unknown Firstly because I've never written on this type of scale in my entire life before and secondly I don't know how on earth this book will be greeted by the reader I just hope you enjoy it as much as I did preparing it all for you I do know that many many years later perhaps even beyond my remaining years a void in Hull City's life as a football club will certainly need to be filled To this end I hope what you are about to read contributes towards bridging any gap that appears and becomes one story of many that can be treasured by those that experienced the rich trappings of English top flight football for the first time ever in Hull City's life I'd like this book to be one that can reflect on our inaugural experience and provide just one insight to what it is like to support our great club amongst the cream of England's finest teams From Saturday May 24th 2008 to the exact same point one year later this is a 12 month voyage that will herald Hull City being in the Premier League for the first time ever To the writer and the reader neither one of us are actually aware of where this embarkation is taking us Every account written is monitored as and when it happened All that remains to be stated before commencing your journey through this book is you can be one hundred percent assured This is the best trip we've ever been on And that's a fact
