Galatians A Geneva Series Commentary:

A Commentary on Galatians William Hendriksen, 1969 **The Unaccommodated Calvin** Richard A. Muller, 2001-12-20

This book attempts to understand Calvin in his 16th century context with attention to continuities and discontinuities between his thought and that of his predecessors contemporaries and successors Muller pays particular attention to the interplay between theological and philosophical themes common to Calvin and the medieval doctors and to developments in rhetoric and method associated with humanism *The God Who Justifies* James R. White, 2007-05-01 A Comprehensive Study of the Doctrine of Justification The history of the Christian church pivots on the doctrine of justification by faith Once the core of the Reformation the church today often ignores or misunderstands this foundational doctrine Theologian James White calls believers to a fresh appreciation of understand of and dedication to the great doctrine of justification and then provides an exegesis of the key Scripture texts on this theme The Evangelical Quarterly , 1979 The Soteriological Use of Call by Paul and Luke Ian Hussey, 2018-07-12 The congruence of the theology of Paul and Luke is a matter of debate In particular according to many scholars the soteriologies of Paul and Luke are divergent This volume argues that the usage of language by both Paul and Luke suggests that it may be a common element in their soteriologies The author demonstrates that language is an important concept in the soteriologies of Luke and Paul and that although there are contrasts there are a number of points of comparison Crucial to this common understanding is the association of language with the OT covenants election covenant meals and an expectation of the eschatological banquet As a result of this prominent and consistent usage by Paul and Luke the language of deserves a higher place in the Christian understanding of salvation This has implications for Christian life and practice **Bulletin of the John Rylands University Library of Manchester** John Rylands University Library of Manchester, 1972 John Calvin's Bible Commentaries On St. Paul's Epistles To The Philippians, Colossians And Thessalonians John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation The Epistle To The Philippians stands associated with a most interesting event in the history of the progress of Christianity While the charge given to the Apostles as to the universal promulgation of the Gospel was most explicit it was in a gradual manner and for the most part under the guidance of circumstances seemingly fortuitous that their sphere of labor was extended The Epistle To The Colossians is generally supposed to have been written by Paul about A D 62 in the ninth year of the reign of the Emperor Nero It bears evidence of having been written during Paul s first imprisonment at Rome The First Epistle To The Thessalonians is generally believed to have been the first Epistle written by Paul to any of the Churches of Christ It appears to have been written towards the close of A D 52 about two years subsequently to the introduction of the Gospel into Thessalonica by the instrumentality of Paul and Silas The Second Epistle To The Thessalonians appears to have been written

a short time after Paul's former Epistle to that Church The Apostle had learned that some expressions in his former Epistle in reference to the hopes of Christians beyond the grave had been misapprehended by the Thessalonian converts as though he had intended to intimate that Christ's second advent was near at hand Reformed Covenant Theology Harrison Perkins, 2024-04-24 Perkins is an expert in his field and very much a pastor You will not be disappointed From the foreword by Ligon Duncan See Christ and his work more clearly Learn the biblical basis for the Reformed confessions Understand the role of grace and works in your salvation Covenant shapes our life with God In Reformed Covenant Theology A Systematic Introduction Harrison Perkins shows how Christ and his work are the heart of that covenant relationship Since God lives in covenant with his redeemed people covenant theology provides a framework for Christians to grow in their life with God to read the Bible and to love the church **Galatians and Christian Theology** N. T. Wright, Mark W. Elliott, Scott J. Hafemann, John Frederick, 2014-09-09 The letter to the Galatians is a key source for Pauline theology as it presents Paul's understanding of justification the gospel and many topics of keen contemporary interest In this volume some of the world's top Christian scholars offer cutting edge scholarship on how Galatians relates to theology and ethics The stellar list of contributors includes John Barclay Beverly Gaventa Richard Hays Bruce McCormack and Oliver O'Donovan As they emphasize the contribution of Galatians to Christian theology and ethics the contributors explore how exegesis and theology meet critique and inform each other **Calvin, the Bible, and History** Barbara Pitkin, 2020-05-01 John Calvin was known foremost for his powerful impact on the fundamental doctrines of Protestantism and his biblical interpretation continues to attract interest and inquiry Calvin the Bible and History investigates Calvin's exegesis of the Bible through the lens of one of its most distinctive and distinguishing features his historicizing approach to scripture Barbara Pitkin here explores how historical consciousness affected Calvin's interpretation of the Bible sometimes leading him to unusual unprecedented and occasionally controversial exegetical conclusions Through several case studies Pitkin explores the multi-faceted ways that historical consciousness was interlinked with Calvin's interpretation of biblical books authors and themes analyzing the centrality of history in his engagement with scripture from the Pentateuch to his reception of the apostle Paul First establishing the relevant intellectual and cultural contexts Pitkin situates Calvin's readings within broader cultural trends and historical developments demonstrating the expansive impact of Calvin's concept of history on his reading of the Bible Calvin the Bible and History reveals the significance of his efforts to relate the biblical past to current historical conditions reshaping an earlier image of Calvin as a forerunner of modern historical criticism by viewing his deep historical sensibility and distinct interpretive approach within their early modern context Wisdom Commentary: Romans Christian A. Eberhart, 2025-03-15 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in front of various audiences Yet as the leader of a

congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and strong and free and slave **Wait and Hope** Jacob Tanner,2024-07-02 Since the fall suffering has been a universal part of human experience While the specific trials we face change we all long for hope in the face of many burdens No group of writers in church history grasped this better than the Puritans In Wait and Hope Jacob Tanner reminds us how the Puritans endured immense suffering in various aspects of the Christian life from facing persecution and death to pursuing assurance through trials By looking at the lessons they learned suffering pilgrims today are invited to join the tradition of waiting in hope **The Rise of the Covenant of Redemption in the Theology of Samuel Rutherford** Sam Bostock,2025-05-29 The Church of Scotland divine Samuel Rutherford 1600 61 was among the first theologians to say that Christ s saving work took place to fulfill an agreement between God and Christ that had been made in eternity By placing Rutherford s major statements of this new doctrine in their various social political polemical and pastoral contexts this book provides a fresh explanation for the dramatic rise of the eternal covenant of redemption to become the cornerstone of Reformed federal theology and offers a case study in the development of doctrine **Monographic Series** Library of Congress, Romans 9-16 Philip D. W. Krey,Peter D. S. Krey,2016-10-19 In this volume of the Reformation Commentary on Scripture Philip Krey and Peter Krey offer a diversity of Reformation era biblical commentary on Romans 9 16 Drawing upon Lutheran Reformed Anglican Radical and Roman Catholic resources they reveal the breadth and depth of early modern biblical exegesis for the renewal of the church today *Catalogue of the Library of Rev. Thomas Prince* Thomas Prince,Old South Church (Boston, Mass.),1846 *Minor Prophets in a Major Key* Chris Woodall,2018-01-24 All Scripture is God breathed but not every portion of it is embraced by Christians with equal vigor Tribal lists specific sacrificial obligations seemingly endless genealogical records and apparently gratuitous acts of warfare are readily scanned over But could the minor prophets be added to that list Should they be They certainly seem more difficult to locate for many of us than say the books of Moses or the Psalms The writer is clear in his assessment from the start positing that our relative ignorance of these twelve books tucked away at the end of the Old Testament impinges negatively on the Christian believer s walk Covering a period of around four hundred years each book is revealed through two contextual settings the historical and that which was personal to the individual pensmith before a brief overview reveals the main points of that author s writing The bulk of each chapter is concerned with the Major Key of the title Taking a verse or two from each of the minor prophets Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty first century from lessons over two and a half thousand years old Chris Woodall is former Associate Professor of Dogmatics at North West University South Africa This is his fourth book for Wipf and Stock The first three Covenant the Basis of God s Self Disclosure 2011 Kingdom the Expression of God s Rule 2012 and Atonement God

s Means of Effecting Man's Reconciliation 2015 are also available from this publisher and other outlets *Can We Zoom into God?* Andrew Hemingway, 2023-10-19 When Zoom worship emerged in Britain during the COVID lockdown of 2020 Christians quickly turned to an art form a form of theater to deliver their worship It was a quest for immanence the very thing the Reformation dealt with by the elevation of transcendence What an intriguing thought Could John Calvin with his dictum regarding piety have practiced Zoom worship Served as he was with the principle that the finite cannot contain the infinite we must admit it looks very unlikely At least in this Calvin saw eye to eye with Erasmus but what of Luther He may have been a comfortable Zoom worshiper with his views that Religious artworks are neither here nor there and We may have them or not as we please Little did the church realize that it would be a step back into the past because what you permit you promote The desire to use images was much more sinister than in Medieval times as these were now images of ourselves Regardless of the age the image reigns supreme What had caused the demise Was it bereavement It could not be bereavement of God rather it was the loss of the social the bereavement of one another The need for one another had forced the hand of Christians to turn to a practice completely untested Zoom worship was born the genie is out and will never go back in But in the face of the now acceptable force of contemporary narcissism who cares *The Two Wills of God* Dr. C. Matthew McMahon, 2005-07-05 Through the centuries hard questions have been deliberated concerning God's will Understanding God's will and how it theologically functions in relationship to man's salvation can be a daunting task Answering some of those questions from the Scriptures brings clarity and helps us understand the glorious God that we serve Have you ever wondered Does God love only the elect If God does not desire the wicked to perish is God's will frustrated when the sinner goes his own way Why is God seen as repenting or sad and even changing His mind What is common grace and is it really found in the Bible Does God desire things He does not decree and does He decree things He does not desire How many wills does God have This book gives the Christian the proper hermeneutical tools to define God's will and how that will works in and through redemptive history It also aids the reader to distinguish between the two systems of Arminianism and Calvinism and demonstrates why Arminianism and Hyper Calvinism are biblically inconsistent **Galatians, Volume 41** Richard N. Longenecker, 2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a
