## **Garbage Boy:**

**The Garbage Boy** Elizabeth Forrest, 1977-01-01      *Leaving Lisa* Michael McMullen, 2025-07-14 I didn't know why I was awake and out on the town. Out on the town. Come on. I was in a diner two blocks from my home at 2:30 on a Sunday morning. If that was my new night on the town, I had sunk to a despairingly low degree of life vitality and social interaction. Truth be told, I was feeling disconnected from the real world of personal relationships and engagement with others, especially meaningful others. I had gone to bed but I felt restless so I got up, got dressed, and wandered down to GoHo's. I didn't wander there aimlessly. GoHo's diner is a happening place. But it really revs up after eleven when people come there to people watch or to enjoy the late at night. Been drinking, tummy is growling, growl chow, or just to engage in a battle of wits with the sardonic, acid-tongued head waitress. One night, Guy, a business executive who's recently been blindsided by the abrupt departure of his rabidly ambitious wife, is quietly savoring GoHo's meatloaf special. On an earlier sojourn to GoHo's, he witnessed the cusp of the break-up of a glamorous power couple: Lisa, an emotionally damaged local media celebrity trying to reclaim her musical career, and Mackin, a former CFL All-Star with a big secret. Providing context and savagely funny commentary to Guy's observations is Mo, the head waitress, a single mother who's had to put her ambitions aside to care for the child she had as a teenage mother, and the younger sister she rescued from their abusive background. Wittily expressed from all four of their perspectives, *Leaving Lisa* follows the overlapping stories of these four habitués of GoHo's as they face major turning points in their lives, each one leaving something behind to gain a new, as yet murky future. Their increasingly entwined journeys will open up wildly different horizons than those that confronted them at the beginning, and none of them will ever be the same again. With wickedly sharp dialogue, sizzlingly sexy encounters, deep emotional insight, sharply defined characters, and a beating heart underscoring it all, *Leaving Lisa* explores dark emotional issues by way of a clever comedic touch.

**To The Good People of Gaza** Jackie Lubeck, 2022-06-16 The first anthology of youth plays from Gaza and the wider Palestinian region, this timely collection ties together nineteen plays produced by Theatre Day Productions, one of the foremost community theatres in the Middle East. Written by playwright Jackie Lubeck, this collection responds to the siege on Gaza and the Israeli military operations from 2009 to 2014, reflecting how Gazan youth deal with trauma, loss, and urban destruction. In the nineteen plays within this anthology, the reader and theatrical producer witness experiences of a forgotten youth besieged by a silent international community and a brutal wall. The plays are arranged into five different thematic series which include family entanglements, loss, and the fundamental goodness and resourcefulness of human beings.
