## **Jesus Principle Building Churches In The Likeness Of Christ:**

Jesus Principle Charles Russell Wade,1998-07-01      **The Last Grain of Salt** Dell Maestra,2013-05-07 The Last Grain is a testimony about a journey my family experienced a painful trek through sexual and emotional abuse and even through the valley of the shadow of death when my sister took her own life These two traumatic experiences sexual abuse and suicide carry so much social stigma as to constrain most to silent suffering It is my prayer that readers will be drawn out of their pain onto a path of healing I invite the reader to join me and begin his or her own journey of healing as it provides opportunity for biblical application and journaling of their own story The reader that may be one who feels victimized by abuse of any kind or knows someone who has experienced abuse As you read the book it is my prayer that you would transition to understanding that pain is a part of the fabric of who we are and makes us capable of comforting others because of that experience Readers who have lost a loved one to suicide will also be encouraged by the insights from our family s experience The basic themes I hope the reader will carry away from the experience of this journey will be the following 1 We each have a story of wounds 2 Our wounds need to be shared transparently 3 Wounds can heal with forgiveness Walking victoriously with our scars can bring encouragement and hope to others      *The House Church in God's Eternal Purposes* Theodore Andoseh,1900 The practice of church is witnessing a radical paradigm shift from mass gatherings aka megachurches to discipleship making organs In this book The House Church in God s Eternal Purposes Theodore Andoseh describes in a practical way what a house church is and all that goes into her form and expression House churches are the inns the inns of God They are the tabernacles of God The house church is a place to welcome people from the street wounded people people who have received only the first aid ministry House churches are there to care for heal nourish keep and watch over the people so that What was brought from the street does not go back there What was taken from the hand of the thief does not fall back into their hands If you are a house church leader or a leader of any organic community of believers at whatever stage and size then this book provides valuable material to help disciple them in an organic house setting It is both realigning and enlightening with a strong voice of Scripture It is a must read      Crucial Principles for the Christian Life and the Church Life Witness Lee,2007-02-01 This book covers two crucial matters the believers personal contact with the Lord as branches abiding in the vine and the vision and practice of the proper church life      **Spiritual Principles Build New Testament Churches** Robert Gee Witty,1986      **The Essential Books of Mormons - Complete Collection** William Alexander Linn,John Taylor,Joseph Fielding Smith,Wilford Woodruff,James E.
