and Jews Manchester

Jewish-Christian Relations since the Second World War

A Miracle In Our Lifetime?

Picture: Chief Rabbi of Rome Elia Ta'af welcomes Pope John Paul II to the synagogue in Rome in 1986; this momentous visit was both historic and unprecedented

David Arnold, Sister Teresa Brittain NDS and Revd Canon Steve Williams will explore how and why Jewish-Christian relations changed forever in the aftermath of World War 2.

- What do these changes mean today for the Christian community's life and teaching?
- What do they mean today for the Jewish community's growth and flourishing?
- How can we deepen and extend the benefit of these momentous changes and thus become a blessing to all our communities and to the world?

**Wednesday 22 March 2023 at 7.30 p.m. at
a North Manchester venue**

Please register in advance - and we will disclose the location to you the day before the meeting. No charge for admission. A donation of £5 at the door will help us cover our costs.

Jewish Christian Relations Since The Second World War

Matt Jackson-McCabe

Jewish Christian Relations Since The Second World War:

Jewish-Christian Relations Since the Second World War Geoffrey Wigoder, 1988 The five sections of the book are entitled Christian Attitudes to Judaism and the Jews Jewish Attitudes to the Dialogue The Vatican and the Jews Israel in the Dialogue The Dialogue in Israel Ch 3 discusses the Nostra Aetate declaration 1965 The Churches undertook the revision of many religious teachings in order to eliminate the traditional antisemitic stereotype of the Jews Not enough however is being done in either Jewish or Christian education to build up understanding of the values and beliefs of the other The appendix pp 143 167 contains documents statements by the Vatican Nostra Aetate the Guidelines the Notes and the World Council of Churches Christian-Jewish Relations Through the Centuries Stanley E. Porter, Brook W. Pearson, 2004-12-19 Christian Jewish relations have had changing fortunes throughout the centuries Occasionally there has been peace and even mutual understanding but usually these relations have been ones of tension often involving recrimination and even violence This volume addresses a number of the major questions that have been at the heart and the periphery of these tenuous relations through the years The volume begins with a number of papers discussing relations as Christianity emerged from and defined itself in terms of Judaism Other papers trace the relations through the intervening years And a number of papers confront issues that have been at the heart of the troubled twentieth century In all these papers address a sensitive yet vital set of issues from a variety of approaches and perspectives becoming in their own way a part of the ongoing dialogue *Jews and Christians Together* Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions *Jews and Christians Together* delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect *Christian Antisemitism* William Nicholls, 1995 In *Christian Antisemitism A History of Hate* Professor William Nicholls a former minister in the Anglican Church and the founder of the Department of Religious Studies at the University of British Columbia presents his stunning research stating that Christian teaching is primarily responsible for antisemitism As Nicholls states these conclusions can now be fully justified by the most up to date scholarship Christian as well as Jewish Nicholls writes Many Jewish writers have said quite simply that the Nazis chose the Jews as the target of their hate because two thousand years of

Christian teaching had accustomed the world to do so Few Christian historians and theologians have been sufficiently open to the painful truth to accept this explanation without considerable qualification Nevertheless it is correct Christian Antisemitism traces over two millennia the growing domination of Western culture by the Christian myth as Nicholls calls it about the Jews and shows how it still exerts a major influence even on the secularized post Christian world Nicholls shows through scrupulous research and documentation that the myth of the Jews as Christ killers has powered anti Judaism and antisemitism throughout the centuries Nicholls clearly illustrates that this myth is present in the New Testament and that it has not yet died under the impact of modern critical history Also included in this remarkable volume is Nicholls research regarding the Jewishness of Jesus He writes Historical scholarship now permits us to affirm with confidence that Jesus of Nazareth was a faithful and observant Jew who lived by the Torah and taught nothing against his own people and their faith the Romans not the Jews were the Christ killers In Part I Before the Myth Nicholls explores the life of Jesus and his teachings as found in the New Testament Was Jesus the founder of Christianity Did he offer teachings against his people Did he believe himself

Bibliography On Holocaust Literature Abraham J Edelheit,2021-11-28 In this second supplement to their Bibliography on Holocaust Literature the authors have compiled 4000 new entries to keep pace with the outpouring of literature on the subject Readers attention is directed to new materials and to items newly available including books pamphlets and journal articles many of which are catalogued for the first time There is a new section on Soviet anti Semitism and expanded coverage of neo Nazism neo fascism

Lincoln's Political Ambitions, Slavery, and the Bible Edwin D. Freed,2012-07-01 Abraham Lincoln did not take his family Bible to the White House And the reason he did not use the Bible in his first inaugural address was not because it failed to arrive in his baggage Freed concentrates on what Abraham Lincoln himself says instead of what others say about him which yields insights into understanding Lincoln s speech before the Young Men s Lyceum his reply to the Loyal Colored People of Baltimore and his Second Inaugural Address The author shows that much of what has been written about Lincoln s knowledge of the Bible and its influence on his thought is myth Although his language was replete with vocabulary from the Bible Lincoln s knowledge of it was superficial and he did not use the Bible to promote religion He was always a politician but with a moral sensitivity With the Declaration of Independence and the US Constitution he used the Bible to help him achieve his political ambitions and to support the emancipation of slaves A unique book on a subject never treated so thoroughly this is a must read for all Lincoln admirers

Encyclopedia of Modern Jewish Culture Glenda Abramson,2004-03-01 The Encyclopedia of Modern Jewish Culture is an extensively updated revision of the very successful Companion to Jewish Culture published in 1989 and has now been updated throughout Experts from all over the world contribute entries ranging from 200 to 1000 words broadly covering the humanities arts social sciences sport and popular culture and 5000 word essays contextualize the shorter entries and provide overviews to aspects of culture in the Jewish world Ideal for student and general readers the articles and biographies have been written by scholars and

academics musicians artists and writers and the book now contains up to date bibliographies suggestions for further reading comprehensive cross referencing and a full index This is a resource no student of Jewish history will want to go without

American Judaism Jonathan D. Sarna, 2019-06-25 Jonathan D Sarna's award winning *American Judaism* is now available in an updated and revised edition that summarizes recent scholarship and takes into account important historical cultural and political developments in American Judaism over the past fifteen years Praise for the first edition Sarna has written the first systematic comprehensive and coherent history of Judaism in America one so well executed it is likely to set the standard for the next fifty years Jacob Neusner *Jerusalem Post* A masterful overview Jeffrey S Gurock *American Historical Review* This book is destined to be the new classic of American Jewish history Norman H Finkelstein *Jewish Book World* Winner of the 2004 National Jewish Book Award *Jewish Book of the Year* *The Oxford Dictionary of the Jewish Religion* Adele Berlin, 2011 The *Oxford Dictionary of the Jewish Religion* has been the go to resource for students scholars and researchers in Judaic Studies since its 1997 publication Now The *Oxford Dictionary of the Jewish Religion* Second Edition focuses on recent and changing rituals in the Jewish community that have come to the fore since the 1997 publication of the first edition including the growing trend of baby naming ceremonies and the founding of gay lesbian synagogues Under the editorship of Adele Berlin nearly 200 internationally renowned scholars have created a new edition that incorporates updated bibliographies biographies of 20th century individuals who have shaped the recent thought and history of Judaism and an index with alternate spellings of Hebrew terms Entries from the previous edition have been revised new entries commissioned and cross references added all to increase ease of navigation research Provided by publisher **Christianity in Western and Northern Europe** Todd M. Johnson, Annemarie C Mayer, Kenneth R. Ross, 2024-04-30 Although the origins of Christianity lie in the Near East Europe and Christianity have an exceptional relationship since most Europeans perceive Christianity as a Western more precisely as a European religion The region has seen rapid social change in the 21st century set off by factors including energy crisis and environmental awareness poverty and exclusion falling birthrates and increased migration changing attitudes to sexuality gender and family life and challenges to Europe's idea of itself and place in the global order Amidst all this flux this volume focuses on one particular issue the rapidly changing profile of the Christian faith that has shaped the life of the European continent for a millennium and more At a time when patterns of Christian life and worship appear to be dying out yet traces of new life are also appearing this volume maps out the current reality of Christianity in Western and Northern Europe with all its questions and uncertainties *The Church and Other Faiths* Douglas Pratt, 2010 This book investigates the coming to be principal features and theological outcomes of interreligious dialogue as an activity of the World Council of Churches WCC and the Roman Catholic Church Vatican The embrace of dialogical engagement represents a dramatic departure from almost two millennia of hostile Christian regard toward other faiths The development of this phenomenon is outlined and explored with research focussed on the work of relevant offices of

the WCC and the Vatican during the final four decades of the 20th century A principal task has been to construct a comparative narrative that provides the basis for a close analysis and assessment of policy and practice together with theological reflection and critique A hypothesis of three dimensions or theological moments that constitute a theology of dialogue has both informed and been tested by the undergirding research The conclusion suggests that the more inclusive term interfaith engagement today better encapsulates the ongoing field of concern action and theological reflection with respect to Christian relations to other religions and that a model of transcendental dialogue is now requisite for the future of this engagement

Theologies of Liberation in Palestine-Israel Lisa Isherwood, Nur Masalha, 2014-08-28 Theologies of Liberation in Palestine Israel is a challenging collection of essays concerned with the development of contextualized theologies of liberation in Palestine and the indigenous Palestinian people s struggle for justice and liberation The innovation of the work stems from the inclusion of indigenous perspectives within its remit and the introduction of new concepts such as civil liberation theology The collection offers other ways to look at biblical discourses and their impact on the ongoing conflict ways to live peacefully ways to be ethical when visiting these conflicted lands understandings of resource ethics and even a new way to understand how we approach our understanding of liberation theology Contributors include well known scholars from Muslim Jewish Christian Palestinian Israeli Indian American and British backgrounds This work goes beyond typical academic collections vast in scope it will be informative not only to scholars and students but also to peace activists and policymakers It should be of use not only in academic courses but also for practitioners of conflict resolution peace and reconciliation

Intersecting Pathways Marc Aaron Krell, 2003 Marc A Krell analyzes the theologies of four twentieth century Jewish thinkers Hans Joachim Schoeps Franz Rosenzweig Richard Rubenstein and Irving Greenberg who have constructed theologies based on their interaction with Christian thought and culture Their work reflects a common attempt to understand the impact of Christian culture on the historical events prior to and following the Holocaust and to reevaluate the relationship between the two religions in light of a history of theological anti Judaism and modern racial antisemitism

The Bonhoeffer Legacy Stephen R. Haynes, Stephen Haynes whose volume The Bonhoeffer Phenomenon probed the many conflicting ways in which Bonhoeffer has been understood by Christians for their own uses now brings new clarity to the vexed and controversial question of Bonhoeffer s relationship to Jews and the Jewish people Haynes s text analyzes the historical record and Bonhoeffer s maturing theology and offers an analysis of Bonhoeffer himself his work and his legacy for a generation learning from the Holocaust

BOOK JACKET *The Oxford Companion to Christian Thought* Adrian Hastings, Alistair Mason, Hugh S. Pyper, 2000-12-21 Embracing the viewpoints of Catholic Protestant or Orthodox thinkers of conservatives liberals radicals and agnostics Christianity today is anything but monolithic or univocal In The Oxford Companion to Christian Thought general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought Indeed the 260 contributors who hail from twenty countries

represent as wide a range of perspectives as possible Here is a comprehensive and authoritative though not dogmatic overview of the full spectrum of Christian thinking Within its 600 alphabetically arranged entries readers will find lengthy survey articles on the history of Christian thought on national and regional traditions and on various denominations from Anglican to Unitarian There is ample coverage of Eastern thought as well examining the Christian tradition in China Japan India and Africa The contributors examine major theological topics such as resurrection the Eucharist and grace as well as controversial issues such as homosexuality and abortion In addition short entries illuminate symbols such as water and wine and there are many profiles of leading theologians of non Christians who have deeply influenced Christian thinking including Aristotle and Plato and of literary figures such as Dante Milton and Tolstoy Most articles end with a list of suggested readings and the book features a large number of cross references The Oxford Companion to Christian Thought is an indispensable guide to one of the central strands of Western culture An essential volume for all Christians it is a thoughtful gift for the holidays

Jewish Christianity Matt Jackson-McCabe,2020-06-23 A fresh exploration of the category Jewish Christianity from its invention in the Enlightenment to contemporary debates For hundreds of years historians have been asking fundamental questions about the separation of Christianity from Judaism in antiquity Matt Jackson McCabe argues provocatively that the concept Jewish Christianity which has been central to scholarly reconstructions represents an enduring legacy of Christian apologetics Freethinkers of the English Enlightenment created this category as a means of isolating a distinctly Christian religion from what otherwise appeared to be the Jewish culture of Jesus and the apostles Tracing the development of this patently modern concept of a Jewish Christianity from its origins to early twenty first century scholarship Jackson McCabe shows how a category that began as a way to reimagine the apologetic notion of an authoritative original Christianity continues to cause problems in the contemporary study of Jewish and Christian antiquity He draws on promising new approaches to Christianity and Judaism as socially constructed terms of identity to argue that historians would do better to leave the concept of Jewish Christianity behind

Palestinian Christians and the Old Testament Will Stalder,2015-06-01 The foundation of the modern State of Israel in 1948 was spiritually catastrophic for many Palestinian Christians The characters names events and places of the Old Testament took on new significance with the newly formed political state vast portions of the text became difficult Stalder asks how Palestinian Christians have read the Old Testament in the period before and under the British Mandate and in light of the foundation of the modern State of Israel outlining a future hermeneutic that respects religious communities without writing off the Old Testament prematurely

Polemical and Exegetical Polarities in Medieval Jewish Cultures Ehud Krinis,Nabih Bashir,Sara Offenberg,Shalom Sadik,2021-10-25 In his academic career that by now spans six decades Daniel J Lasker distinguished himself by the wide range of his scholarly interests In the field of Jewish theology and philosophy he contributed significantly to the study of Rabbinic as well as Karaite authors In the field of Jewish polemics his studies explore Judeo Arabic and Hebrew texts

analyzing them in the context of their Christian and Muslim backgrounds His contributions refer to a wide variety of authors who lived from the 9th century to the 18th century and beyond in the Muslim East in Muslim and Christian parts of the Mediterranean Sea and in west and east Europe This Festschrift for Daniel J Lasker consists of four parts The first highlights his academic career and scholarly achievements In the three other parts colleagues and students of Daniel J Lasker offer their own findings and insights in topics strongly connected to his studies namely intersections of Jewish theology and Biblical exegesis with the Islamic and Christian cultures as well as Jewish Muslim and Jewish Christian relations Thus this wide scoped and rich volume offers significant contributions to a variety of topics in Jewish Studies **Anti-Judaism and**

Early Christian Identity Miriam S. Taylor, 2022-06-08 Against the scholarly consensus that assumes early Christians were involved in a rivalry for converts with contemporary Jews this book shows that the target of patristic writers was rather a symbolic Judaism and their aim was to define theologically the young church's identity In identifying and categorizing the hypotheses put forward by modern scholars to defend their view of a Jewish Christian conflict this book demonstrates how current theories have generated faulty notions about the perceptions and motivations of ancient Christians and Jews Beyond its relevance to students of the early church this book addresses the broader question of Christian responsibility for modern anti-Semitism It shows how the focus on a supposedly social rivalry obscures the depth and disquieting nature of the connections between early anti-Judaism and Christian identity Challenges in Jewish-Christian Relations James K Aitken, Edward Kessler, 2006 James K Aitken and Edward D Kessler have assembled here a widely diverse collection of essays on Jewish Christian relations a discipline that compared with other subjects studied in university and religious circles is relatively young Jewish Christian relations is a complex enterprise that cannot be reduced to simple theological or historical narratives it must take into account politics sociology education language history biblical studies hermeneutics and theology The contributors view their particular subject through the lens of all of these disciplines while ably meeting the challenge of looking toward the future Chapter One Introduction James K Aitken and Edward D Kessler Chapter Two Jews Facing Christians The Burdens and Blindness of the Past Marc Saperstein Chapter Three The Bible in Future Jewish Christian Relations John F A Sawyer Chapter Four The Orthodox Churches in Dialogue with Judaism Nicholas de Lange Chapter Five Jewish Russian Orthodox Christian Dialogue Irina Levinskaya Chapter Six Catholic Jewish Agendas Remi Hoeckman OP Chapter Seven Institutional Relations in Jewish Christian Relations Rev Friedhelm Pieper Chapter Eight The New Europe Nationalism and Jewish Christian Relations David Weigall Chapter Nine Israel within Jewish Christian Relations Andrew P B White Chapter Ten The Effect of the Holocaust on Jewish Christian Relations Stephen D Smith Chapter Eleven A Third Epoch The Future of Discourse in Jewish Christian Relations Peter Ochs and David F Ford Chapter Twelve Women's Voices in Jewish Christian Relations Christine Trevett Chapter Thirteen Considering a Jewish Statement on Christianity Edward Kessler and James K Aitken The Significance of Dabru Emet Edward Kessler What Does Christianity in Jewish Terms Mean
