Gangster World:

The World's Most Evil Gangsters Nigel Cawthorne, 2010-07-06 Although organised criminal groups have been an ever present menace to our cities in the last decade gangs have snowballed into one of the most terrifying problems facing Britain today Seducing disillusioned youngsters into their ranks vicious crews have declared open war in a desperate attempt to gain control of the lucrative drug trade murder kidnapping and intimidation have become all too common In south Manchester the feud between the Gooch Gang and the Doddingtons became so vicious that peace keepers from America s Crips and Bloods were flown in from Los Angeles to broker a deal Across the United States the Crips now boast some 35 000 members from all ethnic backgrounds African American Caucasian Hispanic and Asian while the Bloods have made an alliance with the old time Lucchese crime family once one of the Five Families of New York and still a pillar of the Cosa Nostra Sketches of the Criminal World Varlam Shalamov, 2020-01-14 The astonishing follow up to 2018 s Kolyma Stories In 1936 Varlam Shalamov a journalist and writer was arrested for counterrevolutionary activities and sent to the Soviet Gulag He survived fifteen years in the prison camps and returned from the Far North to write one of the masterpieces of twentieth century literature an epic array of short fictional tales reflecting the years he spent in the Gulag Sketches of the Criminal World is the second of two volumes the first Kolyma Stories was published by NYRB Classics in 2018 that together constitute the first complete English translation of Shalamov s stories and the only one to be based on the authorized Russian text In this second volume Shalamov sets out to answer the fundamental moral questions that plagued him in the camps where he encountered firsthand the criminal world as a real place far more evil than Dostoyevsky s underground How does someone stop being human and How are criminals made By 1972 when he was writing his last stories the camps were being demolished the guard towers and barracks razed Did we exist Shalamov asks then answers without hesitation I reply We did **Crazy Gangster Game** **Ultimate Winning Tactics** Sebastian Hale, Rule the criminal world by completing missions and evading law enforcement This guide provides driving shortcuts shooting techniques and money making strategies **American Gangster Cinema** F. Mason, 2002-11-28 Much analysis of gangster movies has been based upon a study of the gangster as a malign figuration of the American Dream originally set in the era of the Depression This text extends previous analysis of the genre by examining the evolution of gangster movies from the 1930s to the contemporary period and by placing them in the context of cultural and cinematic issues such as masculinity consumerism and technology With a close examination of many films from *Scarface* and *Public Enemy* to *Reservoir Dogs* and *Pulp Fiction* this book provides a fascinating insight into a topical and popular subject **Murder, Inc., and the Moral Life** Robert Weldon Whalen, 2016-09-01 In 1940 and 1941 a group of ruthless gangsters from Brooklyn s Brownsville neighborhood became the focus of media frenzy when they dubbed Murder Inc by New York World Telegram reporter Harry Feeney were tried for murder It is estimated that collectively they killed hundreds of people during a reign of terror that lasted from 1931 to 1940 As the trial played out to a packed courtroom shocked

spectators gasped at the outrageous revelations made by gang leader Abe Kid Twist Reles and his pack of criminal accomplices News of the trial proliferated throughout the country at times it received more newspaper coverage than the unabated war being waged overseas The heinous crimes attributed to Murder Inc included not only murder and torture but also auto theft burglary assaults robberies fencing stolen goods distribution of illegal drugs and just about any illegal activity from which a revenue could be derived When the trial finally came to a stunning unresolved conclusion in November 1941 newspapers generated record headlines Once the trial was over tales of the Murder Inc gang became legendary spawning countless books and memoirs and providing inspiration for the Hollywood gangster movie genre These men were fearsome brutes with an astonishing ability to wield power People were fascinated by the gangster figure which had become a symbol for moral evil and contempt and whose popularity showed no signs of abating As both a study in criminal behavior and a cultural fascination that continues to permeate modern society the reverberations of Murder Inc are profound including references in contemporary mass media The Murder Inc story is as much a tale of morality as it is a gangster history and Murder Inc and the Moral Life by Robert Whalen meshes both topics clearly and meticulously relating the gangster phenomenon to modern moral theory Each chapter covers an aspect of the Murder Inc case and reflects on its ethical elements and consequences Whalen delves into the background of the criminals involved their motives and the violent death that surrounded them New York City's immigrant gang culture and its role as Gangster City fiery politicians Fiorello La Guardia and Thomas E Dewey and the choices they made to clean up the city and the role of the gangster in popular culture and how it relates to real life Whalen puts a fresh spin on the two topics providing a vivid narrative with both historical and moral perspective
