Leon,1970 **The Jewish Question. A Marxist Interpretation. Introd. by E. Germain** Abraham Léon,1950 **The Jewish Question** Enzo Traverso,2018-10-16 In *The Jewish Question* History of a Marxist Debate Enzo Traverso explores the causes and the forms of the encounter that took place from the middle of the nineteenth century to the Holocaust between the intelligentsia of a cosmopolitan minority and the most radical ideological current of Western modernity From Karl Marx to the Frankfurt School the Jewish Question to a set of problems related to emancipation and anti Semitism cultural assimilation and Zionism raised significant controversies within Marxist theory Enzo Traverso carefully reconstructs this intellectual debate that runs over more than a century pointing out both its achievements and its blind alleys This is the second edition completely rewritten and updated of a book already translated into many languages originally published in French then translated into English German Spanish Japanese and Turkish *The Left's Jewish Problem* Dave Rich,2018-09-20 New updated edition of an important and timely critique of Anti Jewish sentiment on the left There is a sickness at the heart of left wing British politics and in recent years it has silently spread becoming ever more malignant Today it seems hard to believe that until the 1980s the British left was broadly pro Israel And while Jeremy Corbyn s leadership may have thrown a harsher spotlight on the crisis it is by no means a recent phenomenon The widening gulf between British Jews and the anti Israel left now allying itself with Islamist extremists who demand Israel s destruction did not happen overnight or by chance political activists made it happen This book reveals who they were why they chose Palestine and how they sold their cause to the left Based on new academic research Dave Rich s nuanced and thoughtful guide brings fresh insight to an increasingly fraught debate As the question becomes more urgent than ever this new fully updated edition taking in events since 2016 provides an essential guide to the left s increasingly controversial Jewish problem **On Socialists and "the Jewish Question" After Marx** Jack Jacobs,1992 This work explores the attitudes and ideologies of the late nineteenth and early twentieth century Marxist and social democratic intellectuals toward Zionism anti Semitism Jewish socialist movements and the nature and future of Jewry publisher description *The Marxists and the*

Jewish Question Enzo Traverso, 1994 The relationship of Marxism to the Jewish Question is far more complex than many have assumed Despite the Jewish backgrounds of several Marxists including Marx himself many showed a sense of indifference toward a sense of Jewishness Yet an increasingly virulent anti-Semitism affecting sections of the working class and culminating in the Holocaust and in the growing strength of Zionism became a problem that numerous Marxist thinkers were compelled to consider In addition to examining the works of Marx Karl Kautsky Leon Trotsky Ber Borokhov Abram Leon and figures associated with the Frankfurt School Traverso also investigates the actual policies in the socialist and communist movements and sensitively explores the unique history of the Jewish workers movement in various countries **Routledge**
