the residents of New Orleans The Catholic calumet and the Native language prayers and hymns were the product of long encounters between the Illinois and Jesuit missionaries men who were themselves transformed by these sometimes intense spiritual experiences The conversions of people communities and cultural practices that led to this dramatic episode all occurred in a rapidly evolving and always contested colonial context In The Catholic Calumet historian Tracy Neal Leavelle examines interactions between Jesuits and Algonquian speaking peoples of the upper Great Lakes and Illinois country including the Illinois and Ottawas in the seventeenth and eighteenth centuries Leavelle abandons singular definitions of conversion that depend on the idealized elevation of colonial subjects from savages to Christians for more dynamic concepts that explain the changes that all participants experienced A series of thematic chapters on topics such as myth and historical memory understandings of human nature the creation of colonial landscapes translation of religious texts into Native languages and the influence of gender and generational differences demonstrates that these encounters resulted in the emergence of complicated and unstable cross cultural religious practices that opened new spaces for cultural creativity and mutual adaptation Calico Christmas at Dry Creek & Redeeming Gabriel Janet Tronstad, Elizabeth White, 2018-12-04
