**Chaya T. Halberstam**

## **Jews On Trial:**

**Jews on Trial** Ori Z. Soltes, 2013 Ori Soltes delivers a concise and extensive review of the history of Christian Jewish relations that examines that relationship from a legal and quasi legal perspective

**Judaism on Trial** Nathan T. Lopes Cardozo, 2000 Arguing that science anti religious philosophy are not responsible for the decline of Judaism Rabbi Cardozo says it is those who teach it that make Judaism appear irrelevant to the needs problems of modern man Jewish law custom are taught as a dogmatic creed no longer contains the exciting spontaneity of worship while remaining formalistic replacing love with habit Instead the author believes that Judaism must reflect deep compassion to recapture the flowing fountain of a glorious tradition if not all becomes meaningless

**Judaism on Trial** Hyam Maccoby, 2018

**Judaism on Trial** Barnett Peretz Hartston, 1999

**Jews on trial** Katherine Aron-Beller, 2020-02-28 This electronic version has been made available under a Creative Commons BY NC ND open access license Jews on trial concentrates on Inquisitorial activity during the period which historians have argued was the most active in the Inquisition s history the first forty years of the tribunal in Modena from 1598 to 1638 the year of the Jews enclosure in the ghetto Scholars have in the past tended to group trials of Jews and conversos in Italy together This book emphasises the fundamental disparity in Inquisitorial procedure as well as the evidence examined and argues that this was especially true in Modena where the secular authority did not have the power during the period in question to reject or even significantly monitor Inquisitorial trial procedure It draws upon the detailed testimony to be found in trial transcripts to analyse Jewish interaction with Christian society in an early modern community This book will appeal to scholars of inquisitorial studies social and cultural interaction in early modern Europe Jewish Italian social history and anti Semitism

**The Trial of Jesus from Jewish Sources** Aaron Phinias Drucker, 1907

***Trial Stories in Jewish Antiquity*** Chaya T. Halberstam, 2024-05-21 What can early Jewish courtroom narratives tell us about the capacity and limits of human justice By exploring how judges and the act of judging are depicted in these narratives Trial Stories in Jewish Antiquity Counternarratives of Justice challenges the prevailing notion both then and now of the ideal impartial judge As a work of intellectual history the book also contributes to contemporary debates about the role of legal decision making in shaping a just society Chaya T Halberstam shows that instead of modelling a system in which lofty inaccessible judges follow objective and rational rules ancient Jewish trial narratives depict a legal practice dependent upon the individual judge s personal relationships reactive emotions and impulse to care Drawing from affect theory and feminist legal thought Halberstam offers original readings of some of the most famous trials in ancient Jewish writings alongside minor case stories in Josephus and rabbinic literature She shows both the consistency of a counter tradition that sees legal practice as contingent upon relationship and emotion and the specific ways in which that perspective was manifest in changing times and contexts

**The Trial and Crucifixion of Jesus** David W. Chapman, Eckhard J. Schnabel, 2019-01-01 The Trial and Crucifixion of Jesus is a comprehensive sourcebook for those looking to gain a more robust understanding of this event

through the eyes of ancient writers Featuring extrabiblical primary texts along with a new translation and commentary by David W Chapman and Eckhard J Schnabel this work is relevant for understanding Jesus last days The significance of Jesus death is apparent from the space that Matthew Mark Luke and John devote to the Passion narrative from the emphasis of many speeches in the book of Acts and from the missionary preaching and the theology of the apostle Paul Exegetical discussions of Jesus trial and death have employed biblical Old Testament and extrabiblical texts in order to understand the events during the Passover of AD 30 that led to Jesus execution by crucifixion The purpose of this book is to publish the primary texts that have been cited in the scholarly literature as relevant for understanding Jesus trial and crucifixion The texts in the first part deal with Jesus trial and interrogation before the Sanhedrin and the texts in the second part concern Jesus trial before Pilate The texts in part three represent crucifixion as a method of execution in antiquity For each document the authors provide the original text Hebrew Aramaic Greek or Latin a translation and commentary The commentary describes the literary context and the purpose of each document in context before details are clarified along with observations on the contribution of these texts to understanding Jesus trial and crucifixion **Sinners on Trial** Magda

Teter,2011-05-01 In post Reformation Poland the largest state in Europe and home to the largest Jewish population in the world the Catholic Church suffered profound anxiety about its power after the Protestant threat Magda Teter reveals how criminal law became a key tool in the manipulation of the meaning of the sacred and in the effort to legitimize Church authority The mishandling of sacred symbols was transformed from a sin that could be absolved into a crime that resulted in harsh sentences of mutilation hanging decapitation and principally burning at the stake Teter casts new light on the most infamous type of sacrilege the accusation against Jews for desecrating the eucharistic wafer These sacrilege trials were part of a broader struggle over the meaning of the sacred and of sacred space at a time of religious and political uncertainty with the eucharist at its center But host desecration defined in the law as sacrilege went beyond anti Jewish hatred to reflect Catholic Protestant conflict changing conditions of ecclesiastic authority and jurisdiction and competition in the economic marketplace Recounting dramatic stories of torture trial and punishment this is the first book to consider the sacrilege accusations of the early modern period within the broader context of politics and common crime Teter draws on previously unexamined trial records to bring out the real life relationships among Catholics Jews and Protestants and challenges the commonly held view that following the Reformation Poland was a state without stakes uniquely a country without religious persecution Truth on Trial Andrew T. Lincoln,2019-09-25 Religious truth has always been in dispute but there are certain

times and places in which the debate has been more intense One such period was the first century CE when the rapid spread of Christianity with its claims about Jesus produced considerable ferment The Gospel of John written late in that century presents that dispute with greater clarity than any other document of the time John presents a Jesus who claims not only to tell the truth but also to be the truth And yet as the Roman magistrate asks Jesus in John s gospel what is truth Two millennia

later in the Western world pluralism and postmodernism radically challenge traditional notions of truth Is there any truth beyond the formal logic of merely analytical propositions And if there is do humans have any way of knowing it Many who have a postmodern perspective deny that either rationality or imagination can give us access to the truth Instead they adopt a throughgoing incredulity toward metanarratives Truth is again on trial The Trial of Judaism in Contemporary Jewish Writing Josephine Zadovsky Knopp,1974 Only Chester who has literally fallen into a job at the Supreme Souvenir Factory can save it from being taken over by the sinister and greedy Mr Sashwayte *The Trial of a Nazi Doctor* Andrew Wisely,2024-05-01 The Trial of a Nazi Doctor examines the life of Franz Bernhard Lucas 1911 1994 an SS camp doctor with assignments in Auschwitz Mauthausen Stutthof Ravensbr ck and Sachsenhausen Covering his career during the Third Reich and then his prosecution after 1945 especially in the Frankfurt Auschwitz trial Andrew Wisely explores the lies obfuscations misrepresentation and confusions that Lucas himself created to deny distract from or excuse his participation in the Nazi s genocidal projects By juxtaposing Lucas s own testimonies and those of a wide range of witnesses former camp inmates and Holocaust survivors friends colleagues and relatives and media observers Wisely provides a nuanced study of witness testimonies and the moral identity of Holocaust perpetrators **The Trial of Jesus** D.R. Catchpole,2022-07-04 **The Eichmann Trial Reconsidered** Rebecca Wittmann,2021-10-01 The Eichmann Trial Reconsidered brings together leading authorities in a transnational international and supranational study of Adolf Eichmann who was captured by the Israelis in Argentina and tried in Jerusalem in 1961 The essays in this important new collection span the disciplines of history film studies political science sociology psychology and law Contributing scholars adopt a wide historical lens pushing outwards in time and space to examine the historical and legal influence that Adolf Eichmann and his trial held for Israel West Germany and the Middle East In addition to taking up the question of what drove Eichmann contributors explore the motivation of prosecutors lawyers diplomats and neighbouring countries before during and after the trial ended The Eichmann Trial Reconsidered puts Eichmann at the centre of an exploration of German versus Israeli jurisprudence national Israeli identities and politics and the conflict between German Israeli and Arab states *Genocide on Trial* Donald Bloxham,2001 When the Allies decided to try German war criminals at the end of World War II they were attempting not only to punish the guilty but also to create a record of what had happened in Europe This ground breaking new study shows how Britain and the United States went about inscribing the history of Nazi Germany and the effect their trial and occupation policies had on both long and short term memory in Germany and Britain Donald Bloxham here examines the actions and trials of German soldiers and policemen the use of legal evidence the refractory functions of the courtroom and Allied political and cultural preconceptions of both Germanism and of German criminality His evidence shows conclusively that the trials were a failure the greatest of all crimes against humanity the final solution of the Jewish question was largely written out of history in the post war era and the trials failed to transmit the breadth of German criminality Finally with reference to the historiography of the Holocaust

Genocide on Trial illuminates the function of the trials in perpetuating misleading generalizations about the course of the Holocaust and the nature of Nazism

**Holman Illustrated Bible Dictionary** Chad Brand, Eric Mitchell, Holman Reference Editorial Staff, 2015-11 For 25 years the Holman Illustrated Bible Dictionary has been the go to Bible reference resource for lay Bible students teachers pastors academic courses and libraries Now this bestselling dictionary has been UPDATED with 200 new articles and over 500 new photos compiling a collection of over 6 500 articles from Aaron to Zuzite are written so as to equip the reader for greater competence in understanding and interpreting the Scriptures TAn excellent companion to the Holman Illustrated Bible Commentary

The Trial and Death of Jesus Geert van Oyen, Tom Shepherd, 2006 What is the significance of the trial and death of Jesus in the Gospel of Mark The contributions presented here represent an up to date expression of one of the most important themes in Markan exegesis The editors use the metaphor of a prism to illustrate the two sections of the book Like a concave prism spreading light the first section presents a range of understandings of the meaning of the death of Jesus Like a convex prism focusing light the second section uses multiple methodologies to focus attention on the trial of Jesus The papers together raise questions challenge common views and interrelate themes that push Markan scholarship forward

The Trial of Jesus from Jewish Sources Aaron Phinias Drucker, 1907

**Johannine Sabbath Conflicts as Juridical Controversy** Martin Asiedu-Pepurah, 2001 There is unanimity among Johannine scholars that one distinctive characteristic of the Fourth Gospel is the fact that the evangelist presents Jesus as caught in long drawn out juridical confrontations between himself and the Jews Martin Asiedu Pepurah examines the two Sabbath conflict narratives in the Fourth Gospel from a narrative critical perspective and thus takes a fresh look at the Johannine juridical metaphor In doing so he attempts to pursue a three fold objective First he determines the precise nature of the juridical metaphor used in the two narratives and on the strength of it he undertakes a critical reading of the texts under study with the view to shedding new light on their meaning Then he examines the role of this specific juridical metaphor in the two narratives The question here is for what purpose and how is this specific juridical metaphor used within the narrative framework of the two narratives Finally he explores the historical setting of the two narratives and infers from it the social function the juridical metaphor would have played within the Johannine Sitz im Leben In the light of his results Martin Asiedu Pepurah makes an attempt to examine very briefly the entire section of John 5 1 10 42 to see if the presence of the juridical controversy pattern in this section can throw light on one crucial issue in Johannine research namely the purpose of the Gospel in its present form
