*Jesus and the Gospels* Clive Marsh, Steve Moyise, 2006-06-23 An introduction to the Gospels this book explains why it is that scholars and lay people have such different understandings of the person of Jesus The first half of it looks at the main sources for the life of Jesus while the second half examines the criteria employed by scholars to determine the earliest forms of the tradition

Paul and Jesus Alexander J. M. Wedderburn, 2015-01-29 The relationship between the messages of Jesus and Paul once dubbed by one scholar the second founder of Christianity must count as one of the most central issues in the study of the New Testament The essays collected in this volume first survey the history of the study of this problem and look at some of the main evidence for supposing that the connection between Jesus and Paul was slight notably the paucity of Paul's references to Jesus teachings and his seeming disinterest in the earthly Jesus Other essays take up the question of the continuity between the teaching and the manner of life of the two men and raise the question how this continuity may have been mediated from one to the other A final essay raises the question how far Paul's statements about Christ were related to the earthly life of Jesus This volume brings together a number of substantial contributions to this question by Professor V P Furnish of Dallas by two scholars from the German Democratic Republic Professor N Walter and Dr C Wolff and by the editor

**Intervention Narratives** Purnima Bose, 2020-01-17 Intervention Narratives examines the contradictory cultural representations of the US intervention in Afghanistan that help to justify an imperial foreign policy These narratives involve projecting Afghans as brave anti communist warriors who suffered the consequences of American disengagement with the region following the end of the Cold War as victimized women who can be empowered through enterprise as innocent dogs who need to be saved by US soldiers and as terrorists who deserve punishment for 9 11 Given that much of public political life now involves affect rather than knowledge feelings rather than facts familiar recurring tropes of heroism terrorism entrepreneurship and canine love make the war easier to comprehend and elicit sympathy for US military forces An indictment of US policy Bose demonstrates that contemporary imperialism operates on an ideologically diverse cultural terrain to enlist support for the war across the political spectrum

**The Gene Factor** M. J. Manley, 2013-10 The Gene Factor by M J Manley portrays a youthful mission of the challenges to prove beyond a reasonable doubt that God manifests communications through the DNA of our very souls The novel is a breakthrough scientifically on how communications with a highly spiritual being God is manifest deep deep down into the very soul of transmission genetic factors the DNA cell Scientific discoveries show how communications through gene factors are transmitted The scripted discoveries in The Gene Factor tell how blessings prayers and having faith are communicated Manley states that The Gene Factor is the most revolutionary novel ever written about how God communicates man I have written I have researched and I have documented all the information that is within not without that our heavenly father fulfills all the blessings the prayers and the hopes of all mankind and all religions from DNA Deeply embedded in our DNA is where communications with God are sent and where our

heavenly father communicates back to us through the living cells and to answer our prayers The Gene Factor is written so the layman can understand but this concept is deeper than simply the story of genetic DNA To fully understand I must present my theory and do presentations and promote my premises by giving lectures and appearances      **Lord Jesus Christ** Larry W. Hurtado,2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century Lord Jesus Christ is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset s Kyrios Christos 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance but he also explores telling devotional practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the nomina sacra The revealing portrait that emerges from Hurtado s comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado s Lord Jesus Christ is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it      Abraham's Altars and Ours Grant C Brown,2023-03-01 Abraham s Altars and Ours is a great theological treatise and personal devotional and was written for several reasons First Grant Brown believes we need to be reminded that the altars Abraham erected during his lifetime were to commemorate Abraham s many experiences of God and using Abraham s example we should also preserve the remembrance of God s interventions in our own life and the life of our loved ones Secondly as you read this book you will be inspired and encouraged to see how the Lord personally and constantly involves himself in our life in many wonderful ways even when we find ourselves in the midst of trials and tribulations of one kind or another Finally as you continue to read the Lord will help you to choose which altars to build and also will help you tear down any ungodly ones you wish removed from your life      Popular Commentary of the Bible Paul Edward Kretzmann,1921      **The Ministry, Vol. 10, No. 04** Various Authors,2006-07-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2006

summer training on the Crystallization study of the Body of Christ held July 3 to 8 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in four statements 1 The divine economy is God s plan to dispense Christ into His chosen people to produce constitute and build up the organic Body of Christ 2 The unique oneness of the Body of Christ is the oneness of the Spirit the mingling of the processed Triune God with all the believers in Christ 3 The overcomers see the Body know the Body care for the Body honor the Body do the work of the Body and keep every principle of the Body 4 The overcomers live out and work out the New Jerusalem by the mingling of God with man for the oneness of the Body of Christ These messages are being published immediately following the training in order that they may benefit the saints participating in many video trainings that are held throughout the earth The Announcements section includes fellowship concerning the use of the Bower House property in London UK      **Northwestern Christian Advocate** ,1902

Sagoe-Nkansah,2017-12-07 Many Christian pundits agree the world is at a historic precipice and the cusp of an unprecedented move of the Holy Spirit It is Gods desire that no church Christian fellowship group team ministry or

association be left behind However both leaders and followers within Christianity tend to overlook a crucial factor that could undermine and upend the progress of their organizations in a fundamental way This is the depth of trustworthiness reposed within those who work serve and worship alongside them as they hunger and pursue the upcoming spiritual revival More than three decades of working within church and leadership training outfits has taught the author that measuring the fidelity within spiritual workers is as crucial as pursuing the vision of the organization itself The dysfunction of unfaithfulness or infidelity is not just a marital problem but is generally a corporate problem affecting the attitudes of individuals towards group goals aspirations dreams visions and values The potential for unfaithfulness hides within every corporate organization Sometimes in the most unlikely places such as churches it can rear its ugly head Confronting this issue is the responsibility of church group leaders senior pastors church workers and church members who must expunge all forms of infidelity from their midst if their organizations are to survive thrive and achieve lasting revival Through using specific biblical principles The Fidelity Factor tackles the subject of corporate church fidelity from a variety of angles empowering the reader to identify this problem and thus contribute to building stronger organizations those that can participate in the upcoming move of God

**The Speed of Favor** Tim Hill,2019-01-08 This book will keep you from living in fear of what s to come for the end times and instead embrace God s blessings on your family finances and your faith [The International Socialist Review](#) Algie Martin Simons,Charles H. Kerr,1901 **One Christ--Many Religions** S. J. Samartha,2015-06-29 Here is a wise radical and illuminating book on the obstacles that a rigid interpretation of orthodox christological doctrines presents to dialogue with persons of other faiths One Christ Many Religions examines religious pluralism today and in the light of its implications for the global community suggests the contours of a revised christology more credible to Christians and their neighbors of other faiths Samartha argues that the problem with the christological dogmas of the first Ecumenical Councils is not their truth so much as their interpretation and the un Christian zealotry they seem to engender in Christians Sensitive to charges of sentiments of racial and cultural superiority that stem from Christians believing themselves uniquely authorized agents of God Samartha challenges us to admit the truth of these accusations and to revise our understanding of Jesus Without such christological revisions Samartha fears Christianity may cease to be Christian may become enfeebled in the pursuit of justice for the oppressed alienated from the deeper challenge of Jesus sealed off from the truths of other religions and ultimately may be barred from experiencing the rich and mysterious encounter of God **The Humanity of Christ** James P. Haley,2017-10-12 This work is a critical analysis of Karl Barth s unique adoption of the concepts anhypostasis and enhypostasis to explain Christ s human nature in union with the Logos which becomes the ontological foundation that Barth uses to explain Jesus Christ as very God and very man The significance of these concepts in Barth s Christology first emerges in the Gottingen Dogmatics and is then more fully developed throughout the Church Dogmatics Barth s unique coupling together of anhypostasis and enhypostasis provides the ontological grounding flexibility and precision that so uniquely

characterizes his Christology As such Barth expresses the Word became flesh as the revelation of God that flows out of the coalescence of Christ's human nature with his divine nature as the mediation of reconciliation This ontological dynamic provides the impetus for Barth's critique of Chalcedon's static definition of the union of divine and human natures in Christ from which Barth transitions to an active definition of these two natures Not only does anhypostasis and enhypostasis explain the dynamic union between the divine and human natures in Christ but also the dynamic union between Jesus Christ and his Church which reaches its apex in the reconciliation of humanity with God in Christ The ontological foundation of anhypostasis and enhypostasis in Christ's union with his Church explains the importance of the royal man in understanding genuine human nature the exaltation of human nature and the sanctification of human nature *Religion and Generalised Trust* Handi Hadiwitanto, 2016 For most Indonesian citizens Muslims and Christians alike religion plays an important role in private and public life Against the backdrop of tacit and overt conflicts between religious groups in Indonesia this study examines the potential role of religion in building trust between people To what extent does religion induce or reduce trust between Muslims and Christians While religious communities are important socialising agencies for moral principles that may encourage trust religious identification may also be related to distrust towards others making trust a problematic issue in the context of interreligious relations This dissertation describes how trust is determined by religion in both positive and negative ways and how it can be seen as a crucial concept within the religious meaning system Series Interreligious Studies Vol 9 Subject Religious Studies Southeast Asian Studies Sociology

**Church Dogmatics The Doctrine of Reconciliation, Volume 4, Part 3.2** Karl Barth, Thomas Forsyth Torrance, 2004-01-30 Described by Pope Pius XII as the most important theologian since Thomas Aquinas the Swiss pastor and theologian Karl Barth continues to be a major influence on students scholars and preachers today Barth's theology found its expression mainly through his closely reasoned fourteen part magnum opus *Die Kirchliche Dogmatik* Having taken over 30 years to write the *Church Dogmatics* is regarded as one of the most important theological works of all time and represents the pinnacle of Barth's achievement as a theologian T T Clark International is now proud to be publishing the only complete English translation of the *Church Dogmatics* in paperback

**Penetrating God's World with the Gospel of Christ** Bennie Simmons, 2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you
