Simply... Life Kevin M Blosser, 2016-08-15 Does it appear that the religion you've been sold has made promises that it hasn't delivered on Do you find yourself asking Is this all there is Do you feel like at this point your life has been marked with wasted or untapped potential Have you followed what you thought were the rules or five easy steps intended to improve the quality of life and relationships only to realize that your life and relationships remain unchanged and flirting with dysfunction Did you expect to gain a family yet find yourself adrift and alone One bible one collection of writings one central message yet there are literally thousands of Christian denominations world wide each with their own twist or agenda The truth is that the Father's objective of loving and liberating his kids and bringing them back into unity and freedom has been lost in a myriad of words man made regulations and convenient interpretations Buckle up you're about to be challenged head on with raw gut level dialogue that bypasses current Christian culture and empty religiosity Simply Life invites you to re-examine what it means to live your life in close communion with your Father and loving your neighbor while rediscovering a life of unparalleled freedom found at the Heart of the greatest story ever told
