In Over His Head Jacquie D'Alessandro, 2011-06-20 Lexie Webster needs a fling badly She s not looking for a relationship her former fianc a daredevil with a death wish cured her of that But that doesn t mean she has to live like a nun either Especially since her newest client sexy Josh Maynard is inspiring some very impure thoughts Rodeo star Josh Maynard is hanging up his spurs to fulfill his lifelong dream learning to sail Only he never dreams he ll end up in over his head before he even starts Because it s obvious his new sailing instructor Lexie Webster has an agenda to seduce him right out of his swimsuit and Stetson And he s more than willing to go along with her Especially when he realizes that he wants more than just a quick dip **When The King Loses His Head & Other Stories** Leonid Andreyev, 2021-07-07 First published in 1920 When the King Loses His Head Other Stories is a short story collection from the renowned Russian author Leonid Andreyev Some of the best known stories in the collection include Lazarus an exploration of how Lazarus really felt upon returning from the grave an interpretation of Judas s personality and motives in Judas Escariot and the evocative Dies Irae With prominent religious themes and inspiration this is a collection which explores the human condition and relationship with fate A fascinating introduction to the Russian author Leonid Andreyev 1871 1919 was a Russian playwright novelist and short story writer Born in the city of Oryol Andreyev studied law in Moscow and St Petersburg He went on to become a police court reporter but continued to write poetry in his spare time His first short story was published in 1898 and Andreyev s literary fame quickly grew after the 1901 publication of his first short story collection Widely regarded as the father of Russian expressionism Andreyev s works are often haunting dark pessimistic and controversial His body of work includes two novels five novellas and a number of short stories and plays The most well known of them include the story The Seven Who Were Hanged ghost story Lazarus the play Tsar Hunger and his novel Sashka Zhegulev He died in Finland in 1919 **The Man With His Head in the Clouds** Richard O. Smith, 2015-10-07 Hilarious enlightening and inspiring The Man with His Head in the Clouds is anything but ordinary Smith has artfully created a category defying juxtaposition of historical biography and autobiographical recovery story fun and accessible The Psychologist All human life is here served up with a light touch and keen sense of the ridiculous Dr Lucy Worsley Pure pleasure A brilliant blend of biography and self help and a bold book about ballooning The Man with His Head in the Clouds is nothing less than a trip Frances Wilson This is the story of how an uneducated Oxford pastry cook became the first Englishman to fly in a self built balloon powered by primitive and potentially lethal hydrogen Despite taking off in force 8 gales crashing into hills and plopping into the Irish Sea James Sadler became a rare pioneering aeronaut to survive such perilous ascents Good luck was not hereditary his son s balloon fatally collided with a chimney Sadler advanced the scientific evolution of lighter than air flight and took part in both of the famous races that so captivated the public in late eighteenth century Europe across the Channel and the Irish Sea He earned Lord Nelson s endorsement for improving the Royal Navy with applied science created one of the first perhaps the very first

mobile steam engines and was revered by fans like Percy Shelley and Dr Johnson Yet even the brightest stars one day collapse as Sadler's name emits virtually no light today Like Sadler Richard O Smith emanates from Oxford's Town not Gown Like Sadler he wants to look down on Oxford literally and his admiration for the balloonist culminates in him replicating the first ever flight also over Oxford But there is a problem The author suffers from acute acrophobia a crippling fear of heights This prevents him from standing on a stool yet alone dangling at 3 000 feet beneath an oversized party balloon To overcome his chronic height anxiety he seeks pre flight counselling learning all about current understanding of phobias and anxieties Here he discovers that he is also bathmophobic a fully functioning adult who is afraid of stairs Inspired by Sadler Smith sets out to overcome his debilitating fear and ascend in a balloon over Oxford Be positive You just need a will to do it counsels a psychologist So taking that advice he starts positively by making a will **The Works** John Donne,1839 *The Gentleman's Magazine* ,1766 [Materia Medica Pura](#) Samuel Hahnemann,1846 **Archaeologia Cambrensis** ,1879
