Insight Guide: Caribbean is much more than just a guidebook to the Lesser Antilles, the most exciting of the Caribbean islands. A team of top writers and photographers combines the frank reporting and vivid photojournalism pioneered by Apa Publications. They reveal all the secrets of the enchanting island chain scattered over more than a thousand miles of stunning blue seas, from the white beaches of the Virgin Islands to the bright streets of Trinidad and Tobago, via the rain forest of Dominica and the mountains of Montserrat.

The book begins by sketching in the background, with chapters on the islands' turbulent history and charismatic characters. The following main section is an island-by-island guide containing a full run-down on where to go and what to do. Finally, listings cover travel in and around the destinations, hotels, restaurants and practical tips, with full-color maps.

Insight Guide: Caribbean entertains while it informs and inspires while it explains. Lavishly illustrated and compellingly written, this is the all-in-one guidebook you've been looking for.
