English, 2018-02-13 Enter a world where money, muscle, and murder reign with three true crime books from the New York Times bestselling author and Edgar Award finalist Whitey's Payback. In this collection of sixteen stories culled from his journalism career, author T. J. English reveals the violent world of crime with in-depth pieces on everything from old school mobsters to corrupt federal agents, including the most feared gangster in Boston history and secret FBI informant James Whitey Bulger, who vanished for sixteen years before finally being brought to justice. Hard hitting reporting. Anthony Bruno, author of The Iceman, The Westies. They were the gang, even the Mafia thought twice about fighting a gang of young wild Irishmen led by cold-blooded Jimmy Coonan and his loyal gunman Mickey Featherstone, who ruled Hell's Kitchen with a bloody fist. Their savagery gave them power, but their quick rise would eventually lead to betrayal and their ultimate downfall in this tale of vengeance, ambition, and the last of the Irish Mob in New York. A harrowing account of big city crime. Library Journal. Born to Kill. This Edgar Award finalist chronicles the rise and fall of the infamous Born to Kill gang, a group of young Vietnamese men raised in the wasteland left by American bombs and napalm who came to New York's Chinatown to make a new life, but instead brought death in their wake. Told from the perspective of one gang member who wanted more than a life of bloodshed and testified against his brethren, Born to Kill is a shocking account of the American Dream gone nightmarishly wrong. Hard hitting, torrid, and fascinating. The Austin Chronicle. **The Gang Capital** Raymoutez Price, 2013-06-17 The graphic details of gang wars and racism is mentioned on a wide world aspect designed to vindicate the minds of the youth whom are involved in gangs. My views are intense and genuine. Facts, some methods of gang prevention applied, can increase life expectancy of gang members seeking to exit before an untimely demise, result of being murdered in gang wars. I have discussed many topics relating to gang wars, how gang wars are initiated due to many diverse reasons. I truly disagree that there are many books that exist that describe in vivid, constructive details of gang war. The very broad story told millions of times, but never before with so much intel so exclusively with real people living in the battle zone of the concrete jungles with

genuine full fledge up front exposure Police officers would agree that these views are very enlightening and expressive with vital concepts that are identical to a vet whom have endured many tours of conflict The dark side of Watts exposure of the riots of 1965 and 1992 the vague topic of racism that people dodge frequently dropping the ball of unwanted troubles The truth to combat gangs you must combat racism Long ago the black panther were groups that evolved to decrease racial conflicts Today those groups are called gangs The panthers are where it begin gangs are where it stands now **Really Bad**

Phillips,2014-04-23 This critical biography by the acclaimed film historian is certainly the definitive work on the director behind The Godfather and Apocalypse Now Publishers Weekly Gene Phillips blends biography studio history and film criticism to complete the most comprehensive work on Coppola ever written The force behind such popular and critically acclaimed films as Rumble Fish and the Godfather trilogy Coppola has imprinted his distinct style on each of his movies and on the landscape of American popular culture In Godfather Phillips argues that Coppola has repeatedly bucked the Hollywood factory system in an attempt to create distinct films that reflect his own artistic vision often to the detriment of his career and finances Phillips conducted interviews with the director and his colleagues and examined Coppola s production journals and screenplays Phillips also reviewed rare copies of Coppola s student films his early excursions into soft core pornography and his less celebrated productions such as One from the Heart and Tucker The Man and His Dream The result is the definitive assessment of one of Hollywood s most enduring and misunderstood mavericks **Crime and Suffering** Staffan Nordstrand,2024-11-01 Behind the Scenes Crime and Suffering is the first of a four book fact based suspense novel series from award winning author Staffan Nordstrand which exposes the criminal exploitation of the people behind the facade of many of the tourist paradises in Southeast Asia The books describe how the poor in Myanmar Thailand and Laos do their best to survive often by growing opium smuggling weapons and selling their daughters to brothels sometimes before they are even born The plight of these people is made more complicated because this criminality is often sanctioned by official organisations in existence to protect

them not to take advantage of them Crime and Suffering begins the series focusing on one poor family from a small village in Laos during a time of increasing drama in the aftermath of the Vietnam War Grandfather Songchai and his efforts to smuggle a transport of hidden arms to buyers in west Africa with the help of old friends and family members Lu his daughter in law helps two Americans Will and Frank who seek the remains of US soldiers lost in the War which means fatal consequences Prim Lu s daughter and her antics with teenage friends Lek and Moa who end up on a frightening path heading towards the bars of the sex trade The characters fates are interweaved in a colourful and harsh narrative that moves toward its resolution as relentlessly as the mighty Mekong River flows forth The series is inspired by real people and based on real life stories
