

It took 5 hours every morning to make Caroline and Nick look like elderly people in their seventies.

They were given synthetic wrinkled skin, false teeth, and gray wigs.

They also wore body suits to make them look fatter and contact lenses to make their eyes look older.

The discomfort of the makeup, the heavy suits, and the contact lenses gave them a small taste of physical problems.

They were also coached to walk and speak like people in their seventies.

Then they had to live each day, for a month, as an old person, with a video diary to record their experiences.

*Q: The more you take, the more you leave behind.
What are they?*

It took 5 hours every morning to make Caroline and Nick look like elderly people in their seventies.

They were given synthetic wrinkled skin, false teeth, and gray wigs.

They also wore body suits to make them look fatter and contact lenses to make their eyes look older.

The discomfort of the makeup, the heavy suits, and the contact lenses gave them a small taste of physical problems.

They were also coached to walk and speak like people in their seventies.

Then they had to live each day, for a month, as an old person, with a video diary to record their experiences.

Q: What word begins and ends with an E but only has one letter?
