**The Comics Journal** ,2003 **Hergé, Son of Tintin** Benoit Peeters,2012 Author of the critically acclaimed Tintin and the World of Herg and the last person to interview Remi Benoit Peeters tells the complete story behind Herg s origins and shows how and why the nom de plume grew into a larger than Remi personality as Tintin s popularity exploded Drawing on interviews and using recently uncovered primary sources for the first time Peeters reveals Remi as a neurotic man who sought to escape the troubles of his past by allowing Herg s identity to subsume his own As Tintin adventured Herg lived out a romanticized version of life for Remi Jacket [Herge](#) Pierre Assouline,Charles Ruas,2009-11-12 One of the most beloved characters in all of comics Tintin won an enormous international following Translated into dozens of languages Tintin s adventures have sold millions of copies and Steven Spielberg is presently adapting the stories for the big screen Yet despite Tintin s enduring popularity Americans know almost nothing about his gifted creator Georges Remi better known as Herg Offering a captivating portrait of a man who revolutionized the art of comics this is the first full biography of Herg available for an English speaking audience Born in Brussels in 1907 Herg began his career as a cub reporter a profession he gave to his teenaged world traveling hero But whereas Tintin was fully formed clear headed and positive Assouline notes his inventor was complex contradictory inscrutable For all his huge success achieved with almost no formal training Herg would say unassumingly of his art I was just happy drawing little guys that s all Granted unprecedented access to thousands of the cartoonist s unpublished letters Assouline gets behind the genial public mask to take full measure of Herg s life and art and the fascinating ways in which the two intertwine Neither sugarcoating nor sensationalizing his subject he meticulously probes such controversial issues as Herg s support for Belgian imperialism in the Congo and his alleged collaboration with

the Nazis He also analyzes the underpinnings of Tintin how the conception of the character as an asexual adventurer reflected Herg's appreciation for the Boy Scouts organization as well as his Catholic mentor's anti Soviet ideology and relates the comic strip to Herg's own place within the Belgian middle class A profound influence on a generation of artists such as Andy Warhol and Roy Lichtenstein the elusive figure of Herg comes to life in this illuminating biography a deeply nuanced account that unveils the man and his career as never before *The Comics of Hergé* Joe Sutliff Sanders, 2016-07-28

Contributions by J nathas Miranda de Ara jo Guillaume de Syon Hugo Frey Kenan Ko ak Andrei Molotiu Annick Pellegrin Benjamin Picado Vanessa Meikle Schulman Matthew Screech and Gwen Athene Tarbox As the creator of Tintin Herg 1907 1983 remains one of the most important and influential figures in the history of comics When Herg born Georges Prosper Remi in Belgium emerged from the controversy surrounding his actions after World War II his most famous work leapt to international fame and set the standard for European comics While his style popularized what became known as the clear line in cartooning this edited volume shows how his life and art turned out much more complicated than his method The book opens with Herg's aesthetic techniques including analyses of his efforts to comprehend and represent absence and the rhythm of mundaneness between panels of action Broad views of his career describe how Herg navigated changing ideas of air travel while precise accounts of his life during Nazi occupation explain how the demands of the occupied press transformed his understanding of what a comics page could do The next section considers a subject with which Herg was himself consumed the fraught lines between high and low art By reading the late masterpieces of the Tintin series these chapters situate his artistic legacy A final section considers how the clear line style has been reinterpreted around the world from contemporary Francophone writers to a Chinese American cartoonist and on to Turkey where Tintin has been reinvented into something meaningful to an audience Herg probably never anticipated Despite the attention already devoted to Herg no multi author critical treatment of his work exists in English the majority of the scholarship being in French With contributors from five continents drawing on a variety of critical methods this volume's range will shape the study of Herg for many years to come **Mekeel's Weekly Stamp News** I. **West Virginia Blue Book** West Virginia, 1985 **West Virginia Blue Book**, 1987 **Braided Worlds** Alma Gottlieb, Philip Graham, 2012-09-15 In a compelling mix of literary narrative and ethnography anthropologist Alma Gottlieb and writer Philip Graham continue the long journey of cultural engagement with the Beng people of Côte d'Ivoire that they first recounted in their award winning memoir *Parallel Worlds* Their commitment over the span of several decades has lent them a rare insight Braiding their own stories with those of the villagers of Asagb and Kosangb Gottlieb and Graham take turns recounting a host of unexpected dramas with these West African villages prompting serious questions about the fraught nature of cultural contact Through events such as a religious leader's declaration that the authors six year old son Nathaniel is the reincarnation of a revered ancestor or Graham's late father being accepted into the Beng afterlife or the

increasing sometimes dangerous madness of a villager the authors are forced to reconcile their anthropological and literary gaze with the deepest parts of their personal lives Along with these intimate dramas they follow the Beng from times of peace through the times of tragedy that led to C te d Ivoire s recent civil conflicts From these and many other interweaving narratives and with the combined strengths of an anthropologist and a literary writer Braided Worlds examines the impact of postcolonialism race and global inequity at the same time that it chronicles a living breathing village community where two very different worlds meet
