**Unforming** Cindy S. Lee, 2022-12-15 Christian spiritual formation resources and teachings have primarily come from Western spiritual traditions Our current approach to formation comes out of that way of thinking and being communicating that the white experience of God is the norm and authority In Our Unforming De Westernizing Spiritual Formation Cindy S Lee proposes that we as the church need a new way to engage in spiritual formation To thrive in our increasingly diverse contexts we need an unforming and a reforming of our souls We need to unform the ways Western dominated church leaders have understood formation. We need to reform to imagine and create a more intricate spirituality that includes diverse experiences of God Our Unforming is organized into three cultural orientations and eight postures Lee proposes that when we consider non Western cultural ways of being turning from linear to cyclical from cerebral to experiential and from individual to collective the formation journey shifts We live out these movements through postures ways of entering into deeper spiritual transformation. The eight postures reflect our experience of time generations imagination uncertainty language work dependence elders and harmony Lee offers a more robust spirituality to hold the complexities of a multicultural God and the God human relationship Our Unforming is sure to inspire further conversation as it shifts how we approach formation in our diverse communities Celtic Studies James Carney, David Greene, 1968 The Freethinker Methodist Magazine and Quarterly Review ,1914 *Prayer in Another Dimension* Sue Curran, 2011-07-28 It can happen in your life right now After years of national and international research and personal experiences author Sue Curran reveals how all of God's children can live supernaturally through praying into another dimension Learn the five principles that will change your prayer life The power of vocal prayer The need for fervent prayer Praying the Word of God Getting God's attention The authority of prophetic declaration Prayer in Another Dimension is filled with modern day examples of what God is doing in various parts of the world in churches with people empowered by prayer Christians in Africa the Korean peninsula China and around the world are experiencing the supernatural power of God in their lives on a daily basis The five principles revealed in this book will allow you to cooperate with God through His Word to manifest His power and presence in your life impacting your family church and community for His Kingdom
