The Inner Life is taken from Thomas Kempis's *The Imitation of Christ*, a classic Christian devotional that has taught and inspired generations.

The Inner Chamber and the Inner Life Andrew Murray, 2019-06-23 Andrew Murray's classic guide to nurturing the inner spirit relates many inspiring spiritual stories such as the life of the Prophet Moses and God's thoughts as dispensed by the Lord Jesus Christ. An all-embracing tour of Biblical profundity, *The Inner Chamber and the Inner Life* looks at a variety of Bible stories and incidents to show the reader how to be mindful of the essential teachings of God. The titular inner chambers refer to the atmosphere in which the truest prayer takes place; it is by admitting ourselves to these regularly that we attain authentic inner life. In writing this book, Murray aims to prepare and motivate the reader for this closer connection to the divine. Yet this book is not simply a devotional with an emphasis on prayer; it is a manual which discusses improving one's relationship with God. Keeping oneself mindful of the sacrifice and efforts of Jesus and carrying out the virtues preached by the Son of God is paramount to gaining a closer bond with the force of the Lord.

The Inner Life of Christ, as Revealed in the Gospel of Matthew. Servant of All Joseph Parker, 2024-02-28 Reprint of the original first published in 1884 *The Philokalia and the Inner Life* Christopher C.H. Cook, 2012-07-25 The *Philokalia*, a collection of spiritual texts by fathers of the Eastern Church spanning the fourth to the fifteenth centuries, was first published in Venice in 1782. Significant in bringing about a renaissance of Orthodox spirituality, since then it shows deep psychological as well as spiritual awareness. The *Philokalia and the Inner Life* critically examines the nature of mental and spiritual well-being as understood in the *Philokalia*. It identifies the passions as hostile pleasures with a seductive and addictive quality which are detrimental to human well-being and explores the remedies for the passions that the *Philokalia* prescribes. Like the *Philokalia*, contemporary psychotherapies seek to interpret human thoughts and restore well-being, although the talking cure of secular psychotherapy contrasts significantly with the praying cure of the *Philokalia*. This book is for all who are interested in spirituality, theology, and the life of prayer, as well as students of the *Philokalia*. It is also for clinicians, counselors, and psychotherapists, especially those who wish to explore the relationship between psychological and spiritual well-being.

Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852-1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

Twentieth-Century Western Philosophy of Religion 1900-2000 Eugene Thomas Long, 2012-12-06 In the fall of 1994 Hendrik Jan van Leusen an acquisitions editor from Kluwer Academic Publishers visited me in my home to discuss a proposal for a handbook in the philosophy of religion He reported that he had been talking about this with philosophers of religion at several universities and that the response to the idea had been quite favorable I suggested that given the different approaches to the philosophy of religion it might be good for him to meet with philosophers representing different philosophical traditions at an upcoming meeting of the Eastern Division of the American Philosophical Association Jude Dougherty Joseph Kockelmans Robert Neville William Rowe and Merold Westphal kindly agreed to attend that meeting They made many substantial and helpful suggestions and a summary of the discussions was sent to van Leusen Some months later he wrote to inquire whether I might consider editing the series and writing the first volume which was to provide a historical map of twentieth century western philosophy of religion Although I could imagine myself editing the series I was initially reluctant to undertake the task of writing a volume that would take me across the lines of many different philosophical traditions By coincidence I had been asked some months earlier to contribute an essay on the philosophy of religion for a conference being held at the Catholic University of America on the general topic One Hundred Years of Philosophy *The Life of Jesus Christ* Walter Elliott, 1902 **The Life of the Lord Jesus Christ** Johann Peter Lange, 1872 Insights Peter Haverty, 2020-10-29 My first attempt at writing was based on the fact that I had collected over the years about 500

quotations from Catholic spiritual authors and I selected about 20 of these which I classified as Insights I printed them off in a hurry because I thought I was going to die in an impending operation For a long time while preaching I had decided that to win a hearing from the congregation any discourse needs an arresting mother idea or insight On recovering I thought I could make it into a decent sized book by adding on some 20 meditations on the topics following the sequence I use for a retreat This part constitutes Part Two of the present proposed book The style of English corresponds I suppose to what was current in the 1950 s Although over the years I have tended to preach in a conversational way
