Jesus Liberation And Love:

A Life Lived and Laid Down for Friends Don Erickson, 2019-08-06 *A Life Lived and Laid Down for Friends* reflects on the iconoclastic life and ministry of Jesus of Nazareth From the riches in the rags story of the nativity to his compassion moved sacrifice to save his disciples this book reflects on Jesus as first and foremost a spiritual teacher who embodied compassion Pastor and author Don Erickson shows how the humility embodied by society s most vulnerable was for Jesus the benchmark for inclusion in God s kingdom The book also looks at Jesus approach to religious pluralism a reality he experienced in ancient Palestine under Roman rule It was an approach that evidenced Jesus pointing to expressions of compassion rather than to mere faith In addition the book examines the story of Jesus crucifixion and resurrection offering a view that both asserts the centrality of the passion and bases it in historical context that avoids universalizing the story away The crucifixion itself is shown to be a portrait of embodied representative compassion that is salvific in its reach Inspired by the powerful teachings of liberation theology as well as a Buddhist influenced approach to the Gospels *A Life Lived and Laid Down for Friends* gives a fresh poignant portrait of Jesus that defies Trump America s resistance to Jesus radically compassionate life and teaching

The Love That Moves the Sun Paul Dominiak ,2024-08-30 The season of Advent traditionally involved meditation upon the Four Last Things heaven hell death and judgement This ancient but nearly lost sacred art of contemplation encouraged Christians to evaluate who they were what they treasured and how they ought to live in view of the world to come The Love That Moves the Sun revives this ancient practice and marries it with contemporary concerns Each chapter considers one of the Last Things in relation to a modern crisis from the climate emergency rise of populism and racial injustice to the economic inequalities of class In a time of compound crises retrieving the sacred art of contemplating the Last Things gives a vision of hope and direction in a chaotic world of uncertainty The first advent began with an angelic messenger announcing the coming of Christ to Mary The Love That Moves the Sun enables us to hear a fresh annunciation in our own time calling us to join in with God s salvation of a groaning creation and the hope of a new earth where justice dwells

A Love Supreme Allen Dwight Callahan, Callahan suggests that scholars have wrongly placed the sequence and therefore the importance of the works collectively known as the Johannine tradition the Gospel of John and the Johannine Epistles His proposal includes literary theological and historical analysis as he argues for the reevaluation of a significant part of the biblical canon

Love, Violence, and the Cross Gregory Anderson Love,2010-08-01 Does God use violence to redeem us What is the relationship between divine love and violence in regard to the saving significance of the cross of Christ In Love Violence and the Cross Gregory Love dialogues with two responses to this question while presenting a third alternative in which Jesus s death is simultaneously a crime and an element of God s saving actions Through familiar stories in history literature and film Love presents five constructive models that cumulatively affirm God s saving act in the person and work of Christ while letting go the myth of redemptive violence They affirm redemption but one with a different shape Instead of exacting the absolute punishment God redeems by making good God s promise to humanity to secure human life Love argues that God is nonviolent while retaining the core idea presented in the New Testament witnesses that reconciliation occurs in the work of

Christ and that the cross plays a role in that divine work

Just Love: The Essence of Everything, Volume 1

Paramahansa Sri Swami Vishwananda, 2019-12-19 JUST LOVE is the first in a series of extraordinary spiritual books from an extraordinary spiritual Master. Although you may be familiar with the wisdom of the Holy Scriptures of both East and West, the concept of Love is described in this book in a refreshing new way. JUST LOVE is expressed by someone who knows about the all-pervading life-sustaining force that forms the creation of the universe because He is completely one with it in every moment. Comprised of a collection of talks given by Paramahansa Sri Swami Vishwananda, the simple yet profound message is clear: Love is all there is. Love is all you have to do. Just Love, and the rest will take care of itself.

The Understanding of Christian Faith Schubert M. Ogden, 2010-04-01 As an introduction to Christian systematic theology, this volume treats all the main theological topics from God to last things, seeking to explicate critically the understanding of them implicit in Christian faith itself in terms at once appropriate to Jesus Christ and credible to human existence. Its criteria accordingly are the ultimate criteria of, on the one hand, specifically Christian experience of Jesus as expressed by the apostolic witness, and on the other hand, generically human experience of existence as expressed by a sound philosophy. And as befits an introduction, it employs these same criteria to clarify the process of actually doing Christian systematic theology. Thus it begins by explaining both what such a theology has to do and how it is to do it, and ends by considering what it means to do theology as a Christian, calling particularly as a professional theologian.

A Nonviolent Theology of Love Sharon L. Baker Putt, 2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity. This book emerges out of a passion to think differently, albeit biblically, about the character of God and articulates a theological construction of a nonviolent God, an alternative to any image of God that seems to condone human violence. It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth. Students of theology need a fresh glimpse of the love, mercy, and redemptive power of God through Jesus. As it follows the structure of the Apostles' Creed through the various theological topics, this book reminds Christians to share in God's desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies, even while at times responding to violence with nonviolent resistance.

Paths of Liberation Bakole Wa Ilunga, 2015-09-29 I was born in 1920 in a little country village in the former Belgian Congo. I was eight years old at the time the day the first white man visited our isolated village. He was a Catholic missionary. It was through him and many other priests, catechists, and teachers that I came to know deeply Jesus Christ, who has shown me the path of true liberation. My people live in a situation of extreme underdevelopment, wretchedness, and exploitation. My experience as a Christian and a pastor has taught me that our pastoral and evangelizing

work should offer persons a total development rooted in the Good News of Jesus Christ One is not possible without the other This is what I have tried to explain in Paths of Liberation Of course too the path Jesus assigns us for the liberation of society from the evils that afflict it is not the shortest of paths It is not enough to make surface changes and the path leads through the heart of the human person which Jesus wishes to change And the human heart is not to be changed in a day But this longer path is also the most effective and the most realistic for only thus do we attack the evil in its roots Have we not found that at the core of all problems is always sin It is precisely from this sin in the human heart that Jesus liberates us by guiding us on the path of continual conversion and uncalculating love **Liberation Theology** Frederick Herzog,2013-03-29

Liberation Theology is the first serious acknowledgment by a white theologian of the challenge of Black Theology It invites American theology to reconsider radically its foundations and to reorder its priorities At a time when theology is often presented piecemeal Frederick Herzog undertakes to ground Liberation Theology in the originating events of the Christian faith as a whole in this instance in the life death and resurrection of Christ as given in the Fourth Gospel The systematic readings in the Gospel which he makes and from which emerge the principles of Liberation Theology are the heart of this book Throughout the author asks How do we understand Christ as Liberator The answer to this question he maintains determines whether or not we are still able to contemplate the Word as power and action Written with contemporary directness and free of vague abstractions the book casts theology into a new form to meet today s needs The method of this new theology is confrontation not correlation its goal is liberation not reformation and it strives for a new space of freedom among people captive to the dehumanizing structures of modern theology King's Speech Sunggu A. Yang,2019-05-23 In the quiet recesses of my heart Dr Martin Luther King Jr often said I am fundamentally a clergyman a Baptist preacher No other statement could identify King better than this Thus the statement is the launching point for this work on preacher King s timeless messages on violence and reconciliation rooted in his theological foundation of the universal yet personal loving God Yang shows how King based on that theological idea vitalizes a pastoral and prophetic preaching voice hoping to create reconciliation in the context of a violent reality This concise piece is easily accessible yet rich enough to see the continuing impact and applicability of preacher King s reconciliatory ideas in the present violent torn apart world that desperately awaits reconciliation Wiley Blackwell Companion to Political Theology William T. Cavanaugh,Peter Manley
