan-tour Eliza Ruhamah Scidmore, 2025-01-01 **Jinrikisha Days in Japan** Eliza Ruhamah Scidmore, All the Orient is a surprise to the Occidental Everything is strange with a certain unreality that makes one doubt half his sensations To appreciate Japan one should come to it from the mainland of Asia From Suez to Nagasaki the Asiatic sits dumb and contented in his dirt rags ignorance and wretchedness After the muddy rivers dreary flats and brown hills of China after the desolate shores of Korea with their unlovely and unwashed peoples Japan is a dream of Paradise beautiful from the first green island off the coast to the last picturesque hill top The houses seem toys their inhabitants dolls whose manner of life is clean pretty artistic and distinctive There is a greater difference between the people of these idyllic islands and of the two countries to westward than between the physical characteristics of the three kingdoms and one recognizes the Japanese as the fine flower of the Orient the most polite refined and sthetic of races happy light hearted friendly and attractive The bold and irregular coast is rich in color the perennial green of the hill side is deep and soft and the perfect cone of Fujiyama against the sky completes the landscape grown so familiar on fan lantern box and plate Every day life looks too theatrical too full of artistic and decorative effects to be actual and serious and streets and shops seem set with deliberately studied scenes and carefully posed groups Half consciously the spectator waits for the bell to ring and the curtain to drop The voyage across the North Pacific is lonely and monotonous Between San Francisco and Yokohama hardly a

passing sail is seen When the Pacific Mail Steamship Company established the China line their steamers sailed on prescribed routes and outward and homeward bound ships met regularly in mid ocean Now when not obliged to touch at Honolulu the captains choose their route for each voyage either sailing straight across from San Francisco in 37 47_ to Yokohama in 35 26_ N or following one of the great circles farther north thus lessen time and distance On these northern meridians the weather is often cold threatening or stormy and the sea rough but the steadiness of the winds favors this course and persuades the ship s officers to shorten the long course and more certainly reach Japan on schedule time Dwellers in hot climates dislike the sudden transition to cooler waters and some voyagers enjoy it Fortunately icebergs cannot float down the shallow reaches of Bering Strait but fierce winds blow through the gaps and passes in the Aleutian Islands **Jinrikisha**

Days in Japan Eliza Ruhamah Scidmore,1901 **Jinrikisha Days in Japan** Eliza Scidmore,2017-03-30 Jinrikisha days in Japan 412 Pages *Jinrikisha Days in Japan... - Primary Source Edition* Eliza Ruhamah Scidmore,2014-02-23 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Jinrikisha Days In Japan revised Eliza Ruhamah Scidmore Harper brothers 1891 *Jinrikisha Days in Japan - Scholar's Choice Edition* Eliza Ruhamah Scidmore,2015-02-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The American Merchant Experience in Nineteenth Century Japan** Kevin C. Murphy,2004-08-02 Explores the interactions of 19th century American merchants with the Japanese in the treaty port system how the Japanese leadership manipulated them and how the merchants themselves defined the limitations of American business in Japan **The Japan Magazine** ,1911 *Kyoto Visual Culture in the Early Edo and Meiji Periods*

Morgan Pitelka,Alice Y. Tseng,2016-05-20 The city of Kyoto has undergone radical shifts in its significance as a political and cultural center as a hub of the national bureaucracy as a symbolic and religious center and as a site for the production and display of art However the field of Japanese history and culture lacks a book that considers Kyoto on its own terms as a historic city with a changing identity Examining cultural production in the city of Kyoto in two periods of political transition this book promises to be a major step forward in advancing our knowledge of Kyoto s history and culture Its chapters focus on two periods in Kyoto s history in which the old capital was politically marginalized the early Edo period when the center of power shifted from the old imperial capital to the new warriors capital of Edo and the Meiji period when the imperial court itself was moved to the new modern center of Tokyo The contributors argue that in both periods the response of Kyoto elites emperors courtiers tea masters municipal leaders monks and merchants was artistic production and cultural revival As an artistic cultural and historical study of Japan s most important historic city this book will be invaluable to students and scholars of Japanese history Asian history the Edo and Meiji periods art history visual culture and cultural history

The Chautauquan ,1904 **The Far East ...** American Academy of Political and Social Science,1925 *Annals of the American Academy of Political and Social Science* ,1925 *Complete Dictionary Catalogue of the Public School Library of Grand Rapids, Michigan* Grand Rapids Public Library (Grand Rapids, Mich.),1892 *The United States Catalog* ,1903

Catalogue of the Newton Free Library of Newton, Massachusetts, 1892 Newton Free Library,1892 *A Handbook of Modern Japan* Ernest Wilson Clement,1905 *Harper & Brothers' descriptive List of their publications. With trade-list prices* [Anonymus AC10075011],1891 *A Handbook of Modern Japan* Ernest W. Clement,2023-11-20 In Ernest W Clement s *A Handbook of Modern Japan* readers are immersed in a comprehensive exploration of Japan s social cultural and political landscape in the modern era The book s detailed analysis delves into Japan s transformation from a feudal society to a global economic power highlighting key events and figures that shaped its trajectory Clement s writing style is academic yet accessible making complex historical concepts understandable to a wide range of readers The book is a valuable resource for students and scholars seeking a deeper understanding of Japan s place in the world today Positioned in the context of post World War II Japan Clement s work sheds light on the country s unique blend of tradition and innovation offering insights into its complex societal structures and cultural norms With meticulous research and insightful analysis *A Handbook of Modern Japan* is a must read for anyone interested in the complexities of contemporary Japanese society and politics
