**Greenwich Hospital. The Park and Picture Gallery. A Hand-Book Guide for Visitors** Greenwich Hospital (LONDON),1860 Little Beasts Alexandra Libby,Brooks Rich,Stacey Sell,2025-05-20 A richly illustrated look at the intersection of art and science in Renaissance Europe Art played a pivotal role in the development of natural history during the sixteenth and seventeenth centuries European colonial expansion enabled naturalists to study previously unknown insects animals and other beasts little beasts from around the globe Little Beasts explores how artists such as Joris Hoefnagel and Jan van Kessel helped deepen and spread knowledge of these creatures with highly detailed and playful works that inspired generations of printmakers painters decorative artists and naturalists This appealing book begins by mapping the origins of natural history as a discipline showing how early illustrated treatises reflected a vibrant exchange between artists and naturalists that contributed to the growth of natural science and sparked public fascination with the animal kingdom It shares insights into Hoefnagel's engagement with contemporary natural history as demonstrated in his Four Elements a four volume series of some three hundred watercolor miniatures of animals and examines how intaglio printmaking enabled natural history studies to reach new audiences The volume concludes with a discussion of Van Kessel's small oil paintings likely made for discerning collectors of both natural and artistic curiosities Blending lively and informative essays with beautiful illustrations Little Beasts traces the connections between artists naturalists and collectors in an age of scientific discovery and broadening horizons inviting readers to look with wonder at nature's variety Published in association with the National Gallery of Art Washington DC Exhibition Schedule National Gallery of Art Washington DC May 18 November 2 2025 **The Gallery of Nature; Or, Wonders of the Earth and the Heavens** Thomas Milner,1857 **Our Players' Gallery** W. J. Thorold,Arthur Hornblow,Arthur Hornblow (Jr.),Perriton Maxwell,Stewart Beach,1910 The Gallery of Portraits (Vol. 1-7) Arthur Thomas Malkin,2023-11-16 Arthur Thomas Malkin's monumental work The Gallery of Portraits Volumes 1-7 stands as a testament to the biographical tradition of 19th century literature meticulously chronicling the lives and contributions of significant historical and contemporary figures With an engaging prose style that combines vivid imagery and comprehensive detail Malkin invites readers into the intimate landscapes of his subjects' lives discussing their influence on society culture and the arts The structure of the work comprising multiple volumes allows for a nuanced exploration of personal anecdotes and historical contexts highlighting the

interconnectedness of individual lives and global events during a period of profound change in England and beyond Malkin an accomplished scholar and a keen observer of human character draws upon his extensive education and intellectual curiosity to breathe life into the narratives of his portraits His background in the arts and history likely informed his approach as he sought to illuminate the complexities and subtleties of notable figures from politicians to artists Malkin s ability to weave intricate details into broader societal frameworks reflects his commitment to both the individual and the collective story of humanity For those who appreciate well researched biographies enriched with eloquent prose The Gallery of Portraits offers a captivating journey through time elevating the study of biography to an art form This work is highly recommended for historians literary enthusiasts and anyone intrigued by the tapestry of human experience      **The Book of Wonder** Marco Polo,2015-09-15 The most renowned travel story of the Middle Ages has never lost its allure A story of true wonder Marco Polo s experiences as well as the reported myths transport us to the heart of Central Asia China Indochina and the Indian Ocean The original manuscripts were accompanied with illustrations realised from the few descriptions made by the traveller Following in the footsteps of Marco Polo the various illustrations found here will send the reader on the path to discovering the distant lands as we know them today      *Wonder in Contemporary Artistic Practice* Christian Mieves,Irene Brown,2017-01-12 Wonder has an established link to the history and philosophy of science However there is little acknowledgement of the relationship between the visual arts and wonder This book presents a new perspective on this overlooked connection allowing a unique insight into the role of wonder in contemporary visual practice Artists curators and art theorists give accounts of their approach to wonder through the use of materials objects and ways of exhibiting These accounts not only raise issues of a particular relevance to the way in which we encounter our reality today but ask to what extent artists utilize the function of wonder purposely in their work
