Covenant with God Chris Anne Legebrow, 2017-03-12 Adam and Eve were created to have relationship with God God told them to be fruitful and to multiply God has given all humans the gift of free will We do not have to choose to worship God we can choose a different way Adam and Eve sinned against God Because of it they lost their close relationship with God and animal sacrifice was required to cover the sins of people because God is Holy and hates sin Humans can only live full lives and accomplish their purposes in covenant Relationship with God Noah was a righteous man who found favour with God God made covenant with Noah his family and all the animals that He would never again destroy the earth and all people or animals The covenant sign is the rainbow Abraham was chosen by God because he truly wanted to know God God lead him and used him to start many nations His special blessing was on Isaac and Jacob who later became Israel By faith in Jesus Christ we are made partakers of the blessings upon Abraham Moses was chosen by God to be a deliverer of Israel out of Egyptian slavery Moses obeyed God and through many signs and wonders and miracles God displayed His glory through through Moses and his brother Aaron Jesus Christ was born a descendant of King David he was born of the Virgin Mary and lived a holy life Finally the Messiah had come to Israel as a sacrifice for the sins of all people Jesus died on the cross and rose from the dead and ascended up into heaven He gave His church the Holy Spirit so that we could do the work of Christ on the earth preaching the good news of Jesus as Saviour Healer and Deliverer Jesus promised that He would return to rule and reign on the earth and that we would be with Him Through Jesus Christ we have communion with God and the Holy Spirit lives inside of our human spirit giving us total communion with God There are many blessings or advantages of the New Covenant of believing in Jesus Christ as Saviour and LORD

the true means of acquiring a relationship with a superior being and a place in eternity Large masses of people embrace the tenets of the religion to which they are exposed during their formative years and never questioning the validity of its claims Many others have no religious models to follow Therefore they form their own religious belief systems However there are multitudes from all types of religious affiliations that are searching for answers regarding the reality of God and on what happens after physical death They have a genuine desire to know the truth about God and the way to attain eternal life There are others that desire more knowledge about the God of the Bible they love and serve I have written this book to assist these groups I have tried to provide biblical answers to questions that true searchers have regarding God I have also attempted to furnish believers with a format to help broaden their biblical knowledge I encourage the reader to seek guidance and revelation from the Holy Spirit

An Exposition of the Prophet Ezekiel William Greenhill,1839 How Odd of God William H. Willimon,2015-10-09 Election is a strange word when used in theology It brings to mind old debates about what God might or might not have done before the foundation of the world But viewed apart from that historical baggage the word election is about a central gospel idea that in Jesus not only does God choose to be God for us but chooses us to be for God The calling of the disciples in the gospels is a story of election of how God chooses to transform the world by choosing us to be messengers and agents of that transformation So it is says William Willimon that election becomes not just the content of our preaching but the means as well God chooses preachers How unlikelyhow oddis it that God should entrust the proclamation of the gospel to well us This unpredictable electing God reaches out to save the world and then leaves it in the hands of preachers to get the word out Through us through our stammering tongues and faltering hearts the preached word becomes the Word of God If you wonder why you drag yourself into the pulpit every Sunday if you worry that your sermons aren t reaching past the front pew then read this book and be encouraged God chooses God chooses preachers God chooses you
