Michele Gillespie

Inside The Natchez Trace Collection:

Inside the Natchez Trace Collection Katherine J. Adams, Lewis L. Gould, 1999 When it was acquired by the Center for American History at the University of Texas at Austin in 1986 the Natchez Trace Collection was one of the great unexplored treasures of southern history Its plantation records bank correspondence songbooks and family letters among many other gems combine to form a cornucopia of regional history Now seven noted southern historians act as guides through this still largely untapped resource Each examines one facet of the collection covering such topics as slavery women s roles the Old Southwest Jacksonian politics sectional conflict and the position of businessmen and entrepreneurs in the antebellum period

Global Perspectives on Industrial Transformation in the American South Michele Gillespie, 2005 Covering the late colonial age to World War I and beyond this collection of essays places the economic history of the American South in an international light by establishing useful comparisons with the larger Atlantic and world economy In an attempt to dispel long lasting myths about the South the essays analyze the economic evolution of the South since the slave era From this perspective the conception of a backward wholly agricultural antebellum South occupied only by wealthy planters poor whites and contented slaves has finally given way to one of economic and social dynamism as well as regional prosperity In a coherent and cohesive progression of subjects these essays show that the South had been deeply enmeshed in the Atlantic economy since the colonial period and after the Civil War retained distinctive needs that caused increasing departure from the course northerners adopted on matters of political economy This comparative approach also helps explain the motivations behind the political choices made by the South as an eminently export oriented region This book shows that the South was not slower to develop with respect to industrialization than either the majority of the northern states especially in the West or the countries of Western Europe In fact the apparently disappointing performance of the New South s economy appears to be the result of more pervasive and largely uncontrollable trends that affected the national as well as the international economy *Global Perspectives on Industrial Transformation in the American South* makes an important contribution to the economic history of the South and to recent efforts to place American history in a more international context

A Guide to Research Collections of Former Members of the United States House of Representatives, 1789-1987 Cynthia Pease

Miller, 1988 **At the Precipice** Shearer Davis Bowman, 2010-10-04 Why did eleven slave states secede from the Union in 1860-61 Why did the eighteen free states loyal to the Union deny the legitimacy of secession and take concrete steps after Fort Sumter to subdue what President Abraham Lincoln deemed treasonous rebellion *At the Precipice* seeks to answer these and related questions by focusing on the different ways in which Americans North and South black and white understood their interests rights and honor during the late antebellum years Rather than give a narrative account of the crisis Shearer Davis Bowman takes readers into the minds of the leading actors examining the lives and thoughts of such key figures as Abraham Lincoln James Buchanan Jefferson Davis John Tyler and Martin Van Buren Bowman also provides an especially vivid

glimpse into what less famous men and women in both sections thought about themselves and the political social and cultural worlds in which they lived and how their thoughts informed their actions in the secession period Intriguingly secessionists and Unionists alike glorified the Declaration of Independence and the Constitution of the United States yet they interpreted those sacred documents in markedly different ways and held very different notions of what constituted American values

Joining Places Anthony E. Kaye,2009-01-05 In this new interpretation of antebellum slavery Anthony Kaye offers a vivid portrait of slaves transforming adjoining plantations into slave neighborhoods He describes men and women opening paths from their owners plantations to adjacent farms to go courting and take spouses to work to run away and to otherwise contend with owners and their agents In the course of cultivating family ties forging alliances working socializing and storytelling slaves fashioned their neighborhoods into the locus of slave society Joining Places is the first book about slavery to use the pension files of former soldiers in the Union army a vast source of rich testimony by ex slaves From these detailed accounts Kaye tells the stories of men and women in love sweethearting taking up living together and marrying across plantation lines striving to get right with God carving out neighborhoods as a terrain of struggle and working to overthrow the slaveholders regime Kaye s depiction of slaves sense of place in the Natchez District of Mississippi reveals a slave society that comprised not a single monolithic community but an archipelago of many neighborhoods Demonstrating that such neighborhoods prevailed across the South he reformulates ideas about slave marriage resistance independent production paternalism autonomy and the slave community that have defined decades of scholarship

The Forgotten Expedition, 1804--1805 Trey Berry,Pam Beasley,Jeanne Clements,2014-08-11 The team of the Grand Expedition as it was optimistically named was the first to send its findings on the newly annexed territory to the president who received Dunbar and Hunter s detailed journals with pleasure They include descriptions of flora and fauna geology weather landscapes and native peoples and European settlers as well as astronomical and navigational records that allowed the first accurate English maps of the region and its waterways to be produced Their scientific experiments conducted at the hot springs may be among the first to discover a microscopic phenomena still under research today Jacket

Black Litigants in the Antebellum American South Kimberly M. Welch,2018-01-02 In the antebellum Natchez district in the heart of slave country black people sued white people in all white courtrooms They sued to enforce the terms of their contracts recover unpaid debts recuperate back wages and claim damages for assault They sued in conflicts over property and personal status And they often won Based on new research conducted in courthouse basements and storage sheds in rural Mississippi and Louisiana Kimberly Welch draws on over 1 000 examples of free and enslaved black litigants who used the courts to protect their interests and reconfigure their place in a tense society To understand their success Welch argues that we must understand the language that they used the language of property in particular to make their claims recognizable and persuasive to others and to link their status as owner to the ideal of a free autonomous citizen In telling their stories Welch reveals a previously unknown

world of black legal activity one that is consequential for understanding the long history of race rights and civic inclusion in America **Guide to Research Collections of Former United States Senators, 1789-1995** Diane B. Boyle,1995

Prestatehood Legal Materials Michael Chiorazzi,2013-05-13 Explore the controversial legal history of the formation of the United States Prestatehood Legal Materials is your one stop guide to the history and development of law in the U S and the change from territory to statehood Unprecedented in its coverage of territorial government this book identifies a wide range of available resources from each state to reveal the underlying legal principles that helped form the United States In this unique publication a state expert compiles each chapter using his or her own style culminating in a diverse sourcebook that is interesting as well as informative In Prestatehood Legal Materials you will find bibliographies references and discussion on a varied list of source materials including state codes drafted by Congress county state and national archives journals and digests state and federal reports citations surveys and studies books manuscripts papers speeches and theses town and city records and documents Web sites to help your search for more information and more Prestatehood Legal Materials provides you with brief overviews of state histories from colonization to acceptance into the United States In this book you will see how foreign countries controlled the laws of these territories and how these states eventually broke away to govern themselves The text also covers the legal issues with Native Americans inter state and the Mexico and Canadian borders and the development of the executive legislative and judicial branches of state government This guide focuses on materials that are readily available to historians political scientists legal scholars and researchers Resources that assist in locating not so easily accessible materials are also covered Special sections focus on the legal resources of colonial New York City and Washington DC which is still technically in its prestatehood stage Due to the enormity of this project the editor of Prestatehood Legal Materials created a Web page where updates corrections additions and more will be posted [Joining Places](#) , **Joining Places (Volume 2 of 2) (EasyRead Super Large 20pt Edition)** , [Joining Places \(Volume 2 of 2\) \(EasyRead Super Large 18pt Edition\)](#) , [International Dictionary of Library Histories](#) David H. Stam,2001-11-01 Following the format of Fitzroy Dearborn s highly successful International Dictionary of Historic Places and International Dictionary of University Histories the International Dictionary of Library Histories provides basic information for each institution location and holdings followed by an extensive 1 000 5 000 word essay on its history as well as a Further Reading list In addition the dictionary includes introductory articles on the history of various types of libraries and a library history in various regions of the world The dictionary profiles more than 200 institutions from around the world including the world s most important research libraries and other libraries with globally or regionally notable collections innovative traditions and significant and interesting histories The essays take advantage of the growing scholarship of library history to provide insightful overviews of each institution including not only the traditional values of these libraries but their innovations as well such as developments in automated systems and electronic delivery The profiles will emphasize the unique materials of research in

these institutions archives manuscripts personal and institutional papers The introductory articles on types of libraries include topics ranging from theological libraries to prison libraries from the ancient to the digital An international team of more than 200 leading scholars in the field have contributed essays to the project Looking Beyond the Highway Claudette Stager, Martha Carver, 2006 Looking beyond the Highway is an examination of road history and roadside attractions specific to the South Focused in part on numerous aspects of the material culture landscape of the Dixie Highway the essays consider the politics of roadbuilding roadside entertainment the buildings and businesses one might encounter along the road and regional adaptations to the needs and desires of northern tourists Following the Dixie Highway from southern Illinois to Florida with sidetrips down other southern roads the essays cover a wide variety of subjects many of which will resonate with anyone who has ever lived in or vacationed in the South Harrison Mayes's Get Right With God signs the park and pray craze of outdoor drive in church services the rise and demise of brick highways the fierce political battle over the route of the Dixie Highway beach music and the evolution of motel architecture in Myrtle Beach Florida's early tourist towers and the commercial development of Tennessee caves as tourist attractions Covering a landscape that includes Tennessee Georgia North Carolina Florida Mississippi Indiana Virginia Arkansas Ohio Kentucky Alabama and Illinois the anthology shows that there was and still is a distinctive southern culture and how roads have influenced that culture As lively as they are diverse the articles provide a solid background for understanding roadside ephemera that have disappeared or are quickly disappearing Ranging from the serious to the light hearted and including descriptions of American road and roadside icons to kitsch the book will appeal to anyone with an interest in road history and roadside architecture *Death of an Overseer* Michael Wayne, 2001-03-08 In May of 1857 the body of Duncan Skinner was found in a strip of woods along the edge of the plantation near Natchez Mississippi where he worked as an overseer Although a coroner's jury initially ruled his death to be accidental an investigation organized by planters from the community concluded that he had been murdered by three slaves acting under instructions from John McCallin an Irish carpenter Now almost a century and a half later Michael Wayne has reopened the case to ask whether the men involved in the investigation arrived at the right verdict Part essay on the art of historical detection part seminar on the history of slavery and the Old South *Death of an Overseer* is above all a murder mystery a murder mystery that allows readers to sift through the surviving evidence themselves and come to their own conclusions about who killed Duncan Skinner and why **Fetching the Old Southwest** James H. Justus, 2004 For more than a quarter century despite the admirable excavations that have unearthed such humorists as John Gorman Barr and Marcus Lafayette the most significant of the humorists from the Old Southwest have remained the same Crockett Longstreet Thompson Baldwin Thorpe Hooper Robb Harris and Lewis Forming a kind of shadow canon in American literature that led to Mark Twain's early work from 1834 to 1867 these authors produced a body of writing that continues to reward attentive readers James H Justus's *Fetching the Old Southwest* examines this writing in the context of other discourses

contemporaneous with it travel books local histories memoirs and sports manuals as well as unpublished private forms such as personal correspondence daybooks and journals Like most writing humor is a product of its place and time and the works studied herein are no exception The antebellum humorists provide an important look into the social and economic conditions that were prevalent in the southern new country a place that would in time become the Deep South While previous books about Old Southwest humor have focused on individual authors Justus has produced the first critical study to encompass all of the humor from this time period Teachers and students of literary history will appreciate the incredible range of documentation both primary and secondary

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Matzoh Ball Gumbo Marcie Cohen Ferris,2012-01-01 From the colonial era to the present Marcie Cohen Ferris examines the expressive power of food throughout southern Jewish history She demonstrates with delight and detail how southern Jews reinvented culinary traditions as they adapted to the customs landscape and racial codes of the American South Richly illustrated this culinary tour of the historic Jewish South is an evocative mixture of history and foodways including more than thirty recipes to try at home

John Howard Payne Papers, 3-volume Set Rowena McClinton,2022-11 This collection of John Howard Payne s Papers is a significant recovery of firsthand political and social histories of Indigenous cultures particularly the Cherokees a southeastern tribe whose ancestral lands included parts of the present day states of Georgia Alabama Tennessee and North Carolina The papers enable readers to understand how the Cherokees and many other American Indians endured and persevered as they encountered forced removal in the 1830s due to the Indian Removal Act The papers are also a source of cultural revitalization elucidating the work of Sequoyah a Cherokee genius who in 1821 introduced his syllabary a phonemic system with eighty five symbols John Howard Payne 1791 1852 an American actor poet and playwright was so taken by the Cherokees story that he lobbied Congress to forgo their removal and wrote articles in contemporary newspapers supporting Cherokees In 1835 Payne journeyed to the Cherokee Nation and met with John Ross Cherokee chief from 1828 to 1866 who found in Payne a colleague to assist him and other Cherokees with their cause against removal and in preserving their ancient social spiritual and political heritages Payne gathered and recorded correspondence between Cherokees such as Ross who was fluent in English and U S officials These papers include multiple correspondences ratified and unratified treaties contemporary newspaper articles and resolutions sent to Congress appealing for justice for the Cherokees Payne also assembled letters and writings by New England Congregationalist missionaries who resided in mission stations throughout the Cherokee Nation Available in print for the first time this remarkable repository of information provides a fuller understanding of the political climates Cherokees encountered throughout the early to mid nineteenth century

Her Dream of Dreams Beverly Lowry,2011-07-20 I am a woman that came from the cotton fields of the South I was promoted from there to the wash tub then I was promoted to the cook kitchen and from there I promoted myself into the business of manufacturing hair goods and preparations Madam C J Walker National Negro Business League

Convention 1912 Now from a writer acclaimed for her novels and the memoir *Crossed Over* a remarkable biography of a truly heroic figure Madam C J Walker created a cosmetics empire and became known as the first female self made millionaire in this nation s history a noted philanthropist and champion of women s rights and economic freedom These achievements seem nothing less than miraculous given that she was born in 1867 to former slaves in a hamlet on the Mississippi River How she came to live on another river the Hudson in a Westchester County mansion and in a New York City town house is at once inspirational and mysterious because for all that is known about the famous entrepreneur much that occurred before her magnificent transformation years that trace a circuitous route across the country remains obscure By breathing life into scattered clues and dry facts and with a deep understanding of the times and places through which Madam Walker moved Beverly Lowry tells a story that stretches from the antebellum South to the Harlem Renaissance and bridges nearly a century of our history in her search for the distant truths of a woman who defied all odds and redefined conventional expectations Wherever there was one colored person whether it was a city a town or a puddle by the railroad tracks everybody knew her name Violet Davis Reynolds Stenographer Madam C J Walker Co Tumult And Silence At Second Creek Winthrop D. Jordan,1996-01-01 In the war fevered spring and summer of 1861 a group of slaves in Adams County Mississippi conspired to gain their freedom by overthrowing and murdering their white masters The conspiracy was discovered the plotters were arrested and tried and at least forty slaves in and around Natchez were hanged By November the affair was over and the planters of the district united to conceal the event behind a veil of silence In 1971 Winthrop D Jordan came upon the central document previously unanalyzed by modern scholars upon which this extraordinary book is based a record of the testimony of some of the accused slaves as they were interrogated by a committee of planters determined to ferret out what was going on This discovery led him on a twenty year search for additional information about the aborted rebellion Because no official report or even newspaper account of the plot existed the search for evidence became a feat of historical detection Jordan gathered information from every possible source the private letters and diaries of members of the families involved in suppressing the conspiracy and of people who recorded the rumors that swept the Natchez area in the unsettled months following the beginning of the war letters from Confederate soldiers concerned about the events back home the journal of a Union officer who heard of the plot records of the postwar Southern Claims Commission census documents plantation papers even gravestones What has emerged from this odyssey of research is a brilliantly written re creation of one of the last slave conspiracies in the United States It is also a revealing portrait of the Natchez region at the very beginning of the CivilWar when Adams County was one of the wealthiest communities in the nation and a few powerful families interconnected by marriage and business controlled not only a large black population but the poorer whites as well In piecing together the fragments of extant information about the conspiracy Jordan has produced a vivid picture of the plantation slave community in southwestern Mississippi in 1861 its composition and distribution the degree of mobility permitted slaves the ways

information was passed around slave quarters and from plantation to plantation the possibilities for communication with town slaves free blacks and white abolitionists Jordan also explores the treatment of blacks by their owners the kinds of resentments the slaves harbored the sacrifices they were willing to make to protect or avenge abused family members and the various ways in which they viewed freedom *Tumult and Silence at Second Creek* is a major work by one of the most distinguished scholars of slavery and race relations Winthrop D Jordan s study of the slave society of the Natchez area at the onset of the Civil War is a landmark contribution to the field More than that his exhaustive and resourceful search for documentation and his careful analysis of sources make the study an extended and innovative essay on the nature of historical evidence and inference

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Inside The Natchez Trace Collection**

In some sort of inundated with monitors and the cacophony of instant transmission, the profound energy and psychological resonance of verbal art often diminish into obscurity, eclipsed by the constant assault of noise and distractions.
