Adolph, 1959 **JESUS'S EPITHETS: "TEACHER" AND "PROPHET"** Aurel-Onisim LEHACI, 2024-01-01 The book *Jesus's Epithets Teacher and Prophet A Cognitive Semantics Approach to Social Roles* is based on a completed PhD thesis from the Doctoral School of Languages and Cultural Identities at the University of Bucharest It focuses on the interplay between Jesus's epithets specifically teacher and prophet using cognitive semantics as a framework for analysis The book explores the complementarity of these roles highlighting their portrayal of Jesus's key attributes and his dual human/divine identity Cognitive linguistics provides the perspective for delving into these social roles emphasizing their significance in understanding the complexity of Jesus's character It shows that Jesus embodies two complementary epithets teacher and prophet representing distinct approaches to knowledge transmission either through human activity or divine intervention The chapters systematically examine the roles of teacher and prophet employing cognitive semantics tools and exploring textual fragments The analysis of parables as Jesus's preferred form of teaching uses metaphor and conceptual blending theories providing insights into his pedagogical endeavors The examination of Jesus as a prophet draws upon Dahlgren's stereotypical model establishing compelling evidence for Jesus's prophetic role The final chapter underscores the overlap between the teacher and prophet roles emphasizing the usefulness of the radial concept It challenges the notion of sequential roles asserting that Jesus is simultaneously both a teacher and a prophet with the two functions coexisting The book illustrates the intricate complexity of Jesus's character proving that Jesus not only fulfills but surpasses typical expectations in both roles consistently revealing his dual identity and the permanent truth of both epithets **Jesus Calls His Disciples** Judy Hamilton, 2016-10 **Called By God** Marie Theresa Coombs, Francis Kelly Nemeck, 2001-10-11 A burning theological and pastoral issue of our times is that of vocation not only priestly and religious vocations or the lack of them but also marriage and singlehood In *Called by God* Francis Kelly Nemeck and Marie Theresa Coombs offer an invigorating theology of the mystery of vocation and lifelong commitment from an evolutionary and relational perspective They first reexamine the mystery of God's will as it bears on vocational discernment Next they explore several biblical notions converging on that theme chosen called and consecrated The authors then discuss at length the development of vocation and the unfolding of vocational consciousness necessary for a lifelong commitment Lastly Nemeck and Coombs present insights into further vocational progress once mature commitment has been established **All the Commandments of Christ Volume I** Dr. Esther V. Rev Dr David E Stewart, Missionary Teacher Trainer for 43 years. **The Gospel of Mary** Esther De Boer, 2005-06-20. The success of Dan Brown's *Da Vinci Code* has raised new interest in Mary Magdalene and in the Gospel of Mary. Here the author examines Mary Magdalene's influence on the beginnings of Christianity and asks what was her impact and her message. And furthermore, what became of her and her ideas. Esther de Boer studies the Gospel of Mary, the only Gospel to be named after a woman, to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal. She argues that the Gospel of Mary is not a Gnostic writing but is more closely related to the writings of Philo, the letters of Paul, and the Gospel of John. She demonstrates that esteem of Mary Magdalene did not just belong to the Gnostic tradition but to a broader Christian context. In order to determine this context, the study identifies the different portrayals of Mary Magdalene in the New Testament, analyses their concepts of discipleship, and their views on women, and investigates their historical reality. Esther de Boer concludes that the portrayal of Mary Magdalene in the Gospel of Mary is close to that in the Gospel of John and investigates the possibility that she is concealed in the Johannine disciple loved by Jesus. **How to Read the Gospels** Yung Suk Kim, 2024-05-29. Love of Friendship in the Christian Life Jonathan Sammut, 2019-12-27. Theological reflection on friendship as a particular form of Christian love emerges in Holy Scripture and continues to be elaborated in the Christian tradition. However, love of friendship was at times absorbed into the other traditional understanding of love: love of God and of neighbor. After a philosophical-historical study of the Greco-Roman roots of friendship in moral reflection and how and to what extent this was appropriated in the Christian tradition, this book illustrates the transcendental character and the novelty of the Christian understanding of friendship found in Holy Scripture, focusing particularly on the most relevant texts in the Fourth Gospel where love and friendship stand to be important themes. It also shows how Saint Thomas Aquinas, through his exegesis of the Fourth Gospel, his synthesis of the Christian tradition, and his ability to rearticulate Christian theology through Aristotelian philosophy, inimitably defines the theological virtue of *caritas* as friendship with God. In so doing, he depicts friendship as the finality, the *telos* of the Christian life. Finally, the book aims to show how the retrieval of a proper theology of friendship rooted in Holy Scripture and Christian tradition can enrich the life of an authentic Christian and contribute to the ongoing process of renewing moral theology.
