In All Her Names Four Explorations Of The Feminine Divinity:

The Virgin Goddess Stephen Benko, 2004 The contemporary search for the feminine face of God requires a re-examination of the relationship of Christianity to the pagan world in which it was born This study inquires into extra biblical sources of Marian piety belief and doctrine This publication has also been published in hardback please click here for details

In All Her Names Joseph Campbell, Charles Musès, 1991 The importance of the eternal feminine as a way to a constructive non-exploitative worldview is brilliantly mirrored in these four essays by Campbell and other eminent authors

Regenerating the Feminine April C. Heaslip, 2025-08-15 Mythologists work as cultural animateurs tracking patterns and trends identifying archetypal and symbolic wounds and remedies Reading cultural and environmental events via texts and patterns from such a perspective enables dynamic dialogue and action Regenerating the Feminine Psyche Culture and Nature examines the history of the lost and degraded archetypal feminine of Western cultures whose resurgence in scholarship the arts and social justice practices is now on the rise Drawing on various methodologies to deepen our understanding of this regenerative phenomenon author April C Heaslip charts the significance of interconnected expressions dramatically impacting our sense of self community history health culture and creativity This study examines the feminine's resurgence via emerging imaginal archetypal paradigms in literary fiction memoir and cinematic expression Utilizing literary and film studies depth psychology archaeomythology history and religious studies to examine the cultural and personal phenomenon of feminine renewal this book explores how remythologizing regeneration as well as remapping complex and neglected personal and collective wasteland landscapes revitalizes the relationship between psyche culture and nature Tending to the return of the feminine and the complex cultural and eco wastelands this post Jungian inquiry remythologizes notions of wholeness amplifies feminist revisions of Joseph Campbell's hero's journey and provides transdisciplinary best practices in support of personal individuation cultural revitalization and ecological healing

The Forbidden Universe Lynn Picknett, Clive Prince, 2011-04-01 Secret societies famous scientists ancient Egyptian mysticism and a fascinating addition to the god versus science debate the Catholic Church By the bestselling authors of *The Templar Revelation* and *Mary Magdalene* *The Forbidden Universe* reveals how the foundations of modern science were based around a desire to destroy the church The great pioneering scientists of the Renaissance and the early Enlightenment including Copernicus Galileo and Sir Isaac Newton were fervent devotees of the philosophical mystical system of Hermeticism Many of the most important scientists of this age including Galileo belonged to a secret society called the Giordani which had the agenda to overthrow the Church and establish a new age of Hermetic supremacy

The Stargate Conspiracy Lynn Picknett, 2001-09-01 In recent years alternative historians have gained remarkable insight into the mysteries of ancient Egypt but according to Lynn Picknett and Clive Prince their discoveries tie into a dangerous conspiracy nearly fifty years in the making At the center of this conspiracy is a group of respected powerful individuals who believe that the ancient Egyptian gods are really

extraterrestrials who will soon return to earth The conspirators have intimate and exclusive knowledge of this momentous second coming but they insist on keeping it to themselves What could be the purpose of such a conspiracy Why are the conspirators so desperate to keep their information a secret And what does it mean for mankind In this riveting well researched book Picknett and Price offer compelling evidence that the conspiracy exists and expose the insidious motivations of the individuals and organizations behind it

An Examination of the Problems of Inclusive Language in the Trinitarian Formula of Baptism Thomas J. Scirghi, 2000 The recent attempts to change the traditional Trinitarian formula in baptism in order to rid it of masculine language raises questions concerning the nature of revelation and tradition The study also examines the work of feminist theology which has provided a means for a radical rethinking of religious experience

Psychoanalytic and Socio-Cultural Perspectives on Women in India Paula Ellman, Jhuma Basak, Gertraud Schlessinger-Kipp, 2021-07-08 This important book provides a bridge between psychoanalytic perspectives and socio cultural issues to shine a spotlight on the experiences of women in India today Women s well being and security has often depended upon their gender positioning while other binaries like rural urban class and caste have also played a crucial role globally and especially in India Historically women have been subjected to various forms of oppression that include sex selective abortions domestic violence bride burning for dowry and acid attacks Threats to women s security have recently increased with progressive polarization and hardening of socio political and cultural ideologies This book assesses how women s lives are impacted by these social and cultural conventions and stigma including ideas around motherhood religion intimacy and femininity itself and the psychological implications these have Topics include the seduction of religion motherhood in contemporary times intimacy and violence and fundamentalist states of mind in the clinical space While the book echoes a regional specificity it simultaneously resonates a backdrop of global change of affairs that has its impact on ideological freedom and the concept of inclusivity in terms of gender race culture and politics across the world For this comprehensive perspective the effort is to create a platform of authors comprising psychoanalysts social scientists scholars from the liberal arts discipline as well as social activists In a country where women have been historically subjected to both psychological and physical oppression this timely and original book will interest a range of scholars interested in gender mental health and contemporary Indian society as well as clinicians in the field

The Gèlèdè Spectacle Babatunde Lawal, 1996 This remarkable study explores the use of the visual and performing arts to promote nonviolence and social harmony in sub Saharan Africa It focuses on Gelede a popular community festival of masquerade dance and song held several times a year by the Yoruba of Southwestern Nigeria and the Republic of Benin Babatunde Lawal an art historian and African scholar who has taught in Nigeria Brazil and the United States is himself a Yoruba and has taken an active part in Gelede He writes from the perspective of an informed participant observer of his own culture Lawal bases his book on extensive field research observations and interviews conducted over more than two decades as well as on numerous published and unpublished

scholarly sources He casts significant new light on many previously obscure aspects of Gelede and he demonstrates a useful methodological approach to the study of non Western art The book systematically covers the major aspects of the Gelede spectacle presenting its cultural background and historical origins as preface to a vivid and detailed description of an actual performance This is followed by a discussion of the iconography and aesthetics of costume and an examination of the sculpted images on the masks The book concludes with a discussion of the moral and aesthetic philosophy of Gelede and its responsiveness to technological and social change The Gelede Spectacle is illustrated in color and black and white with over 100 field and museum photographs including a rare sequence on the dressing of a masquerader It offers in addition more than 60 Gelede song texts proverbs and divination verses each in the original Yoruba as well as in translation Lawal s interpretations of these pieces indicate the rich complexities of metaphor and analogy inherent in the Yoruba language and art *Forthcoming Books* Rose Arny,2002 **The Quest** ,2006 **Archaeology and Folklore** Amy

Gazin-Schwartz,Cornelius J. Holtorf,2005-06-23 Archaeology and Folklore explores the complex relationship between the two disciplines to demonstrate what they might learn from each other This collection includes theoretical discussions and case studies drawn from Western Europe the Mediterranean and North They explore the differences between popular traditions relating to historic sites and archaeological interpretations of their history and meaning **Goddesses & Wise Women**

Anne Carson,1992 **The Body of God** Sallie McFague,1993 A very distinctive and important new option for Christian theology McFague proposes in a clear and challenging way a theological program based on what she calls the organic model for conceiving God **AAR/SBL Annual Meeting Program** American Academy of Religion.
