*Four Years in Castro's Cuba* Fr. Pat Sullivan, 2012-07-11 Although I served as a Catholic pastor in Cuba from 1994 until 1998 it wasn't until around 2003 that I started writing down some of my experiences and thoughts which came to form this little book I approached a couple of publishers with it but found no interest So I made it available over the internet to anyone who might be interested in Cuba As now in 2012 my family has kindly offered to see about printing up a small number of copies I wondered if some up dating of the material should be done After all a number of years have passed But while I have been interested in following the news about what has since happened in Cuba I am by no means an expert on more recent events And as I have been serving the small Spanish speaking community in Okinawa Japan for the past seven years my access to Cuban news is limited So I just present here the text as it is my view of the Cuban situation during the years I actually lived there Having moved from English to Spanish then to Miskito in Nicaragua then to Japanese my grammar spelling and capitalization practices have become a bit confused I am grateful for the editing and correction help of my brother and of Prof Anthony Jenkins of the Ryukyu University here in Okinawa but I'll have to take responsibility for errors and inconsistencies that remain May God grant that these pages be of some use in promoting better understanding and peace among nations March 3 2012

American Conspiracy Files Peter Kross, 2015-11-25 Conspiracy theories are not new to our modern time They date back to biblical times when Moses sent his spies out to check out what the Egyptians were doing Espionage is also linked to various conspiracies and is all mixed up in the same bag of tricks and form any decent conspiracy or theory In this new fact providing book by author Peter Kross called *The American Conspiracy Files The Stories We Were Never Told* the reader is given a tour de force through the world of conspiracies and conspiracy theories dating back to the time when this nation was first founded right up until the modern day Author Kross provides the reader with these fascinating and unbelievable stories in short thought provoking chapters that will both inform and educate the public to these little known tales from our past Among the stories that are revealed are the circumstances surrounding the Lost Colony of Roanoke whose settlers simply left their homes and were never seen again The tales of the deaths of Davy Crockett Jesse James and Butch Cassidy and the Sundance Kid leave the reader wondering just what really happened to these iconic heroes conspiracies in the Revolutionary War including Benedict Arnold and Ben Franklin's son William We delve into the large conspiracy to kill President Lincoln and see that John Wilkes Booth did not act alone Our tale then goes into our modern day with chapters on the deaths of John F Kennedy Robert Kennedy Martin Luther King spies in the Roosevelt administration the reasons behind the Oklahoma City bombing the sordid plots of President Lyndon Johnson and the deaths of people associated with him the revelation of Deep Throat a plot by the Joint Chiefs of Staff to invade Cuba and blame it on Castro among other interesting tales As author Kross did in his previous books *Tales From Langley* *The CIA from Truman to Obama* and *The Secret History of the United States* these stories are a fascinating account of our hidden history most of which the public has

never heard of     An Evangelical Saga Justice Anderson,2005     *In Castro's Clutches* Clifton Edgar Fite,1969     **Shoot Down of U.S. Civilian Aircraft by Castro Regime** United States. Congress. House. Committee on International Relations,1996     The Battle to Save Elian Donato Dalrymple,2002-02-08 Although it reads like fiction this story could not be more true The world watched as the struggle of Elian Gonzalez unfolded his miraculous rescue from the Atlantic Ocean and the incredible effort to keep him in America But more than a sensational rescue this is the account of God at work in the life of a man Elian s rescuer He used to impact a nation for His own glory     **Real Life in Castro's Cuba** Catherine Moses,1999-11-01 This new book provides a first hand grassroots look at life in Cuba including very vivid descriptions of its people and places Real Life in Castro s Cuba illuminates the human face of Cuba which over the years has largely been hidden in the shadow of Fidel Castro Real Life in Castro s Cuba is written by Catherine Moses who lived and worked in Cuba as a press secretary and spokesperson for the United States from 1995 to 1996 This compelling compassionate portrait contains personal observations about the Cubans struggles triumphs hopes and daily compromises to survive The Cuban population lives with a deteriorating infrastructure forcing many hardships on the people including a scarcity of food fuel clothing medicines and other basic needs The author s detailed cultural account of Cuba introduces the reader to everyday Cubans from party officials to dissidents to everyone in between It shows how Cuba s socialist system works and gives reasons why Fidel Castro is still in power Real Life in Castro s Cuba also describes the significant role of religion and spirituality in the life of Cubans Although Moses expresses regret over the state of U S Cuban relations the purpose of the book is not to choose up sides Instead the book is designed simply to introduce readers to real life in Cuba The book s unique approach allows an intimate picture of life in a faded Marxist regime As the author writes Cuba is a curious mixture of Spanish Caribbean socialist ideals gone awry memories of what was and a desperate need to survive This fascinating new book will appeal to all readers who are interested in getting a closer look at what life is like in Cuba today     A Warrior of Last Resort Martin G. Le Blanc,2020-02-13 Born in his grandfather s house during a blizzard breech baby Martin George Le Blanc was not expected to survive Instead of baptism he received last rites Lack of birth registration made him the ideal future ghost warrior a blank slate Le Blanc enlisted in the U S Army as a footloose 20 year old Canadian during the early days of the Vietnam War His rapid ascent to elite black ops warrior transformed the small town Nova Scotia kid into a clandestine force in the Vietnam and Cold War eras 1966-86 He finally became an American citizen years after retiring from military service In his autobiography Ghost Warrior Le Blanc sheds sharp new light on a period that foreshadowed today s geopolitics He explores the rugged childhood and intensive military training that toughened him the dangers and the hard won satisfaction of defending freedom and the damage his service inflicted on body mind soul and relationships As a U S Airborne Army Ranger and Special Forces Green Beret Le Blanc had a hand in historic events from Israel s victory in the 1967 Six Day War to the Soviet Union s failing grasp on Afghanistan in 1983 He completed 16 major missions and many

operations in South and North Vietnam Cambodia Canada Colombia Egypt Germany Grenada Italy Lebanon and along the Pacific Shelf After each of three nearly fatal missions once suffering the loss of all 9 men under his command Le Blanc broke down withdrew healed and returned to battle despite his enduring pain and trauma A movie producer whom Le Blanc served as a bodyguard mined the retired warrior s life character and quirks to create hit man Martin Blank in the dark comedy film Grosse Pointe Blank 1997 Ghost Warrior is the true story of one remarkable life Martin Le Blanc will inspire amaze horrify and deeply move you Let every nation know whether it wishes us well or ill that we shall pay any price bear any burden meet any hardship support any friend oppose any foe to assure the survival and the success of liberty John F Kennedy

Unfinished Business Morris H. Morley,Chris McGillion,2002-09-16 This is the first comprehensive study of U S policy toward Cuba in the post Cold War era Drawing on interviews with Bush and Clinton policymakers congressional participants in the policy debate and leaders of the anti sanctions business community it makes an important original contribution to our knowledge of the evolution of American policy during this period This study argues that Bush and Clinton operated within the same Cold War framework that shaped the Cuba policy of their predecessors But it also demonstrated that U S policy after 1989 was driven principally by the imperatives of domestic politics **Brothers in Arms** Gus Russo,Stephen

Peter Kross,2019-02-12 In October 2017 2 800 files about the 1963 murder were made public for the first time bringing to the fore revelations that an alleged Cuban intelligence officer met Lee Harvey Oswald in Mexico City and praised his shooting ability and that the Soviet spy agency KGB believed then Vice President Lyndon Johnson may have conspired to assassinate Kennedy On April 26 2018 the U S Government released 19 000 newly declassified government documents on the Kennedy assassination It is said that investigators learned little except that the government s ideas about what needs to be secret and what doesn t are cryptic and unpredictable Some stuff in the documents that had been open for years is now classified again and some stuff that had been classified and is now open is so innocuous that nobody can figure out what the point was In some cases the documents had re redacted material that had already been declassified in previous versions Often that seemed to reflect Trump administration sensitivities to the feelings of foreign governments A 1975 CIA report on the surveillance of shooter Lee Harvey Oswald during his visit to the Soviet embassy in Mexico City just a few weeks before Kennedy s death was released years ago identifying a particular photo as coming from a Mexican police surveillance camera In the same document re released April 26 the words Mexican police had been covered over Why are these documents even more redacted than previously known versions of the same document What astonishing information was released by the documents if any Why aren t all of the documents released in their entirety without any information redacted Are the

intelligence agencies afraid they will look incompetent and unable to protect the President Or do they further confirm that Vice President Lyndon Johnson was involved in the assassination as earlier documents suggested **Cuba** Julia E.

Sweig,2016-05-25 Ever since Fidel Castro assumed power in Cuba in 1959 Americans have obsessed about the nation ninety miles south of the Florida Keys America s fixation on the tropical socialist republic has only grown over the years fueled in part by successive waves of Cuban immigration and Castro s larger than life persona Cubans are now a major ethnic group in Florida and the exile community is so powerful that every American president has curried favor with it But what do most Americans really know about Cuba itself In this third edition of the widely hailed Cuba What Everyone Needs to Know Julia Sweig updates her concise and remarkably accessible portrait of the small island nation This edition contains a new foreword that discusses developments since Obama and Raul Castro announced the normalization of US Cuba relations and restored formal diplomatic ties A new final chapter discusses how normalization came to pass and covers Pope Francis visit to Cuba where he met with Fidel and Raul Castro Expansive in coverage and authoritative in scope the book looks back over Cuba s history since the Spanish American War before shifting to recent times Focusing equally on Cuba s role in world affairs and its own social and political transformations Sweig divides the book chronologically into the pre Fidel era the period between the 1959 revolution and the fall of the Soviet Union the post Cold War era and finally the post Fidel era Informative pithy and lucidly written it is the best compact reference on Cuba s internal politics its often fraught relationship with the United States and its shifting relationship with the global community What Everyone Needs to Know is a registered trademark of Oxford University Press The Cleveland Kidnappings: Ariel Castro's House Of Horrors And Escape ANONYMOUS, This

true crime book delves into the horrifying tale of Ariel Castro and the Cleveland kidnappings It explores the main plot of the abductions of Amanda Berry Gina DeJesus and Michelle Knight who were held captive for years in Castro s house of horrors The book examines the theme of resilience and the indomitable human spirit as it follows the victims ordeal and their eventual escape to freedom It also delves into the psychology of a kidnapper providing insight into Castro s background and motives The aftermath of the Cleveland kidnappings is explored including the media frenzy legal battles and the survivors stories of triumph and reintegration The book also highlights the impact on society from public outrage and legal reforms to support for victims It delves into the enduring mysteries and unsolved questions surrounding the case as well as the haunting connections to similar crimes and the long lasting trauma experienced by the survivors Through its comprehensive exploration of this harrowing crime the book aims to shed light on the realities of abduction cases inspire awareness and prevention and provide lessons learned from this tragic event Castro's Last Sacrament and Other Stories Albert

Dorrington,1900 **Mexico and the Caribbean Under Castro's Eyes** Colin Clarke,2018-07-16 This book provides a first hand account of the author s encounters as a social geographer based on his field research and travels in Mexico and the Caribbean The interlocutors of different classes and races introduce the reader to a variety of urban and rural communities

many of them involved in development projects Two leitmotifs of the 1960s and 1970s recur throughout the volume decolonization state formation and the quest for democracy in the post colonial societies of Mexico and the Caribbean and the conditions which were likely to constrain or challenge these developments quintessentially associated with the 1959 Cuban revolution the cold war and student radicalism Flotsam and Jetsam: the Amelia Island Affair M. S. Spencer, 2018-12-17 Who s littering the park with corpses Simon Ribault and Ellie Ironstone are used to dealing with messy campers and ravaging raccoons but when three bodies wash up on the beach the two State Park Rangers must mobilize all their powers of deduction Who are they and how did they get to the shore of Amelia Island Are they connected to the secretive League of the Green Cross Or linked to a mysterious Jamaican drug ring Ellie new to Amelia Island must penetrate a close knit community if she wants to find answers to the mystery all while deciding between two rivals for her affection Thad the handsome local idol and Simon the clever quirky bookworm Simon for his part will have to call on his not so well honed romantic prowess to lure Ellie away from Thad and at the same time use his wide ranging research skills to solve the case *Fidel Castro and Baseball* Peter C. Bjarkman, 2018-12-07 Few political figures of the modern age have been so vilified as Fidel Castro and both the vilification and worship generated by the Cuban leader have combined to distort the true image of Castro The baseball myths attached to Fidel have loomed every bit as large as the skewed political notions that surround him Castro was never a major league pitching prospect nor did he destroy the Cuban national pastime in 1962 In *Fidel Castro and Baseball The Untold Story* Peter C Bjarkman dispels numerous myths about the Cuban leader and his association with baseball In this groundbreaking study Bjarkman establishes how Fidel constructed rather than dismantled Cuba s true baseball Golden Age one that followed rather than preceded the 1959 revolution Bjarkman also demonstrates that Fidel was not at all unique in politicizing baseball as often maintained since the island sport traces its roots to the 19th century revolution Fidel s avowed devotion to a non materialist society would ultimately sow the seeds of collapse for the baseball empire he built over more than a half century just as the same obsession would finally dismantle the larger social revolution he had painstakingly authored A fascinating look at a controversial figure and his impact on a major sport this volume reveals many intriguing insights about Castro and how his love of the game was tied to Cuba s identity *Fidel Castro and Baseball* will appeal to fans of the sport as well as to those interested in Cuba s enduring association with baseball
