Jesus Christ And Christian Vision:

Jesus Christ and Christian Vision Douglas F. Ottati, 1995-04-15 Those interested in Christian ethics hermeneutics pragmatic philosophy American theology and historicism will find this book an essential addition to their libraries **The Holy Word for Morning Revival - The Vision, Practice, and Building Up of the Church as the Body of Christ** Witness Lee, This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Toronto Canada on October 9 11 2014 The general subject of the training was The Vision Practice and Building Up of the Church as the Body of Christ Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ

Engaging God's World Cornelius Plantinga, 2002-02-07 The Bible admonishes Christians to love God with the mind as well as with the heart Engaging God's World clearly links this scriptural mandate with the pursuit of academic life extolling the crucial role of Christian higher education in the intellectual and spiritual formation of believers Chiefly intended to serve as a primer for students beginning college careers but valuable to thoughtful Christians at every stage of life this volume spells out the central themes of the Christian faith from a Reformed perspective More important however the book shows how Christian higher education fits inside a view of the world and of human life that is formed by these ideas Learning Cornelius Plantinga writes is a spiritual calling properly done it attaches us to God Approaching the topic of education from a variety of angles Plantinga shows that Christ centered learning teaches people to correctly see the world as God's creation to see providence in history to handle secular knowledge critically to develop good judgment and ultimately to use faith filled learning in the service of God's kingdom Jesus, a New Vision Marcus J. Borg, 1987 This book attempts in a scholarly and nondogmatic way to say This is what the historical Jesus was like this is what he taught and this is what his mission was about It seeks in short to sketch a portrait of what Jesus was like as a figure of history before his death A twofold purpose to present a synthesis of modern Jesus scholarship that is accessible to the general reader whether Christian or among the interested inquirers to make a serious scholarly case for a particular image of the historical Jesus that is considerably at variance with the dominant scholarly image The Vision of Matthew John P. Meier, 2004-09-30 In this volume Father Meier explores how Matthew remodeled the form the Christological message and the moral demand of the gospel Part I shows Matthew's church in crisis It was experiencing a shift in its Christian existence from a narrow Jewish Christian past to a universal Gentile future To preserve yet reinterpret the particularistic traditions of that Jewish Christian past Matthew drew up a model of salvation history and then reshaped the gospel message to fit it Part II offers a mini commentary on the whole gospel to illustrate this reshaping of the message Pericope by pericope Matthew presents Jesus as Son of God and Son of Man and therefore as the definitive teacher of his Church Indeed the nexus between Christ and his Church emerges as the

outstanding characteristic of Matthew's gospel Part III studies Matthew's construction of a unified moral vision on the basis of this connection between Christ and Church The basic stance of Jesus and his disciples towards the Mosaic Law is one of fulfillment a prophetic fulfillment which involves at times a deepening of at times the abrogation of the letter of the Law

Jesus: A New Vision Marcus J. Borg, 2009-10-13 From top Jesus expert Marcus Borg a completely updated and revised version of his vision of Jesus as charismatic healer sage and prophet a man living in the power of the spirit and dedicated to radical social change Fully revised and updated this is Borg's major book on the historical Jesus He shows how the Gospel portraits of Jesus historically seen make sense Borg takes into account all the recent developments in historical Jesus scholarship as well as new theories on who Jesus was and how the Gospels reflect that The original version of this book was published well before popular fascination with the historical Jesus Now this new version takes advantage of all the research that has gone on since the 80s The revisions establish it as Borg's big but popular book on Jesus The Great Dance C.

Baxter Kruger, 2005 The Great Dance is an astonishing vision of human life and the mystery of its intersection with the life of the Triune God Dr Kruger charts a course from the Trinity to the incarnation to the union of humanity with God in Jesus Christ In that light he offers a breathtaking interpretation of our human existence as participation in the life of the Father Son and Spirit He uncovers the untold dignity of our ordinary humanity from motherhood to baseball from relationships and music to golf gardening and designing lakes This is a book about who we are and why we are here and what is really happening in our lives Step by step Dr Kruger walks us through the stratagems of evil and the messes we make of our lives More important he explains why we hurt what we are really after and how to get there and why faith in Jesus Christ is so critical for abundant life The Great Dance is theology at its very best steeped in tradition yet unfamiliar and exciting even revolutionary deeply personal and honest yet universally relevant Written with pace and poetry and winsome grace The Great Dance is the voice of the ancient church speaking to us across the ages through the pen of a Southerner who loves life Baxter Kruger PhD Kings College University of Aberdeen is a theologian writer and fishing lure designer A native of Prentiss Mississippi he has worked as a minister to college students as a lecturer in theology and as an associate pastor He is an avid fisherman and golfer loves coaching little league baseball and has designed a range of fishing lures called Dr K's Klones He and his wife Beth have three children Baxter Laura and Kathryn

A Vision of Jesus R. T. Kendall, 2024 What if Genesis through Revelation is just the beginning of knowing who God is This book will guide you into a deeper understanding and intimacy with God as you study who He is as the resurrected King You will have a better grasp of the book of Revelation and who Jesus is revealed in this powerful part of Scripture The image we have of Jesus is one that affects the way we act as Christians and the way we take the gospel to the world That image has sometimes been reflected badly because we do not have a fully rounded image of the Jesus we love and worship Indeed some modern concepts of Jesus in the church would be difficult to worship In Revelation 1 Jesus appears in a vision given to the apostle John It is an awesome majestic vision The Bible perhaps intentionally doesn't

give us much information about what Jesus looked like in human form Yet here in John's apocalyptic book God gives us an image that transcends the incarnation an image of Jesus we can really focus on In *A Vision of Jesus* respected Bible teacher R T Kendall mines Revelation 1 to show readers The unique promise of the Book of Revelation What Revelation teaches us about how to handle guilt jealousy and the unexpected Who God is and how Jesus is the fulfilment of the Old Testament pictures as well as our great High Priest the King and more In these pages Kendall guides readers toward a faith enriched by a more complete image of the Savior Engaging and enlightening this book will inspire Christians to renew their devotion to Jesus and share His transformative love with the world

The Heavenly Vision Witness Lee, 2017-03-01 In Acts 26:19 the apostle Paul said I was not disobedient to the heavenly vision In this book I am burdened that we would see six visions the vision of Christ the vision of the church the vision of the Body the vision of the self the vision of the world and the vision of consecration

Hope for the World Roland Chia, 2016 Hope is essential to human life Without hope humanity plunges into despair and life can lose all purpose and meaning Hope energizes people and communities and also produces forbearance and patience In this clear and accessible survey which incorporates Asian perspectives Roland Chia shows how Christian hope presses beyond the limits of both secular and religious world views and confronts the reality of pain suffering and death in the light of the crucifixion and resurrection of Jesus Christ It is hope for God and in God

The Christian Vision of Humanity John Randall Sachs, 1991 The incredible technical achievements of recent history may make us feel little less than gods but we also find much that cuts us down When we face our own limits and failures upon what or whom can we rely The biblical answer to questions about the ultimate nature and meaning of human life begins with the experience of Semitic slaves led out of Egyptian slavery beautifully recounted in Deuteronomy 26:5-11 The New Testament presents Jesus as the culmination of God's Old Testament promise Christian faith has a particular Vision of the world and of humanity founded upon the relationship between God and creation Its key elements are found in the inviolable dignity of every person the essential centrality of community and the significance of human action These are the main themes of a Christian anthropology developed in this book

Simply Jesus N. T. Wright, 2011-10-25 In *Simply Jesus* bestselling author and leading Bible scholar N T Wright summarizes 200 years of modern Biblical scholarship and models how Christians can best retell the story of Jesus today In a style similar to C S Lewis's popular works Wright breaks down the barriers that prevent Christians from fully engaging with the story of Jesus For believers confronting the challenge of connecting with their faith today and for readers of Timothy Keller's *The Reason for God* Wright's *Simply Jesus* offers a provocative new picture of how to understand who Jesus was and how Christians should relate to him today

Return to Jesus Pastor Curt Moore, 2011-09-07 We hear it said and preached constantly to live like Jesus to be like Jesus We are challenged to live for Jesus and not be conformed to the ways of the world But what does it really mean to live in such a way What does it mean to serve God through Jesus Christ If you think it is moral living only you'd be wrong If you think it's doing good deeds alone you'd be

wrong Maybe you truly do not know what it means to live like Jesus to be like Jesus RETURN TO JESUS A Vision of Self Giving Love will teach you to live as Christ lived and to be like Christ It is a call to renewal for the Christian church and to enhance your daily walk in Christ It will take you on a journey through the scripture and give you the tools to live in the self giving love which Jesus lived and taught Unlike many other books on love RETURN TO JESUS sets forth a scripture foundation and basis for following Jesus in living a life of agape or self giving love It also chronicles the author s journey to this realization of truth that was there in scripture all along The reader will come to see that love is not just a word to be bandied about but is agape This is the self giving love which Jesus not only lived and taught but is the basis for all God s laws and messages from scripture There will be renewed vision as you begin to understand the purpose that our Heavenly Father desired for your life from the beginning Thus you will become a more effective witness for Jesus as you learn to live your life as he did RETURN TO JESUS will teach you the fullness of the agape message and will forever change your view of what it means to be a Christian For some it will be an affirmation of something that has been stirring in their Spirit which they have not been able to fully understand or put into words For others it will be a completely different understanding of walking daily in Christ For everyone who receives and begins to live out this message their life in Christ will never be the same Below is an excerpt from the book that will give you an idea of the message which lies within
