Jesus Christ For Today's World:

Jesus Christ for Today's World Jürgen Moltmann, Margaret Kohl, 1995-08-21 Jürgen Moltmann formulates necessary questions about the significance of Jesus the Christ for persons today. He offers a compelling portrait of the earthly Jesus as the divine brother in our distress and suffering and points to the risen Christ as the warrant for the future in which God will restore everything and gather everything into his kingdom. Urging that acknowledgment of Christ and discipleship are two sides of the same coin, Moltmann contends that the question of Jesus Christ for today is not just an intellectual one. Moltmann takes fresh approaches to a number of crucial topics: Jesus and the kingdom of God, the passion of Christ and the pain of God, Jesus as brother of the tortured and the resurrection of Christ as hope for the world, the cosmic Christ, Jesus in Jewish-Christian dialogue, the future of God and others.

Yesterday's Sermons for Today's World Rev. Eldore F. Messerschmidt, 2022-03-09 This book is a compilation of seventy weekly sermons that follow the Lutheran Church Calendar Year. Written by Reverend Eldore F. Messerschmidt over fifty to sixty years ago, the things he discussed in his sermons back then still pertain to what is happening in our world today. Thus the name *Yesterday's Sermons for Today's World*. This is a great book for the shut-ins who no longer can attend weekly worship services or for the average person who needs a weekly inspirational pick-me-up.

Context and Contextuality Vyacheslav Tsvirinko, 2018-01-31 Since 1988 hundreds of thousands of evangelical Christians have migrated to the United States of America from former Soviet Union countries, establishing many Russian-speaking immigrant congregations across the country. This study analyzes how these immigrant churches function in their new cultural, social, and religious context. Dr. Vyacheslav Tsvirinko, a Russian who lived in the USA for over twenty-five years, examines the holism, authenticity, and contextuality of the mission work done by churches in the Pacific Coast Slavic Baptist Association (PCSBA) in America. He defines authentic mission in light of three major Christian groups: the World Council of Churches, the Lausanne Movement, and Anabaptists, and uncovers startling insights on how PCSBA churches engage in mission both back in their homeland and in the USA. The findings and conclusions of this work are invaluable to diasporic Christian communities who wish to address their authenticity in the way they do mission both internationally and in their local context, creating a path to more fruitful gospel and kingdom work.

Calling in Today's World Kathleen A. Cahalan, Douglas J. Schuurman, 2016-09-01 Comparative religious insights into the meaning of vocation in today's world. The concept of vocation or calling is a distinctively Christian concern grounded in the long-held belief that we find our meaning, purpose, and fulfillment in God. But what about religions other than Christianity? What does it mean for someone from another faith tradition to understand calling or vocation? In this book, contributors with expertise in Catholic and Protestant Christianity, Judaism, Islam, Hinduism, Buddhism, Confucianism, and Daoism, and secular humanism explore the idea of calling.

from these eight faith perspectives The contributors search their respective traditions sacred texts key figures practices and concepts for wisdom on the meaning of vocation Greater understanding of diverse faith traditions say Kathleen Cahalan and Douglas Schuurman will hopefully increase and improve efforts to build a better more humane world CONTRIBUTORS Mark Berkson Confucianism and Daoism Kathleen A Cahalan Catholicism Amy Eilberg Judaism John Kelsay Islam Edward Langerak Secularism Anantanand Rambachan Hinduism Douglas J Schuurman Protestantism Mark Unno Buddhism **The Zondervan 2026 Pastor's Annual** T. Assistant Secretary of Defense (Public Affairs), 1984 The Cross Martyn Lloyd-Jones, 1986-02-01 Ever since his first sermon in 1925 Martyn Lloyd Jones consistently emphasized the significance of Christ's sacrifice for our sake This new collection of sermons reveals this theme in Lloyd Jones classic expository style showing his gift for combining a warm personal devotion to Jesus Christ with deep theological insight His grasp of Scripture still causes the maturest believer to ponder yet he brings a simplicity of thought to his preaching that even a child can understand and enjoy The Cross explains how Christ's crucifixion works for our redemption and why this even is the cornerstone of the Christian life **Global Justice, Christology and Christian Ethics** Lisa Sowle Cahill, 2013-01-17 Global realities of human inequality poverty violence and ecological destruction call for a twenty first century Christian response which links cross cultural and interreligious cooperation for change to the Gospel This book demonstrates why just action is necessarily a criterion of authentic Christian theology and gives grounds for Christian hope that change in violent structures is really possible Lisa Sowle Cahill argues that theology and biblical interpretation are already embedded in and indebted to ethical political practices and choices Within this ecumenical study she explores the use of the historical Jesus in constructive theology the merits of Word and Spirit Christologies the importance of liberation and feminist theologies as well as theologies from the global south and also the possibility of qualified moral universalism The book will be of great interest to all students of theology religious ethics and politics and biblical studies **No Irrelevant Jesus** Gerhard Lohfink, 2014 Is Jesus relevant for today If you think not don't bother with this book But if you think that Jesus might have something to say to today's world which Jesus comes to mind Is he gentle Jesus meek and mild offering individual salvation but with no message

for a suffering world Is he to be remembered as a Zealot fighting for a hopeless cause or as an outstanding rabbi Was he a prophet in the long series of Israel s prophets or a religious founder like Muhammad or Gautama Or was Jesus unique a man utterly consumed by zeal for the reign of God by the fierce urgency of now the leader of a movement dedicated to God s cause but committed to nonviolence and living for others If we seek him can we find him in the churches In No Irrelevant Jesus Gerhard Lohfink author of the acclaimed Jesus of Nazareth explores these questions and offers a resounding yes to the relevance of Jesus today You Shall Not Condemn Jennifer M. McBride,2022-06-13 This book tells the story of Kelly Gissendaner the only woman on Georgia s death row until her execution in 2015 and highlights the role theological studies played in her faith and in advocacy efforts on her behalf Central to the book is the written correspondence between Kelly and German theologian Jurgen Moltmann known internationally as the theologian of hope After reading Moltmann s work in a course taught by McBride at the prison Kelly began a five year correspondence with him When Kelly was denied clemency a local and international advocacy movement arose that was rooted in her theological studies and friendship with him The advocacy campaign challenged Christians who supported the death penalty to re examine basic truths of Christian faith As it was unfolding the story of Kelly s transformation changed people s minds not only about her case but also about the death penalty itself Weaving together powerful storytelling and theological expertise McBride recounts that story again here with an aim toward abolition and offers practical ways that readers may enter the work **I Am a Mission on this Earth** Pope Francis,2025-07-15 **Encyclopedia of Women in Today's World** Mary Zeiss Stange,Carol K.
