Insisting On Yellow New And Selected Poems:

Insisting on Yellow Myra Schneider, 2000 This book includes a substantial number of new poems and work from seven collections published between 1984 and 1998 In the section of new poems there are explorations of the need for love waking and dream visions and a series of poems featuring parts of the body A longer poem memorably vivid in its imagery is a response to a talk by Esther Brunstein a concentration camp survivor *American Jewish Year Book 2002*, 2002 *New & Selected Poems* Donald Justice, 1997 Poems in both metered and free verse explore diverse topics including aging poetry loss and childhood **Becoming Human** Lance Lee, 2001-07-03 Lance Lee knows that Animals Places and the Past his past our pasts all have a part to play in Becoming Human The deer's soft eyes look at him he thinks of death In The Light at Vezelay he writes of Mary Magdalene Poker Faced he lied to his father at 12 Read all about it in this splendid new collection Lance Lee knows what it takes and proves it skillfully in Becoming Human Martin Bax Editor Ambit England's leading Arts Quarterly author The Hospital Ship Being male and keeping some balance of mind and heart is eloquently explored in Lance Lee's Becoming Human The years have planted multitudes in my heart he says and accepting adulthood's sorrows and corruptions while moving on with one's life is a continual step by small step act of heroism It is wonderful to read a poetry that does not fear to feel nor softens and delays the fierce depths of experience with mere agreeable anecdote or trendy nostalgia From the child in his crib to the boy running from the wolf beneath the stairs from desire's greed for beauty and solace to acknowledging the German and the Jew's joint contribution to his genetics Lee's poems ask that we attend to that continual interior warfare which is the stuff of humanity With his richly sensuous diction Lance Lee tackles head on questions of love with all its dignities of aspiration and indignities of the reflective divided self This is an honest book and one of the most passionate documents of the masculine heart around Our heroic insufficiencies are acknowledged and embraced This book moves from memory to landscape into Dante's mind across Italy and into Dachau Becoming Human is a rare book it takes time to savor and while the poet continually hungers the poems consistently nourish This is a book to read time and again it's grown up it's real uncompromising and very beautiful Pamela Stewart The Red Window Infrequent Mysteries What immediately draws me into this book is the urgency and honesty with which Lance Lee explores the self and its parameters He writes about childhood when a wolf lived beneath the stairs whose breath singed my legs before I leaped to the safety of the steps and of how when waking to terror at night I learned I was alone and became human He is deeply aware of family history his mixed gentile and Jewish background and he examines often through dream and vision his attitudes and feelings He looks unflinchingly at his own feral nature the bear that's my familiar stranger a desire to be powerful destructive taste pleasure and wild freedom There is too an extraordinary empathy with wildlife a celebration of it and the questioning of self and God the spirituality which underlies all this work is particularly moving in the nature poems The Wheatfield ends Joy is not peace or summer's gold but this swing between barren and bursting poles that makes me complete The energy of Lee's

writing its sensuousness and passion is for me the true stuff of poetry He deserves to be much better known Nyra Schneider
