Mimetic Criticism and the Gospel of Mark Joel L. Watts, 2013-02-01 What if the story of Jesus was meant not just to be told but retold molded and shaped into something new something present by the Evangelist to face each new crisis The Evangelists were not recording a historical report but writing to effect a change in their community Mark was faced with the imminent destruction of his tiny community a community leaderless without Paul and Peter and who witnessed the destruction of the Temple now another messianic figure was claiming the worship rightly due to Jesus The author of the Gospel of Mark takes his stylus in hand and begins to rewrite the story of Jesus to unwrite the present rewrite the past to change the future Joel L Watts moves the Gospel of Mark to just after the destruction of the Temple sets it within Roman educational models and begins to read the ancient work afresh Watts builds upon the historical criticisms of the past but brings out a new way of reading the ancient stories of Jesus and attempts to establish the literary sources of the Evangelist **The Radical Jesus, the Bible, and the**

Great Transformation Douglas E. Oakman, 2021-01-25 The Radical Jesus offers a companion to the author's previous article

collection *Jesus and the Peasants* Even more than in *Jesus and the Peasants* these eleven chapters sharpen the focus on the political economic meaning of Jesus then and the deeper values embodied in him that perhaps are still pertinent for now Part One considers his activities and aims within the political economy of first century Galilee Part Two offers perspectives on the critical hermeneutical task of linking the values of Jesus and the Bible to a world that has undergone what Karl Polanyi called the Great Transformation Polanyi argued suavisly in his 1944 book that economy in the pre industrial age was embedded in social relations and served necessary social purposes while society after the Great Transformation became embedded within market capitalist economy to the detriment of social relations This book finds in sustained critical dialog with the Radical Jesus another transforming force and a guiding light toward a more humane economy and society that will serve human need rather than selfish greed

Christology of the Old T. and Commentary on the Messianic Predictions Ernst Wilhelm Hengstenberg, 1861 **The Gospel and Letters of John, Volume 2** Urban C. von Wahlde, 2010-11-22 Urban von Wahlde's radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist's precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively These books are part of the Eerdmans Critical Commentary series edited by David Noel Freedman and Astrid B Beck

Engaging the Shoah through the Poetry of Dan Pagis Shellie Gordon McCullough, 2016-12-21 In the field of Holocaust Studies there has been a great deal written in English about poets such as Paul Celan but Dan Pagis's body of work remains largely undiscovered By analyzing the Holocaust poetry of Dan Pagis and correlating it to his biography through the identifying tropes of Pagis's literature this book seeks to reveal that the speakers of Pagis's poems embody a resistance to traditional historical temporal and structural narratives while also outlining the scarring effects of trauma continually revisited through poetic engagement Beyond this the secondary aim of this book is to bring Pagis's work to light for an audience that solely reads and speaks English

The Powers That Be Walter Wink,2010-02-24 In our fast paced secular world God and theology are second class citizens Money politics sports and science seem better suited to the hard realities of our world As the church steeple has been eclipsed by the skyscraper as the centerpiece of the urban landscape so has the divine realm been set aside in favor of more immediate human experience One sad consequence of this shift is the loss of spiritual and theological bearings most clearly evident in our inability to understand or speak about such things If the old way of viewing the universe no longer works something else has to replace it The Powers That Be reclaims the divine realm as central to human existence by offering new ways of understanding our world in theological terms Walter Wink reformulates ancient concepts such as God and the devil heaven and hell angels and demons principalities and powers in light of our modern experience He helps us see heaven and hell sin and salvation and the powers that shape our lives as tangible parts of our day to day experience rather than as mysterious phantoms Based on his reading of the Bible and analysis of the world around him Wink creates a whole new language for talking about and to God Equipped with this fresh world view we can embark on a new relationship with God and our world into the next millennium

Weekly ,1920 **Feasts in John** Michael A. Daise,2007 In this work Michael A Daise broaches the question of the rationale lying behind the six feasts mentioned in the Gospel of John He argues that in an earlier recension of the Fourth Gospel those feasts were sequenced into a single liturgical year and as such furnished temporal momentum for the concurrent motif of Jesus hour After reviewing the feasts as they appear in the narrative then critiquing the major theories proposed for their purpose the author presents his key premise that the Passover at John 6 4 is to be read not as a regular Passover observed on 14 Nisan first month of the Jewish calendar but as the Second Passover of Numbers 9 9 14 observed on 14 Iyyar second month of the Jewish calendar The law of hadash for barley 6 9 requires a date for chapter 6 after the regular Passover the Exodus manna episode Exodus 16 on which John 6 largely turns dates to 15 Iyyar the contingent character of the Second Passover explains Jesus absence from Jerusalem in John 6 and with John 5 and 6 reversed the chronology of John 2 13 6 71 coheres On such a reading the feasts of the entire Fourth Gospel unfold within a single liturgical year Passover 2 13 Second Passover 6 4 the unnamed feast Pentecost 5 1 Tabernacles 7 2 the Dedication 10 22 23 and Passover 11 55 Inasmuch as this scheme brings chronological design to chapters 2 12 and inasmuch as those same chapters also chronicle the imminent arrival of Jesus hour 2 4 12 23 an overarching purpose for the feasts emerges namely to serve the motif of Jesus hour by marking the movement of time toward its arrival The Messiah son of Maryam Ali Mohammad Al-Sallabi,2023-01-01

The Role of the Synagogue in the Aims of Jesus Jordan J. Ryan,2017-11-15 Reviewing what we now know about actual synagogues in the land of Israel and their public role in Jewish life and culture Jordan J Ryan shows that Gospel narratives placed in synagogues accurately reflect the ancient synagogue setting He argues for the historical plausibility of the setting of these narratives and suggests that synagogue research must be a starting point for their interpretation He further argues

that Jesus's efforts at the restoration of Israel were intentionally aimed at the synagogue as an institution of public and political life Catalog of Copyright Entries.
