**The Actual Jesus** Tina Pippin, 2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and disturbing like the Jesus of the gospels

**Jesus** Anthony Le Donne, 2018-08-02 Jesus A Beginner's Guide introduces Jesus the man and his enduring legacy Separating fact from fiction Professor Le Donne places Jesus within the context of first century Judaism and explores the debate about his status as Son of God among the early Christians He then follows his legacy through medieval Europe and compares the various cultural Jesuses in enlightenment and post enlightenment thought Dictionary of Jesus and the Gospels Joel B. Green, Prof. Jeannine K. Brown, Nicholas Perrin, 2013-10-04 Nearly all of the 175 articles in the Dictionary of Jesus and the Gospels have been reconceived and rewritten to reflect developments in the field since the 1992 edition Showcasing the work of a new generation of scholars this volume surveys scholarship and method in historical Jesus studies New Testament textual criticism and more **The Life of Jesus the Christ** Henry Ward Beecher, 1891 **Jesus Framed** George Aichele, 2020-10-28 Biblical Limits is a new series which brings to the traditional field of Biblical Studies literary criticism anthropology and gender based approaches thus reaching new ways of understanding Biblical texts Jesus Framed is a collection of essays on reading the gospel of Mark It uses literary theory most notably the writings of Roland Barthes to examine some of the difficulties in the text of Mark A series of close readings of the gospel of Mark is compared to similar texts both biblical and otherwise Drawing on Mark's famous phrase that to those who are outside all comes through parables Mark 4 11 12 Jesus Framed explores the boundaries between insiders and outsiders those who can and those who cannot find a meaning in the text Mark Timothy J. Geddert, 2001-01-23 Timothy J Geddert views Mark as a profound theologian and accomplished writer not a mere compiler of traditions Mark's text provokes careful reflection on its subtle and challenging message of hope and its call to faithfully follow Jesus on the way Mark's Gospel speaks plainly yet sometimes in riddles of God as revealed in Jesus of Nazareth the Christ the Son of God Mark presents God's reign its present hiddenness and future glory and its surprising way of coming Mark is also about Jesus and his followers crossing barriers to pass God's grace on to those formerly excluded Mark's resurrection message is open ended Readers supply their own ending not just in words but by following their resurrected Lord Includes essays on themes useful for teaching preaching and Bible study bibliographies charts two maps and an index of ancient sources *The Missing Family of Jesus* Tobias Churton, 2012-01-01 The Holy Family of Jesus as commonly depicted in religious art is a myth fabricated by the early Christian church Explaining

this assertion Tobias Churton leads the reader on a fascinating and highly readable quest to discover all that is to be found in the historical sources about Jesus family background parentage and siblings and the possibility of his having descendants When Romanized Christianity decided to bend the historical facts about true early Christianity Jesus was required to be the only son of God and to have been the product of a virgin birth so that he could avoid the taint of original sin Any inconvenient siblings had to be written out of history to prevent them from muddying the theological waters Even today in Catholic encyclopedias of the saints St James the Just the Zadokite while regarded as Jesus brother by the majority of Church Fathers is instead called the son of Alphaeus deliberately obscuring any theologically compromising family relationship This investigation is based on a thorough examination of a broad range of sources the canonical evidence Gospels and Epistles apocryphal evidence including the Gnostic gospels and rejected works of early Christianity including the Dead Sea Scrolls and the works of Josephus Hegesippus and Eusebius and myths and legends about heirs known as the Desposynoi who either travelled to France or remained in Palestine centuries after Jesus It must be the case that behind both the historical and the legendary evidence there exists a missing truthful picture of the family of Jesus The task of the book is to establish as much of that truth as is historically possible within the bounds of reasonable probability Churton Jesus, the Gospels, and Cinematic Imagination Richard Walsh, Jeffrey L. Staley, 2021-08-12 Jesus films arose with cinema itself Richard Walsh and Jeffrey L Staley introduce students to these films with a general overview of the Jesus film tradition and with specific analyses of 22 of its most influential exemplars stretching from La vie du Christ 1906 to Mary Magdalene 2018 The introduction to each film includes discussion of plot characters visuals appeal to authority and cultural location as well as consideration of the director s and or other filmmakers achievements and style Several film chapters end with reflections on problematic issues bedeviling the tradition such as cultural imperialism and patriarchy To assist teachers and researchers each chapter includes a listing of DVD chapters and the approximate time for both DVDs and streaming platforms at which key film moments occur The book also includes a Gospels Harmony cataloging the time at which key gospel incidents appear in these films Extensive endnotes point readers to other important work on the tradition and specific films While the authors strive to set the Jesus film tradition within cinema and its interpretation the DVD streaming listing and the Gospels Harmony facilitate the comparison of these films to gospel interpretation and the Jesus tradition **Altruism in World Religions** Suzanne Neusner, Bruce Chilton, 2005-11-08 In 1830 philosopher Auguste Comte coined the term altruism to provide a general definition for the act of selflessly caring for others But does this modern conception of sacrificing one s own interests for the well being of others apply to the charitable behaviors encouraged by all world religions In Altruism in World Religions prominent scholars from an array of religious perspectives probe the definition of altruism to determine whether it is a category that serves to advance the study of religion Exploring a range of philosophical and religious thought from Greco Roman philia to Judaism Christianity and Islam from Hinduism in India to Buddhism and the religions of China and Japan the

authors find that altruism becomes problematic when applied to religious studies because it is in fact a concept absent from religion Chapters on Judaism Christianity and Islam reveal that followers of these religions cannot genuinely perform self sacrificing acts because God has promised to reward every good deed Moreover the separation between the self and the other that self sacrifice necessarily implies runs counter to Buddhist thought which makes no such distinction By challenging our assumptions about the act of self sacrifice as it relates to religious teachings the authors have shown altruism to be more of a secular than religious notion At the same time their findings highlight how charitable acts operate with the values and structures of the religions studied

**Mystery of the Power Words** Kevin Zadai,2021-01-19 Speak the words that make hell tremble There are timeless words straight from the Scripture that when spoken and applied paralyze the devil and cause accelerated supernatural shift These words defeat demonic powers heal disease accelerate financial increase overcome temptation and demolish strongholds These are the power

**Discourses of Empire** Hans Leander,2013-10-31 This inventive work explores Mark s Gospel within the contexts of the empires of Rome and Europe In a unique dual analysis the book highlights how empire is not only part of the past but also of a present colonial heritage The book first outlines postcolonial criticism and discusses the challenges it poses for biblical scholarship then scrutinizes the complex ways with which nineteenth century commentaries on Mark s Gospel interplayed with the formation of European colonial identities It examines the stance of Mark s Gospel vis vis the Roman Empire and analyzes the manner in which the fibers of empire within Mark are interwoven reproduced negotiated modified and subverted Finally it offers synthesizing suggestions for bringing Mark beyond a colonial heritage The book s candid use of postcolonial criticism illustrates how a contemporary perspective can illuminate and shed new light on an ancient text in its imperial setting

[A Resurrection Gospel: The Glorious Simplicity of Biblical Eschatology](#) Joseph R. Holder,2017-03-13 The Christian gospel is good news precisely because it proclaims Christ s victory over death A resurrection motif runs through every part of the apostolic gospel like a golden thread that ties a garment together As he works his way through the primary resurrection passages in God s word Joe Holder explains how the literal historical fact of Christ s resurrection underpins not only the Biblical doctrine of salvation but also

the doctrine of the end times as well as its teaching on Christian ethics In a word Biblical eschatology does not have to be as complicated as some teachers make it Biblical teaching on the end times in fact is marked by a refreshing simplicity by virtue of the centrality of the bodily resurrection of the dead The good news of the gospel is Because He lives we shall live also

**Uprooted** Michelle Van Loon, 2006 A contemporary retelling of ten of Jesus's parables The second in author Michelle Van Loon's series Parable Life FaithWalk 2005 that share the parables as told in the Bible and then retells the same parable through the stories of real life people living today Thoughts and questions are included in each chapter to help readers connect with God while sparking dialogue with others A powerful look at the process of spiritual growth not as a how to but as a why to

**Opening the Parables** M. D. Hayden, 2024-07-11 For centuries Jesus parables have been and still are extensively interpreted by those who impose Christian dogma and tradition on a parable told decades before Christianity per se even existed There was no Christian tradition when Jesus was teaching his followers and he was teaching regular people not theologians No wonder then that after two millennia Jesus parables coated with a confusing overlay of Christian dogma still puzzle readers of the New Testament Opening the Parables is based on the premise that Jesus taught a singular spiritual truth which once the clutter of others words and interpretations is cleared away appears consistently in all his teachings even in his parables In the best possible way Jesus was a one subject teacher one subject using various teaching techniques both deductive and inductive a one sermon preacher one message told in various ways Everything he taught or preached was about love in the infinite here and now Kingdom of God All his parables proverbs aphorisms and direct statements teach one lesson in the highest realm we can imagine compassionate love is all that matters
